**RELATING TO COMPLIANCE WITH THE COVERAGE RATIO FOR THE
PREFERENTIAL RESOURCES ISSUE PROGRAMME
FOR QUARTER 1 2016**

Under articles L. 513-23 and R. 513-16-IV
of the Monetary and Financial Code

Dear Directors,

In our capacity as specific controller of Crédit Mutuel - CIC Home Loan SFH and in accordance with the provisions of articles L. 513-23 and R. 513-16 of the Monetary and Financial Code, we have audited compliance with the rules relating to the coverage ratio under articles L. 513-12 and R. 513-8 of the Monetary and Financial Code as part of a quarterly issue programme of resources with preference mentioned in article L. 513-11 of that Code.

In a decision of 08 December 2015, the Board of Directors of Crédit Mutuel - CIC Home Loan SFH has set the maximum limit for the issue programme of resources with preference set up in article L. 513-11 of the Financial and Monetary Code to €3 billion or its equivalent in foreign exchange, for the first quarter of 2016.

Under article L. 513-12 of the Monetary and Financial Code, the total value of the assets of your company must be greater than the value of the liabilities with the preference stated in article L. 513-11 of that Code. Further, under article R. 513-8 of the Code, home financing companies are required to comply at all times with a coverage ratio of preferential resources by assets at least equal to 105%.

Our task is to attest compliance with those rules as part of the quarterly issue programme.

Compliance with these rules, in view of the quarterly issue programme, has been verified on the basis of financial estimations for the elapsed period and forecast data for the future period prepared under your responsibility. The provisional information has been prepared from hypotheses that reflect the future position that was felt by you to be most likely on the date of preparation. The information has been appended to this attestation.

We have used all the efforts we believe necessary in view of the professional doctrine of the National Company of Auditors in respect of the mission.

Our work consisted of:

- ensuring that the value of the quarterly issue programme complies with the report of the deliberating organisation authorising the issues;
- examining the process of preparation of provisional financial data in view of the quarterly issue programme, it being restated that because forecasts are uncertain by their very nature, achievements may differ significantly from the provisional information that has been prepared;
- checking procedures for calculating the coverage ratio derived from these estimated data, as specified by articles 8 and 9 of regulation 99-10 of the CRBF and instruction 2014-I-16 of the prudential control and resolution authority;
- inspecting compliance with the rules in articles L. 513-12 and R. 513-8 on the basis of the provisional financial data.

Our work does not cover verification of compliance with the rules provided under (EU) Regulation 575/2013 applicable on 1 January 2014.

Based on our work, we have no observation to make in respect of compliance by Crédit Mutuel - CIC Home Loan SFH of provisions under articles L. 513-12 and R. 513-8 of the Monetary and Financial Code, after taking account of this quarterly issue programme.

This attestation is intended for you and for the prudential control and resolution authority and we decline responsibility towards any other party to which this attestation may be submitted or by which it may be received.

This attestation is governed by the laws of France. French courts shall have exclusive jurisdiction over any dispute, claim or demand that may result from our letter of mission or this attestation, or over any issue relating to the same. Each party irrevocably waives its right to oppose action taken before these courts or to claim that the action was initiated before courts without jurisdiction or that these courts do not have jurisdiction.
