

Crédit Mutuel Home Loan SFH

(société de financement de l'habitat duly licensed as a French specialised credit institution)

**€60,000,000,000 International Covered Bond Programme
for the issue of obligations de financement de l'habitat and other covered bonds**

Under the International Covered Bond Programme (the "**International Programme**") described in this base prospectus (the "**Base Prospectus**"), Crédit Mutuel Home Loan SFH (the "**Issuer**"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue *obligations de financement de l'habitat* within the meaning of Article L.513-30-I of the French Monetary and Financial Code (*Code monétaire et financier*) to be governed by French law and other covered bonds to be governed either by the law of New South Wales, Australia or by German law, as specified in the relevant Final Terms (as defined below) (respectively, the "**French Law Covered Bonds**", the "**Australian Law Covered Bonds**" or the "**German Law Covered Bonds**" and together, the "**International Covered Bonds**"), all benefiting from the statutory priority right of payment (*privilège*) created by Article L.513-11 of the French Monetary and Financial Code (*Code monétaire et financier*), as more fully described herein. The aggregate nominal amount of International Covered Bonds outstanding under the International Programme will not at any time exceed €60,000,000,000 (or its equivalent in any other currency at the date of determination of the financial conditions of the issue of such International Covered Bonds).

This Base Prospectus has been approved by the *Autorité des marchés financiers* (the "**AMF**") in its capacity as competent authority under Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, as amended (the "**Prospectus Regulation**"). The AMF only approves this Base Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered as an endorsement of either the Issuer or the quality of the French Law Covered Bonds that are the subject of this Base Prospectus and investors should make their own assessment as to the suitability of investing in the French Law Covered Bonds. Such approval is only applicable for French Law Covered Bonds to be admitted to trading on a Regulated Market in the European Economic Area ("**EEA**") and/or offered to the public in France pursuant to a non-exempt offer in accordance with the Prospectus Regulation and is not relevant for Australian Law Covered Bonds and German Law Covered Bonds, as Australian Law Covered Bonds and German Law Covered Bonds will not be admitted to trading nor listed on any market or stock exchange.

Application may be made to Euronext Paris for French Law Covered Bonds issued under the International Programme for the period of twelve (12) months after the date of the approval granted by the AMF on this Base Prospectus to be admitted to trading on Euronext Paris, which is a regulated market for the purposes of Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments, as amended ("**MiFID II**"), appearing on the list of regulated markets issued by the European Securities and Markets Authority (each a "**Regulated Market**"). French Law Covered Bonds may also be unlisted or admitted to trading on any other market, including any other Regulated Market in any Member State of the EEA and/or offered to the public in France pursuant to a non-exempt offer in accordance with the Prospectus Regulation. The relevant final terms (the "**Final Terms**") in respect of the issue of any French Law Covered Bonds will specify whether or not such French Law Covered Bonds will be listed and/or admitted to trading on any market (and, if so, the relevant market) and/or offered to the public in France pursuant to a non-exempt offer.

This Base Prospectus shall be valid for the admission to trading of French Law Covered Bonds on a Regulated Market and/or the offering of French Law Covered Bonds to the public in France pursuant to a non-exempt offer in accordance with the Prospectus Regulation until 15 June 2023, provided that it is completed by any supplement, pursuant to Article 23 of the Prospectus Regulation, following the occurrence of a significant new factor, material mistake or material inaccuracy relating to the information contained (or incorporated by reference) in this Base Prospectus which may affect the assessment of an investment in the French Law Covered Bonds. The obligation to supplement this Base Prospectus in the event of a significant new factor, material mistake or material inaccuracy does not apply when this Base Prospectus is no longer valid.

The Australian Law Covered Bonds and German Law Covered Bonds will not be admitted to trading and/or listed on any market or stock exchange and nor will they be offered to the public in any jurisdiction pursuant to a non-exempt offer. A form of Final Terms with respect to Australian Law Covered Bonds is contained in the Australian deed poll dated the date of this Base Prospectus (the "**Deed Poll**") and a form of Final Terms with respect to German Law Covered Bonds is contained in the amended and restated agency agreement dated the date of this Base Prospectus (the "**Agency Agreement**").

French Law Covered Bonds may be issued either in dematerialised form ("**Dematerialised Covered Bonds**") or in materialised form ("**Materialised Covered Bonds**") as more fully described herein. Dematerialised Covered Bonds will at all times be in book entry form in compliance with Article L.211-3 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*). No physical documents of title will be issued in respect of the Dematerialised Covered Bonds.

Dematerialised Covered Bonds may, at the option of the Issuer, be (i) in bearer form (*au porteur*) inscribed as from the issue date in the books of Euroclear France (acting as central depository) which shall credit the accounts of the Account Holders (as defined in section "*Terms and Conditions of the French Law Covered Bonds - Form, Denomination and Title*") including Euroclear Bank SA/NV ("**Euroclear**") and the depository bank for Clearstream Banking, S.A. ("**Clearstream**"), or (ii) in registered form (*au nominatif*) and, in such latter case, at the option of the relevant French Law Bondholder (as defined in section "*Terms and Conditions of the French Law Covered Bonds - Form, Denomination and Title*"), in either fully registered form (*au nominatif pur*), in which case they will be inscribed in an account maintained by the Issuer or by a registration agent (appointed in the relevant Final Terms) for the Issuer, or in administered registered form (*au nominatif administré*) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant French Law Bondholder.

Materialised Covered Bonds will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a "**Temporary Global Certificate**") will initially be issued in relation to Materialised Covered Bonds. Such Temporary Global Certificate will subsequently be exchanged for definitive Materialised Covered Bonds with, where applicable, coupons for interest or talons attached, on or after a date expected to be on or about the fortieth (40th) calendar day after the issue date of the French Law Covered Bonds (subject to postponement as described in section "*Temporary Global Certificate in respect of French Law Covered Bonds which are Materialised Covered Bonds*") upon certification as to non-U.S. beneficial ownership as more fully described herein. Temporary Global Certificates will (a) in the case of a Tranche (as defined in section "*Terms and Conditions of the French Law Covered Bonds*") intended to be cleared through Euroclear and/or Clearstream, be deposited on the issue date with a common depository for Euroclear and Clearstream, and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer(s) (as defined below).

International Covered Bonds issued under the International Programme are expected on issue to be rated AAA by Fitch Ratings Ireland Limited ("**Fitch**"), Aaa by Moody's France SAS ("**Moody's**") and AAA by S&P Global Ratings Europe Limited ("**S&P**" and, together with Fitch and Moody's, the "**Rating Agencies**"). As of the date of this Base Prospectus, each of the Rating Agencies is established in the European Union, registered under Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009 on credit rating agencies, as amended (the "**CRA Regulation**") and included in the list published on the European Securities and Markets Authority's website (<https://www.esma.europa.eu/supervision/credit-rating-agencies/risk>) in accordance with the CRA Regulation. Ratings issued by the Rating Agencies may be endorsed by a credit rating agency established in the United Kingdom and registered under the CRA Regulation as it forms part of domestic law of the United Kingdom by virtue of the European Union (Withdrawal) Act 2018 (the "**EUWA**" and the "**UK CRA Regulation**") or each of the Rating Agencies may be certified under the UK CRA Regulation. The credit rating of the International Covered Bonds will be specified in the relevant Final Terms. A rating is not a recommendation to buy, sell or hold International Covered Bonds and may be subject to suspension, change or withdrawal at any time by the assigning Rating Agency without notice.

As of the entry into force on 8 July 2022 of the relevant provisions of decree-law (*ordonnance*) No. 2021-858 dated 30 June 2021 transposing Directive (EU) 2019/2162 of the European Parliament and of the Council of 27 November 2019 on the issue of covered bonds and covered bond public supervision (the "Covered Bond Directive**"), the French Law Covered Bonds to be issued as from 8 July 2022 under the International Programme are intended to be eligible for being included on the list of *obligations de financement de l'habitat* that are entitled to use the "**European Covered Bond (Premium)**" label (excluding French Law Covered Bonds issued as from 8 July 2022 which are assimilated (*assimilées*) to and under the same legal regime as French Law Covered Bonds issued before 8 July 2022), to be published by the French Banking Authority (*Autorité de contrôle prudentiel et de résolution*), subject to prior approval and supervision of the French Banking Authority (*Autorité de contrôle prudentiel et de résolution*). However, no representation is made or assurance given that any French Law Covered Bond to be issued under the International Programme will actually be and remain allowed to use the "**European Covered Bond (Premium)**" label until its maturity.**

This Base Prospectus, any supplement thereto that may be published from time to time and, so long as any French Law Covered Bonds are admitted to trading on any Regulated Market in the EEA and/or offered to the public in France pursuant to a non-exempt offer in accordance with the Prospectus Regulation, the Final Terms relating to such French Law Covered Bonds will be available on the websites of the AMF (www.amf-france.org) and of the Issuer (www.creditmutuel-homeloansfh.eu).

See section "*Risk Factors*" below for certain information relevant to an investment in the International Covered Bonds to be issued under the International Programme.

The approval no. 22-215 granted by the AMF on 15 June 2022 to this Base Prospectus is only applicable for French Law Covered Bonds to be admitted to trading on a Regulated Market in the EEA and/or offered to the public in France pursuant to a non-exempt offer in accordance with the Prospectus Regulation, and is not relevant, in any case, for Australian Law Covered Bonds and German Law Covered Bonds, as Australian Law Covered Bonds and German Law Covered Bonds will not be admitted to trading nor listed on any market or stock exchange.

This Base Prospectus (together with any supplements thereto that may be published from time to time) constitutes a base prospectus for the purposes of Article 8 of the Prospectus Regulation and contains or incorporates by reference all relevant information concerning the Issuer which is necessary to enable investors to make an informed assessment of the assets and liabilities, profits and losses, financial position and prospects of the Issuer, as well as the rights attaching to the French Law Covered Bonds (but not the Australian Law Covered Bonds nor the German Law Covered Bonds) to be issued under the International Programme, the reason for the issuance of any French Law Covered Bonds and its impact on the Issuer. The terms and conditions applicable to each Tranche (as defined in section "*General Description of the International Programme*") of French Law Covered Bonds not contained herein (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder) will be determined by the Issuer and the relevant Dealer(s) (as defined in section "*General Description of the International Programme*") at the time of the issue and will be set out in the relevant Final Terms.

This Base Prospectus is to be read and construed in conjunction with any document and/or information which is incorporated herein by reference (see section "*Documents incorporated by Reference*" below), with any supplement thereto that may be published from time to time as well as, in relation to any Tranche of International Covered Bonds, with the relevant Final Terms.

This Base Prospectus (together with any supplements thereto that may be published from time to time) may only be used for the purposes for which it has been published.

No person is or has been authorised to give any information or to make any representation other than those contained or incorporated by reference in this Base Prospectus in connection with the issue or sale of the International Covered Bonds and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Arranger, the Dealers or the Australian Registrar (each as defined in section "*General Description of the International Programme*"). Neither the delivery of this Base Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer since the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that there has been no adverse change in the financial position of the Issuer since the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that any other information supplied in connection with the International Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Base Prospectus and the offering or sale of International Covered Bonds in certain jurisdictions may be restricted by law. The Issuer, the Arranger, the Dealers or the Australian Registrar do not represent that this Base Prospectus may be lawfully distributed, or that any International Covered Bonds may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer, the Arranger, the Dealers or the Australian Registrar which is intended to permit a public offering of any International Covered Bonds or distribution of this Base Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no International Covered Bond may be offered or sold, directly or indirectly, and neither this Base Prospectus nor any offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Base Prospectus or any International Covered Bonds may come are required by the Issuer, the Arranger, the Dealers and the Australian Registrar to inform themselves of, and to observe any such restrictions on the distribution of this Base Prospectus and the offering and sale of International Covered Bonds. In particular, there are restrictions on the distribution of this Base Prospectus and the offer or sale of International Covered Bonds in the United States of America, Australia, Japan, Switzerland, the European Economic Area (the "EEA") (including France, Italy, The Netherlands and Germany) and the United Kingdom (the "UK") (see section "*Subscription and Sale*" below).

The International Covered Bonds have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act") or with any securities regulatory authority of any state or other jurisdiction of the United States of America, subject to certain exceptions, and may not be offered or sold within the United States of America or to, or for the account or benefit of, U.S. Persons as defined in Regulation S under the Securities Act ("Regulation S"). The International Covered Bonds may include Materialised Covered Bonds in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, the International Covered Bonds may not be offered or sold or, in the case of Materialised Covered Bonds in bearer form, delivered within the United States or, in the case of certain Materialised Covered Bonds in bearer form, to, or for the account or benefit of, United States persons as defined in the U.S. Internal Revenue Code of 1986, as amended. The International Covered Bonds are being offered and

sold outside the United States of America to non-U.S. Persons in reliance on Regulation S.

Neither this Base Prospectus nor any other disclosure document in relation to the International Covered Bonds has been, or will be, lodged with the Australian Securities and Investments Commission. No action has been taken which would permit an offering of the International Covered Bonds in circumstances that would require disclosure under Parts 6D.2 or 7.9 of the Corporations Act 2001 of Australia.

The Issuer is neither a bank nor an authorised deposit-taking institution which is authorised under the Banking Act 1959 of Australia ("Australian Banking Act") and nor is it supervised by the Australian Prudential Regulation Authority. The International Covered Bonds will not be the obligations of the Australian Government and, in particular, the International Covered Bonds will not be guaranteed by the Commonwealth of Australia. An investment in International Covered Bonds will not be covered by the depositor protection provisions in section 13A of the Australian Banking Act and will not be covered by the Australian Government's bank deposit guarantee (also commonly referred to as the Financial Claims Scheme).

For a description of these and certain further restrictions on offers, sales and transfers of International Covered Bonds and on distribution of this Base Prospectus, see section "*Subscription and Sale*".

This Base Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer, the Arranger, the Dealers or the Australian Registrar to subscribe for, or purchase, any International Covered Bonds.

The Arranger, the Dealers and the Australian Registrar have not separately verified the information contained or incorporated by reference in this Base Prospectus. Neither the Arranger nor any of the Dealers nor the Australian Registrar makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information contained or incorporated by reference in this Base Prospectus. Neither this Base Prospectus nor any other information supplied in connection with the International Programme (including any information incorporated by reference herein) is intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arranger, the Dealers or the Australian Registrar that any recipient of this Base Prospectus or any other financial statements should purchase the International Covered Bonds. Each prospective investor of International Covered Bonds should determine for itself the relevance of the information contained or incorporated by reference in this Base Prospectus and its purchase of International Covered Bonds should be based upon such investigation as it deems necessary. Neither the Arranger nor any of the Dealers nor the Australian Registrar undertakes to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this Base Prospectus nor to advise any investor or prospective investor in the International Covered Bonds of any information that may come to the attention of the Arranger, the Dealers or the Australian Registrar. Any websites referred to in the Base Prospectus are for information purposes only and do not form part of the Base Prospectus.

Each potential investor in the International Covered Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) be (or be advised by) financial institutions or other professional investors who have sufficient knowledge and experience to make a meaningful evaluation of the International Covered Bonds, weigh the merits and risks of investing in the relevant International Covered Bonds and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement to this Base Prospectus and the relevant Final Terms;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant International Covered Bonds and the impact the relevant International Covered Bonds will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the International Covered Bonds, including where the currency for principal or interest payments is different from the potential investor's currency;
- (d) understand thoroughly the terms of the relevant International Covered Bonds and be familiar with the behaviour of any relevant rates and financial markets applicable to the Issuer;
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks;
- (f) consult its legal advisers to determine whether and to what extent (i) International Covered Bonds are legal investments for it, (ii) International Covered Bonds can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any International Covered Bonds. Financial institutions should consult their legal advisors or the appropriate

regulators to determine the appropriate treatment of International Covered Bonds under any applicable risk-based capital or similar rules. Neither the Issuer, the Permanent Dealers nor any of their respective affiliates has or assumes responsibility for (i) the lawfulness of the acquisition of the International Covered Bonds by a prospective investor, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different) or (ii) compliance by that prospective investor with any law, regulation or regulatory policy applicable to it; and

- (g) be aware, in terms of any legislation or regulatory regime applicable to such investor, of the applicable restrictions on its ability to invest in International Covered Bonds generally and in any particular type of International Covered Bonds.

Any prospective investor in the International Covered Bonds should be able to bear the economic risk of an investment in the International Covered Bonds for an indefinite period of time.

The tax legislation of the investors' Member State and of the Issuer's country of incorporation may have an impact on the income received from the International Covered Bonds.

A number of Member States of the European Union are currently negotiating to introduce a financial transactions tax ("FTT") in the scope of which transactions in the International Covered Bonds may fall. If the proposed directive or similar tax is adopted and implemented in local legislation, Bondholders may be exposed to increased transaction costs with respect to financial transactions carried out with respect to the International Covered Bonds and the liquidity of the market for the International Covered Bonds may be diminished. Prospective investors should consult their own tax advisers in relation to the consequences of the FTT associated with subscribing, purchasing, holding and disposing the International Covered Bonds.

The United States has enacted rules, commonly referred to as FATCA, that generally impose a new reporting and withholding regime with respect to U.S. source payments (including dividends and interest), gross proceeds from the disposition of property that can produce U.S. source interest and dividends and certain payments made by entities that are classified as financial institutions under FATCA. The United States and France entered into an intergovernmental agreement to implement FATCA (the "French IGA"). Under the French IGA, as currently drafted, it is not expected that the Issuer or the foreign financial institutions (such as clearing systems or other financial intermediaries between the International Bondholders and the Issuer) located within the French IGA jurisdiction shall be required to withholding on payments made within the scope of FATCA. However, significant aspects of whether or how FATCA will apply remain unclear, and no assurance can be given that withholding in accordance with FATCA will not become relevant with respect to payments made by the Issuer in the future. Prospective investors should consult their own tax advisors regarding FATCA.

PRIIPs REGULATION - PROHIBITION OF SALES TO EEA RETAIL INVESTORS – If the Final Terms in respect of any Tranche of International Covered Bonds include a legend entitled "Prohibition of Sales to EEA Retail Investors", the International Covered Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive 2016/97/EU of the European Parliament and of the Council of 20 January 2016 on insurance distribution, as amended (the "Insurance Distribution Directive"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently, in such case, no key information document required by Regulation (EU) No 1286/2014 of the European Parliament and of the Council of 26 November 2014 on key information documents for packaged retail and insurance-based investment products, as amended (the "PRIIPs Regulation") for offering or selling the International Covered Bonds or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the International Covered Bonds or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

UK PRIIPs REGULATION - PROHIBITION OF SALES TO UK RETAIL INVESTORS – If the Final Terms in respect of any Tranche of International Covered Bonds include a legend entitled "Prohibition of Sales to UK Retail Investors", the International Covered Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Commission Delegated Regulation (EU) 2017/565 of 25 April 2016 supplementing MiFID II as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("EUWA"); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended (the "FSMA") and any rules or regulations made under the FSMA to implement the Insurance Distribution Directive, where that customer would not qualify as a

professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of the Prospectus Regulation as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by the PRIIPs Regulation as it forms part of domestic law by virtue of the EUWA (the "UK PRIIPs Regulation") for offering or selling the International Covered Bonds or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the International Covered Bonds or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

MiFID II PRODUCT GOVERNANCE / TARGET MARKET – The Final Terms in respect of any Tranche of International Covered Bonds will include a legend entitled "MiFID II Product Governance" which will outline the determination of the type of clients in the context of the target market assessment, taking into account the five (5) categories referred to in item 18 of the Guidelines published by the European Securities and Markets Authority on 5 February 2018 in respect of the International Covered Bonds and which channels for distribution of the International Covered Bonds are appropriate. Any person subsequently offering, selling or recommending the International Covered Bonds (a "distributor") should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the International Covered Bonds (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the "MiFID Product Governance Rules"), any Dealer subscribing for any International Covered Bonds is a manufacturer as defined in MiFID II in respect of such International Covered Bonds, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

UK MiFIR PRODUCT GOVERNANCE / TARGET MARKET – The Final Terms in respect of any Tranche of International Covered Bonds may include a legend entitled "UK MiFIR product governance" which will outline the target market assessment in respect of the International Covered Bonds and which channels for distribution of the International Covered Bonds are appropriate. Any person subsequently offering, selling or recommending the International Covered Bonds (a "distributor") should take into consideration the target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK MiFIR Product Governance Rules") is responsible for undertaking its own target market assessment in respect of the International Covered Bonds (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the UK MiFIR Product Governance Rules, any Dealer subscribing for any International Covered Bonds is a manufacturer in respect of such International Covered Bonds, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the UK MiFIR Product Governance Rules.

In this Base Prospectus, unless otherwise specified or the context otherwise requires, references to "€", "Euro", "euro" or "EUR" are to the lawful currency of the Member States of the European Union that have adopted the single currency in accordance with the Treaty establishing the European Community, as amended, references to "£", "GBP", "pounds sterling" and "Sterling" are to the lawful currency of the United Kingdom, references to "\$", "USD" and "U.S. Dollar" are to the lawful currency of the United States of America, references to "¥", "JPY" and "Yen" are to the lawful currency of Japan, references to "CHF" and "Swiss Francs" are to the lawful currency of Switzerland and references to "A\$", "AUD" and "Australian Dollar" are to the lawful currency of Australia.

Important notice relating to Green, Social or Sustainability Covered Bonds

International Covered Bonds may be issued as Green, Social or Sustainability Covered Bonds (as defined in section "Use of Proceeds"). Prospective investors should have regard to the information set out in the "Use of Proceeds" item of the Final Terms and must determine for themselves the relevance of such information for the purpose of any investment in the Green, Social or Sustainability Covered Bonds together with any other investigation such investor deems necessary. In particular, no assurance is given by the Issuer, the Arranger or the Dealers that the use of such proceeds for any Eligible Loans (as defined in section "Use of Proceeds") will satisfy, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own by-laws, investment policy or other governing rules or investment portfolio mandates, in particular with regard to any direct or indirect environmental, social or sustainability impact of any projects or uses, the subject

of or related to, any Eligible Loans or that any adverse environmental, social and/or other impacts will not occur during the implementation of any Eligible Loans.

It should be noted that there is currently no clear definition (legal, regulatory or otherwise) of, nor market consensus as to what constitutes, a "green", "social" or "sustainable" or an equivalently-labelled project or as to what precise attributes are required for a particular project to be defined as "green", "social" or "sustainable" or such other equivalent label and if developed in the future the Green, Social or Sustainability Covered Bonds may not comply with any such definition or label. The Taxonomy Regulation (as defined in section "*Risk Factors – Risks related to the structure and features of a particular issue of French Law Covered Bonds – Risks relating to Green, Social or Sustainability Covered Bonds*") establishes a basis for the determination of such a definition in the European Union. However, the EU Taxonomy (as defined in section "*Risk Factors – Risks related to the structure and features of a particular issue of French Law Covered Bonds – Risks relating to Green, Social or Sustainability Covered Bonds*") remains subject to the implementation of delegated regulations by the European Commission on technical screening criteria for the environmental objectives set out in the Taxonomy Regulation. Therefore, no assurance is or can be given to investors that any projects or uses the subject of, or related to, any eligible projects will meet any or all investor expectations regarding such "green", "social" or "sustainable" or other equivalently-labelled performance objectives or that any adverse environmental, social and/or other impacts will not occur during the implementation of any projects or uses the subject of, or related to, any eligible projects.

No assurance or representation is given by the Issuer, the Arranger or the Dealers as to the suitability or reliability for any purpose whatsoever of any opinion or certification of any third party (whether or not solicited by the Issuer) which may be made available in connection with the issue of the Green, Social or Sustainability Covered Bonds and in particular with any Eligible Loans to fulfil any environmental, sustainability, social and/or other criteria. Any such opinion or certification is only current as of the date it was issued and the providers of such opinions and certifications are not currently subject to any specific oversight or regulatory or other regime. For the avoidance of doubt, the Green, Social or Sustainability Covered Bond Framework (as defined in section "*Use of Proceeds*") and any such opinion or certification is not, nor shall be deemed to be, incorporated in and/or form part of this Base Prospectus.

Neither the Arranger nor the Dealers have undertaken, or are responsible for, any assessment of any environmental, sustainability, social and/or other criteria, any verification of whether the Green, Social or Sustainability Covered Bonds meet any environmental, sustainability, social and/or other criteria or the monitoring of the use of proceeds, required by prospective investors or the delivery or contest of any opinion or certification of any third party (whether or not solicited by the Issuer) which may be made available in connection with the issue of the Green, Social or Sustainability Covered Bonds.

GENERAL DESCRIPTION OF THE INTERNATIONAL PROGRAMME

This section "General Description of the International Programme" does not purport to be complete and is taken from, and is qualified in its entirety by, the remainder of this Base Prospectus and, in relation to the terms and conditions of any particular Tranche of International Covered Bonds (the "**Conditions**"), the relevant Final Terms. The credit rating of the International Covered Bonds will be specified in the relevant Final Terms.

A credit rating is not a recommendation to buy, sell or hold International Covered Bonds and may be subject to suspension, change, or withdrawal by the assigning rating agency at any time without notice.

Credit ratings are for distribution only to a person (a) who is not a "retail client" within the meaning of section 761G of the Corporations Act 2001 of Australia ("**Australian Corporations Act**") and is also person in respect of whom disclosure is not required under Parts 6D.2 or 7.9 of the Australian Corporations Act, and (b) who is otherwise permitted to receive credit ratings in accordance with applicable law in any jurisdiction in which the person may be located. Reg. §1.163-5(c)(2)(i)(C) and any successor regulation issued under the Hire Act

(the "**TEFRA C Rules**") or (ii) such Materialised Covered Bonds are issued other than in compliance with the TEFRA D Rules or the TEFRA C Rules but in circumstances in which the International Covered Bonds will not constitute "registration required obligations" under the United States Tax Equity and Fiscal Responsibility Act of 1982 ("**TEFRA**"), which circumstances will be referred to in the relevant Final Terms as a transaction to which TEFRA is not applicable.

TEFRA rules are not applicable to Dematerialised Covered Bonds which are in bearer form for U.S. tax purposes.

II. THE BORROWER FACILITY AGREEMENT AND THE COLLATERAL SECURITY

The Borrower Facility Agreement:

The proceeds from the issuance of the International Covered Bonds under the International Programme will be used by Crédit Mutuel Home Loan SFH, as lender (in such capacity, the "**Lender**") to fund advances (each a "**Borrower Advance**") which shall be made available to BFCM, as borrower (in such capacity, the "**Borrower**") under a multicurrency term facility agreement (the "**Borrower Facility**").

The Borrower Facility shall be made available to the Borrower in an aggregate maximum amount equal to €60,000,000,000 for the purpose of financing the general financial needs of the Borrower.

Save in respect of any Borrower Advance financed by Soft Bullet Covered Bonds, which Final Terms of Borrower Advance (as defined in section "*The Borrower and the Borrower Facility Agreement – The Borrower Facility Agreement*") shall not provide for an extended maturity date, the terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall mirror the equivalent terms and conditions of the corresponding Final Terms of International Covered Bonds, it being provided that, as a principle, the interest to be paid by the Borrower under a Borrower Advance shall be the financing costs of the Lender under the International Covered Bonds funding such Borrower Advance, increased by a margin (the "**Issuer Margin**"). Any amounts repaid or prepaid under any Borrower Advance may be re-borrowed.

Upon the occurrence of a Borrower Event of Default (as defined in section "*The Borrower and the Borrower Facility Agreement – The Borrower Facility Agreement*"), the Administrator shall, by written notice (such notice to constitute a *mise en demeure*) to the Borrower (with a copy to the Rating Agencies and to the Collateral Security Agent), (i) declare that no more Borrower Advances shall be made under the Borrower Facility, (ii) declare that the Borrower Facility shall be cancelled, and (iii) declare that the Borrower Advances shall immediately become due and payable and enforce its rights under the Collateral Security Agreement and the Cash Collateral Agreement (a "**Borrower Enforcement Notice**").

(See section "*The Borrower and the Borrower Facility Agreement – The Borrower Facility Agreement*").

The Collateral Security Agreement:

The Collateral Security Agreement sets forth the terms and conditions upon which the Collateral Providers shall transfer to the Lender the full ownership of Eligible Assets as collateral security (*remis en pleine propriété à titre de garantie*) (the "**Collateral Security**") for the benefit of the Lender in order to secure the payments, as they become due and payable, of all and any amounts owed by the Borrower under the Borrower Facility Agreement, whether in principal, interest, as fees, as indemnities or as guarantees and whether present or future (the "**Secured Liabilities**").

For the purposes of the Collateral Security Agreement, an Eligible Asset means any Home Loan Receivable that complies with the Home Loan Eligibility Criteria (as further described in "*The Collateral Security*

Agreement"). In particular, Home Loan Receivables shall comply with the criteria defined in Article L.513-29 II of the French Monetary and Financial Code (*Code monétaire et financier*).

The Collateral Security shall be created in accordance with Article L.211-36 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*).

The Collateral Providers shall perform the servicing of the Collateral Security Assets (as defined in section "*The Collateral Security Agreement*") in accordance with applicable laws and its customary servicing procedures (the "**Servicing Procedures**"), using the degree of skill, care and attention as for servicing of its assets for its own account, without interfering with the Issuer's material rights under the Collateral Security Agreement.

In accordance with the Collateral Security Agreement, the Collateral Providers have appointed BFCM as agent (*mandataire*) of the Collateral Providers in order to manage the Collateral Security in the name and on behalf of such Collateral Providers (the "**Collateral Security Agent**").

(See section "*The Collateral Security – The Collateral Security Agreement*").

The Cash Collateral Agreement:

The Cash Collateral Agreement sets forth the terms and conditions upon which BFCM, as Cash Collateral Provider, shall fund certain amounts as cash collateral (*gage espèces*) (each a "**Cash Collateral**") into a Cash Collateral Account so as to secure the payments, as they become due and payable, of all and any amounts owed by the Borrower under the Borrower Facility Agreement, whether in principal, interest, as fees, as indemnities or as guarantees and whether present or future (the "**Secured Liabilities**").

The Cash Collateral Provider shall be requested to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount (i) upon non compliance by the Borrower of certain pre-maturity ratings levels following the occurrence date of such non compliance and during a certain pre-maturity test period (as further described in "*Asset Monitoring – The Pre-Maturity Test*") and/or (ii) so to enable the Issuer to comply with the regulatory liquidity test provided for under Articles L.513-8 and R.513-7 of the French Monetary and Financial Code (*Code monétaire et financier*) (as further described in "*Asset Monitoring – The Regulatory Liquidity Test*").

Failure by the Cash Collateral Provider to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount within the required period and on any relevant test date shall constitute a Breach of Pre-Maturity Test or a Breach of Regulatory Liquidity Test under the Cash Collateral Agreement. This breach shall in turn result in the occurrence of a Borrower Event of Default under the Borrower Facility Agreement.

(See section "*The Collateral Security – The Cash Collateral Agreement*").

III. ASSET MONITORING

Asset Cover Test:

Under the Collateral Security Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, shall monitor the Collateral Security Assets so as to ensure compliance with an asset cover test (the "**Asset Cover Test**").

Such Asset Cover Test shall be performed without prejudice to compliance by the Issuer with cover test provided by laws and regulations applicable to *sociétés de financement de l'habitat* (in particular the cover test provided for under Articles L.513-12 and R.513-8 of the French Monetary and Financial

Code (*Code monétaire et financier*) (see section "*Main features of the legislation and regulations relating to sociétés de financement de l'habitat*").

For so long as International Covered Bonds remain outstanding, non compliance with the Asset Cover Test would result from the Asset Cover Test Ratio (as specified in section "*Asset Monitoring – The Asset Cover Test*"), being less than one (1). A non compliance with the Asset Cover Test will not constitute an Issuer Event of Default or a Borrower Event of Default. However, it will prevent the Issuer from issuing any further International Covered Bonds as long as it remains unremedied.

The failure by the Collateral Security Agent to cure a non compliance with the Asset Cover Test occurred on any Asset Cover Test Date prior to the next following Asset Cover Test Date (as defined in section "*Asset Monitoring – The Asset Cover Test*") shall constitute a Breach of Asset Cover Test within the meaning of the Collateral Security Agreement.

A Breach of Asset Cover Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement. A Breach of Asset Cover Test will not constitute an Issuer Event of Default but will prevent the Issuer from issuing any further International Covered Bonds.

(See section "*Asset Monitoring – The Asset Cover Test*").

Regulatory Cover Ratio:

The Issuer must at all times maintain a cover ratio between its assets and its liabilities benefiting from the *Privilège*. In particular, pursuant to Articles L.513-12 and R.513-8 of the French Monetary and Financial Code (*Code monétaire et financier*), the Issuer must at all time maintain a ratio of at least one hundred and five per cent. (105%) as between its assets and the total amount of its liabilities benefiting from the *Privilège* (the "**Regulatory Cover Test**").

(See section "*Main features of the legislation and regulations relating to sociétés de financement de l'habitat*").

Pre-Maturity Test:

Under the Cash Collateral Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Borrower shall fund the Cash Collateral Account up to an amount sufficient so as to ensure compliance with a pre-maturity test (the "**Pre-Maturity Test**").

For each Series of International Covered Bonds and for so long as International Covered Bonds of such Series remain outstanding, during the period starting from, and including, the one hundred and eightieth (180th) Business Day preceding the Final Maturity Date (or, as the case may be, with respect to Soft Bullet Covered Bonds, the Extended Final Maturity Date) of such Series of International Covered Bonds and ending on, and excluding, such Final Maturity Date (or, as the case may be, with respect to Soft Bullet Covered Bonds, the Extended Final Maturity Date), and upon the downgrading of the Borrower below any of the Pre-Maturity Ratings Required Levels (see section "*Asset Monitoring – The Pre-Maturity Test*"), the Cash Collateral Provider shall fund the Cash Collateral Account up to an amount determined in accordance with the relevant provisions of the Cash Collateral Agreement.

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant amount shall constitute a Breach of Pre-Maturity Test within the meaning of the Cash Collateral Agreement.

A Breach of Pre-Maturity Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement. A Breach of Pre-Maturity Test will not constitute an Issuer Event of Default.

(See section "*Asset Monitoring – The Pre-Maturity Test*").

Regulatory Liquidity Test:

Under the Cash Collateral Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Borrower shall fund the Cash Collateral Account up to an amount sufficient so as to ensure compliance with a regulatory liquidity test (the "**Regulatory Liquidity Test**").

At any time, for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Cash Collateral Provider shall fund the Cash Collateral Account up to an amount determined in accordance with the relevant provisions of the Cash Collateral Agreement.

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant amount shall constitute a Breach of Regulatory Liquidity Test within the meaning of the Cash Collateral Agreement.

A Breach of Regulatory Liquidity Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement. A Breach of Regulatory Liquidity Test will not constitute an Issuer Event of Default.

(see section "*Asset Monitoring – The Regulatory Liquidity Test*").

Amortisation Test:

For so long as International Covered Bonds remain outstanding and following the enforcement of a Borrower Event of Default subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Issuer shall ensure compliance with an amortisation test (the "**Amortisation Test**").

For so long as International Covered Bonds remain outstanding, non-compliance with the Amortisation Test would result from the Amortisation Ratio (as specified in section "*Asset Monitoring – The Amortisation Test*") being less than one (1).

A non-compliance with the Amortisation Test will constitute an Issuer Event of Default.

(See section "*Asset Monitoring – The Amortisation Test*").

I. RISKS RELATED TO THE ISSUER AND THE FUNCTIONING OF THE INTERNATIONAL PROGRAMME

A. THE ISSUER IS EXPOSED TO CREDIT AND STRUCTURAL RISKS

1. Insolvency and examinership laws in France could limit the ability of the Bondholders to enforce their rights under the French Law Covered Bonds

The Issuer is subject to French laws and proceedings affecting creditors generally, including Article 1343-5 of the French Civil Code (*Code civil*), conciliation proceedings (*procédure de conciliation*), safeguard proceedings (*procédure de sauvegarde*), accelerated safeguard proceedings (*procédure de sauvegarde accélérée*) and judicial reorganisation or liquidation proceedings (*procédures de redressement judiciaire ou de liquidation judiciaire*).

As a regulated credit institution (*établissement de crédit*), the Issuer is also subject to the specific provisions of Articles L.613-26 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*) that specify the conditions for opening an insolvency proceeding against a credit institution (*établissement de crédit*) (prior information and opinion of the French Banking Authority (*Autorité de contrôle prudentiel et de résolution*)), include specific concepts of cash flow insolvency (*cessation des paiements*) and set out specific rules for the liquidation of a credit institution (*établissement de crédit*). More specifically, pursuant to Article L.613-31-16 of the French Monetary and Financial Code (*Code monétaire et financier*), the French Banking Authority (*Autorité de contrôle prudentiel et de résolution*) may suspend temporarily the right to invoke the acceleration, the termination and the set-off rights provided for in Article L.211-36-1 of the French Monetary and Financial Code (*Code monétaire et financier*) under any agreement entered into with the Issuer.

The above-mentioned insolvency rules apply equally to each party to the Programme Documents that is regulated as a credit institution in France.

In general, French insolvency rules favour the continuation of a business and the employment conservation over the payment of creditors.

However, the Issuer, as a *société de financement de l'habitat*, benefits from certain exceptions to these insolvency rules (such as (i) rules precluding the extension of insolvency proceedings in respect of the *société de financement de l'habitat's* parent company to the *société de financement de l'habitat*, (ii) rules providing that in the event of safeguard proceedings (*procédure de sauvegarde*), judicial reorganisation proceedings (*procédure de redressement judiciaire*) or judicial liquidation proceedings (*procédure de liquidation judiciaire*) of a *société de financement de l'habitat* all claims benefiting from the *Privilège*, including interest thereon, must be paid on their due dates and in preference to all other claims, whether or not secured or statutorily preferred, (iii) rules excluding the ability of an administrative receiver to render certain transactions entered into during the hardening period (*période suspecte*) null and void when such transactions were entered into by a *société de financement de l'habitat*, provided that such transactions are made in accordance with its exclusive legal purpose and without fraud and (iv) that in the event of the opening of any safeguard proceedings (*procédure de sauvegarde*), judicial reorganisation proceedings (*procédure de redressement judiciaire*) or judicial liquidation proceedings (*procédure de liquidation judiciaire*) against the credit institution which is acting as manager and servicer of the assets and liabilities of the *société de financement de l'habitat*, the recovery, management and servicing contract may be immediately terminated by the *société de financement de l'habitat* notwithstanding any legal provisions to the contrary), as further described under paragraph "*Insolvency remoteness*" of section "*Main features of the legislation and regulations relating to sociétés de financement de l'habitat*". While these exceptions may protect French Law Covered Bonds from some of the risks inherent in French insolvency law, they may not be sufficient to provide complete protection.

In the case of insolvency proceedings in respect of the Issuer, the ability of French Law Bondholders to enforce their rights under the French Law Covered Bonds would be limited and the value of the French Law Covered Bonds would be adversely affected. In both cases, this will result in the French Law Bondholders losing all or a substantial part of their investment in the French Law Covered Bonds.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is unlikely and that the impact of such risk could be significant.

2. The Issuer has sole liability under the French Law Covered Bonds and has limited resources

The Issuer is the only entity with the obligation to pay principal and interest in respect of the French Law Covered Bonds. The French Law Covered Bonds are not and will not be the obligation or responsibility of any other entity, including (but not limited to) BFCM (in any capacity but in particular in its capacity as Borrower, Administrator, Issuer Calculation Agent, Collateral Security Agent or Cash Collateral Provider), the Collateral Providers, the Dealers, the Representative, the Fiscal Agent, the Australian Registrar, the German Fiscal Agent, the German Registrar, the Paying Agents, the Asset Monitors, any counterparty to any Hedging Agreement(s) or to any

equivalent hedging mechanism entered into by the Issuer (if any) or any company in the same group of companies as any of them, or the shareholders or directors or agents of any company in the same group of companies as any of them.

The Issuer's ability to meet its obligations under the French Law Covered Bonds will firstly and mainly depend on the ability of the Borrower to meet its payment obligations towards the Issuer under the Borrower Facility Agreement.

Upon the occurrence of a Borrower Event of Default and enforcement of the Collateral Security transferred by the Collateral Providers, the Issuer's ability to meet its obligations under all the French Law Covered Bonds will thereafter depend on the proceeds from the Collateral Security transferred by way of security (*remis en pleine propriété à titre de garantie*) by the Collateral Providers, *i.e.* the Home Loan Receivables and their related Home Loan Security or the sale proceeds thereof, which totalled 35,001,182,289 euros and consisted of 368,377 loans as of 31 December 2021, as well as under any Cash Collateral Agreement before the occurrence of the Borrower Event of Default.

If such amounts are not sufficient for the Issuer to meet its obligations under the French Law Covered Bonds, the Issuer would have no further source of funds available other than any recourse the Issuer has against the Borrower in respect of the remaining unpaid amounts under the Borrower Facility Agreement, which would only be an unsecured claim.

Should the recourse of the Issuer against the Borrower under the Borrower Facility Agreement (which is unsecured) and against the Collateral Security Assets under the Collateral Security Agreement prove to be insufficient to support payments under the French Law Covered Bonds until their maturity, this may have a significant negative impact on the Issuer's ability to perform its payment obligations under the French Law Covered Bonds. In addition, the French Law Bondholders will have no direct recourse against the Collateral Security Assets and the Borrower. As a result, they could lose all or a substantial part of their investment in the French Law Covered Bonds.

In view of the above, it is the Issuer's assessment that the likelihood of such risk happening is very unlikely and that the impact of such risk could be significant.

3. The Issuer is exposed to performance risk on third-parties service providers, including BFCM

The Issuer does not have its own means or employees. Therefore, it has entered into agreements with BFCM and other third parties, which have agreed to perform services for the Issuer. These services include, but are not limited to, the appointment of BFCM as Administrator, Issuer Calculation Agent, Collateral Providers Agent, Cash Collateral Provider, Issuer Account Bank and Collateral Provider under the Programme Documents.

In the event that the Administrator, the Issuer Calculation Agent or any other relevant party providing services to the Issuer under the Programme Documents fails to perform its obligations under the relevant agreement(s) to which it is a party, the ability of the Issuer to make payments under the French Law Covered Bonds may be affected. As a consequence, the situation of the French Law Bondholders may be adversely and materially affected and they could lose all or a substantial part of their investment in the French Law Covered Bonds.

Under the relevant Programme Documents, the Issuer may in certain circumstances terminate the appointment of BFCM or any third-party service provider under the relevant Programme Documents and replace it. However, there is a risk that no suitable successor will be found in a timely manner or with sufficient experience or ability to serve on the same or similar terms as provided by the relevant Programme Documents or as to the financial terms on which they would agree to be appointed. Furthermore, the transfer of the servicing function to a new servicer could result in delays, increased costs and/or losses in collection of sums due to the Issuer under its assets, could create operational and administrative difficulties for the Issuer, and could adversely affect its ability to perform its obligations under the French Law Covered Bonds. A substitute entity may not be found in some cases. Any delay or inability to appoint a substitute entity may also affect the ability of the Issuer to make payments under the French Law Covered Bonds. As a consequence, the situation of the French Law Bondholders may be adversely and materially affected and they could lose all or a substantial part of their investment in the French Law Covered Bonds.

Crédit Mutuel Alliance Fédérale entities including BFCM have implemented home working arrangements which could lead to new types of operational incidents or increase the risk of cyber-attacks faced by the Issuer.

It is the Issuer's assessment that the likelihood of such risk happening is very unlikely and that the impact of such risk could be significant.

B. THE ISSUER IS EXPOSED TO LIQUIDITY, INTEREST AND CURRENCY RISKS

1. Liquidity risk

Pursuant to Articles L.513-8 and R.513-7 of the French Monetary and Financial Code (*Code monétaire et financier*), the Issuer must, at all time, ensure adequate coverage of its liquidity needs for a one hundred and eighty (180) days period by any of the assets set on in Article R.513-7 of the French Monetary and Financial Code (*Code monétaire et financier*). Pursuant to Article R.513-7 of the French Monetary and Financial Code (*Code monétaire et financier*), the assessment of the Issuer's liquidity needs must be made by taking into account expected flows in principal and interests under the Eligible Assets and net flows relating to forward financial instruments set forth in Article L.513-10 of the French Monetary and Financial Code (*Code monétaire et financier*). As of 31 December 2021, the Issuer had to maintain a minimum of 2.54 billion euros to cover its liquidity needs and the average life of the Eligible Assets held by the Issuer was 64 months.

As a credit institution, the Issuer is also subject to the liquidity coverage ratio on an individual basis in accordance with the provisions of Directive 2013/36/EU (CRD IV), as amended, and Regulation (EU) No 575/2013 (Capital Requirements Regulation), as amended. To comply with such ratio, credit institutions shall hold sufficient risk-free and highly liquid assets on the markets to meet payments of net outflows for a 30 calendar days period. The minimum regulatory requirement for this liquidity coverage ratio is at 100%. The Issuer benefits from an exemption from application of the 75% ceiling on cash receipts, granted by the Supervisory College of the French Banking Authority (*Autorité de contrôle prudentiel et de résolution*) in a letter dated 1st August 2014. As of 31 December 2021, as the Issuer had no cash outflow planned over the next 30-calendar days period, the liquidity coverage ratio was complied with, as it was throughout the 2021 fiscal year (the Issuer did not engage in maturity transformation as its sources and uses of funds were perfectly matched by term).

Such liquidity needs must be covered by the Issuer with Eligible Substitution Assets or with assets that are eligible as collateral to the credit transactions with the Banque de France in accordance with the monetary policy and intraday credit operations rules of the Eurosystem. The Issuer may also benefit from additional contractual undertakings, such as, at the date of this Base Prospectus, an obligation of the Cash Collateral Provider to fund a Cash Collateral into the credit of the Cash Collateral Account which can be invested in Permitted Investments in the conditions described in section "*Asset Monitoring – The Regulatory Liquidity Reserve*". As of 31 December 2021, the amount required for compliance with the liquidity ratio provided for under Articles L.513-8 and R.513-7 of the French Monetary and Financial Code (*Code monétaire et financier*) was complied with. As a result, the Borrower was not required to fund the Cash Collateral Account.

In any case, if the Issuer is not able to cover its liquidity needs with any other available means, the Issuer would still be allowed to subscribe for its own *obligations de financement de l'habitat*, within the limit of ten (10) per cent. of the total outstanding amount (*encours total*) of the resources benefiting from the Privilège as at the date of their subscription, for the sole purpose of pledging them (*affecter en garantie*) as collateral security in order to secure the credit transactions (*opérations de crédit*) of the Banque de France in accordance with the procedures and conditions determined by the latter for its monetary policy and intraday credit operations pursuant to Article L.513-26 of the French Monetary and Financial Code (*Code monétaire et financier*).

In spite of the above, if the Issuer is not able to cover its liquidity needs, this may have a negative impact on the Issuer's ability to meet its obligations under the French Law Covered Bonds in a timely manner and in particular, its ability to make payments under the French Law Covered Bonds may be negatively affected.

In light of the above, it is the Issuer's assessment that the likelihood of the liquidity risk happening is very unlikely and that the impact of such risk could be significant.

2. Exposition to interest and currency risks

Each Borrower Advance granted by the Issuer to the benefit of the Borrower under the Borrower Facility Agreement will be made available in the same Specified Currency and according to the same interest conditions as the French Law Covered Bonds funding such Borrower Advance.

As a consequence, as long as a Borrower Event of Default does not occur, the Issuer will not be exposed to currency or interest risk regarding the Borrower Debt and the French Law Covered Bonds. As of 31 December 2021, the advances granted by the Issuer to the benefit of the Borrower under the Borrower Facility Agreement amount to 26.845 million euros.

Upon the occurrence of a Borrower Event of Default and the enforcement of the Collateral Security, Home Loans and related Home Loans Security will be transferred to the Issuer and the Issuer's available funds will arise from the Collateral Security Assets.

However, the Home Loans that are part of the Collateral Security may not bear interest under the same terms and conditions as the French Law Covered Bonds and may not be denominated in the same currency as the French

Law Covered Bonds. As of 31 December 2021, 97.71% of the Home Loans that are part of the Collateral Security were fixed rate loans and the proportion of Fixed Rate Covered Bonds among outstanding International Covered Bonds was equivalent. In addition, the Issuer has entered into a hedging agreement with the Borrower in order to hedge currency risks on International Covered Bonds denominated in a currency other than Euro and a swap agreement with the Borrower mirroring such hedging agreement.

In order to hedge the potential mismatch of the interest rates applicable to the French Law Covered Bonds and to the Home Loans and the potential mismatch of currencies, the Issuer may use different mechanisms:

- (i) hedging mechanisms may include, without limitation, any hedging mechanism(s) such as without limitation, overcollateralisation, cash reserve, additional selection rules for the Home Loans or any other mechanism(s) which will comply with the specific legal requirements applicable to *sociétés de financement de l'habitat* and with the applicable rating agencies public methodologies and criteria which are commensurate to the then current rating of the French Law Covered Bonds;
- (ii) any remaining risks may be hedged by the Issuer by entering into Hedging Agreements (as defined in section "*The Issuer – Issuer Hedging Risk Management*").

In light of the above, it is the Issuer's assessment that the likelihood of the interest and currency risk happening is unlikely and that the impact of such risk could be low.

C. RISKS RELATED TO ECONOMIC ENVIRONMENT

The Covid-19 pandemic and its spread worldwide is causing a shock to the world economy and a marked slowdown in activity. Generally speaking, this health crisis has accentuated the potential impact of our various risk factors on the financial position of Crédit Mutuel Alliance Fédérale.

The pandemic and its impact on the global economy and financial markets have had and are likely to have a material adverse impact on the results of operations and financial position of the Crédit Mutuel Alliance Fédérale.

Because of its business model, Crédit Mutuel Alliance Fédérale's primary risk is credit risk. The Covid-19 pandemic could have a significant impact on the profitability and solvency of Crédit Mutuel Alliance Fédérale.

As of 31 December 2021, Crédit Mutuel Alliance Fédérale's non-performing loans' ratio reached 2.58% (2.91% at the end of 2020) and the cost of risk was 699 million euros (2.377 million euros in 2020) (as a fraction of gross outstanding loans, the cost of customer risk was 0.154%). This amount partly contains provisions of a forward-looking nature that could prove insufficient if the consequences of the crisis prove to be more serious than anticipated at the time they were created.

Due to the size of its portfolio of real estate loans (51% of customer loans or around 227 billion euros as of 31 December 2021), mainly in France, the Crédit Mutuel Alliance Fédérale is exposed to a downturn in the real estate market, the probability of occurrence of which may be increased by the current pandemic (following a fall in demand linked to a deterioration in households' financial situation, the unemployment rate, etc.). A scenario of that type would impact its cost of risk through higher defaults and also, in terms of mortgage-backed financing, if the value of dwellings given as collateral should be significantly affected for a considerable period of time by a decline in the real estate market.

The ability of the Issuer to make any principal and interest payments in respect of the French Law Covered Bonds may be materially affected by the results of operations and financial position of Crédit Mutuel Alliance Fédérale.

There are still uncertainties on when the Covid-19 crisis will be contained and what negative impacts the crisis may have on the debtors under the Collateral Security Assets should the crisis deepen despite the various public supporting measures. A challenging macro-economic environment may also affect the production of new home loans and the residential property values.

Furthermore, the current Russia-Ukraine conflict is likely to cause a shock to the global economy and a slowdown in activity. This could increase certain risks, mainly those related to macroeconomic conditions and a potentially unfavorable trend in the markets, as well as cybersecurity risks. The still uncertain geopolitical, economic, financial and social consequences of this conflict and uncertainties about its spread to different parts of the global economy make it impossible, at this stage, to accurately estimate the impact for Crédit Mutuel Alliance Fédérale and its subsidiaries. Specifically, in terms of risks relating to Russia and Ukraine, Crédit Mutuel Alliance Fédérale does not have a direct presence (through a subsidiary or joint venture) in these two countries. More generally, Crédit Mutuel Alliance Fédérale's exposure to these countries is extremely limited.

In view of the above, it is the Issuer's assessment that the likelihood of such risk happening to the Issuer is unlikely and that the impact of such risk could be low.

II. RISKS RELATED TO THE BORROWER AND THE COLLATERAL SECURITY

A. RISKS RELATED TO THE BORROWER

1. Impact of changes in BFCM's financial condition or credit ratings

The terms of the French Law Covered Bonds and the Programme Documents contain provisions that require the Issuer to take certain actions if the credit rating of BFCM deteriorates, or if BFCM defaults in its obligations as Borrower under the Borrower Facility. These actions include changing the account where the Issuer's funds are deposited, requiring BFCM (as Borrower) to provide cash collateral, and requiring the Issuer to enter into hedging agreements with banks other than BFCM. While payment of the French Law Covered Bonds should be covered by cash flow on the Home Loans that are included in the Collateral Security, or proceeds from the sale of such Home Loans, a change in the timing of payments could have an adverse impact on investors.

In addition, the rating agencies have publicly stated that the credit ratings of covered bonds are linked to the credit ratings of the programme sponsor (which is BFCM, with respect to this International Programme). While the link between the ratings of a programme sponsor and those of the related covered bonds is not direct, and precise correlation between these ratings has not been published by the rating agencies, a significant downgrading of BFCM's credit rating could have an impact on the credit rating, and the value, of the French Law Covered Bonds.

As a result of the foregoing, a significant deterioration in the financial condition of BFCM could have an adverse impact on the trading price of the French Law Covered Bonds, even in the absence of a rating trigger event or a Borrower Event of Default. If either such event were to occur, the impact on the trading price of the French Law Covered Bonds would be more significant.

In light of the above, it is the Issuer's assessment that the likelihood of this risk happening is unlikely and that the impact of such risk could be significant.

2. Borrower's ability to pay under the Borrower Debt

Neither the Issuer nor any other party to the Programme Documents (other than, upon certain circumstances, the Cash Collateral Provider and without prejudice to the Collateral Security transferred by the Collateral Providers) does guarantee or warrant full and timely payment by the Borrower of any sums of principal or interest payable under the Borrower Debt.

As of 31 December 2021, the advances granted by the Issuer to the benefit of the Borrower under the Borrower Facility Agreement amount to 26.845 million euros.

Should the Borrower be subject to any applicable insolvency proceedings referred to in Book VI of the French Commercial Code (*Code de commerce*) (pertaining to insolvency proceedings as a matter of French law), this would impair the ability of the Issuer to claim against the Borrower for obtaining timely payment of amounts of principal and interest due and payable under the Borrower Debt and the Issuer will not be entitled to accelerate the payment of such amounts. As a consequence, this may have a significant negative impact on the Issuer's ability to perform its payment obligations under the French Law Covered Bonds

However, in accordance with Articles L.211-38-I and L.211-40 of the French Monetary and Financial Code (*Code monétaire et financier*), the ability of the Issuer to use the funds made available to it by the Cash Collateral Provider under the relevant Cash Collateral or the ability of the Issuer to enforce the Collateral Security transferred by the Collateral Providers will not be affected by the opening against the Borrower of any insolvency proceedings referred to in book VI (*Livre VI*) of the French Commercial Code (*Code de commerce*).

In light of the above, it is the Issuer's assessment that the likelihood of this risk happening is very unlikely and that the impact of such risk could be significant.

B. RISKS RELATED TO THE COLLATERAL SECURITY

1. The Home Loans may be subject to prepayment

The rate of prepayment of Home Loans is influenced by a wide variety of economic, social and other factors, including prevailing market interest rates, changes in tax laws (including amendments to mortgage interest tax deductibility), local and regional economic conditions and changes in the debtor's behaviour (including home-owner mobility). In addition, debtors under the Home Loans may renegotiate periodically the interest rate prevailing on their loan and such renegotiation may be accepted by the Collateral Providers.

While such occurrences may happen at any time and are difficult to quantify beforehand.

A high level of prepayment and renegotiation of interest rate will reduce the yield of the Collateral Security Assets and therefore, may affect the ability of the Issuer to have sufficient funds to make payments under the French Law Covered Bonds after the occurrence of a default of the Borrower under the Borrower Facility Agreement.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is likely and that the impact of such risk could be moderate.

2. The Collateral Providers may change their lending criteria which may affect the creditworthiness of the Home Loans

Each of the Home Loans originated by the Collateral Providers will be originated in accordance with its lending criteria at the time of origination. It is expected that each Collateral Provider's lending criteria will generally consider the type of financed property, the term of loan, the age of applicants, the loan-to-value ratio, the status of applicants and their credit history. All lending criteria and preconditions as applied by the originator of the Home Loan pursuant to its customary lending procedures must be satisfied prior to the provision of the Home Loan. Each of the Collateral Providers retains the right to revise its lending criteria from time to time (although only Home Loans that meet the then applicable Home Loan Eligibility Criteria will be Eligible Home Loans).

If the lending criteria change in a manner that affects the creditworthiness of the Home Loans, this may lead to increased defaults by borrowers and may affect the realisable value of the Collateral Security Assets or part thereof, and may ultimately affect the ability of the Issuer to make payments under the French Law Covered Bonds upon the occurrence of a default of the Borrower under the Borrower Facility Agreement and subsequent enforcement of the Collateral Security.

As of 31 December 2021, Collateral Security Assets consisted of 368,377 loans with an average loan balance of 95,015 euros and a weighted average loan to value ratio of 61% (67% unindexed).

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is unlikely and that the impact of such risk could be significant.

3. Ability of the Issuer to make payments when due may be affected by the sale or refinancing of Home Loans and related Home Loan Security following enforcement of the Collateral Security

Upon enforcement of the Collateral Security, the Administrator (or the Substitute Administrator, or any representative or agent acting on its behalf) acting on behalf of the Issuer may (pursuant to the Administrative Agreement) sell or refinance Home Loans transferred as Collateral Security (*remis en pleine propriété à titre de garantie*) and related Home Loan Security in order for the Issuer to receive sufficient Available Funds to make payments when due under the relevant Series of French Law Covered Bonds. All payments will be made according to the priority of payment order then applicable in accordance with section "Cash Flow" of this Base Prospectus and the relevant payment dates and Final Maturity Date (or, as the case may be, with respect to Soft Bullet Covered Bonds, the Extended Final Maturity Date) under each relevant Series of French Law Covered Bonds then outstanding.

A buyer may not be found to acquire Home Loans and related Home Loan Security at the times required and the price that may be obtained for such acquisition is not predictable, which may affect the ability of the Issuer to make payments when due under the French Law Covered Bonds.

In addition, in respect of any sale or refinancing of Home Loans and related Home Loan Security to third parties, the Issuer will not be permitted to give warranties or indemnities as to those assets. Representations or warranties previously given by the Collateral Providers in respect of such assets pursuant to the terms of the Collateral Security Agreement may not benefit a third-party purchaser of such assets upon sale or refinancing thereof by the Issuer. Accordingly, there is a risk that the price or value of such assets upon the sale or refinancing thereof by the Issuer will be adversely affected by the lack of representations and warranties which in turn could adversely affect the Issuer's ability to perform its payment obligations under the relevant Series of French Law Covered Bonds.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is very unlikely and that the impact of such risk could be significant.

4. The Issuer is exposed to the credit risk of the Home Loan Guarantee providers

Upon the occurrence of a Borrower Event of Default, the Issuer will be exposed to the credit risk of the Home Loan Guarantee providers in relation to Home Loans which are guaranteed by a Home Loan Guarantee, in case of default of the debtor of the relevant Home Loan.

As of 31 December 2021, the Home Loans underlying the Collateral Security Assets include independent home loan guarantees by Crédit Logement (for an amount of 11,404,747,678 euros representing 33% of such Home Loans) and by Crédit Mutuel Caution Habitat (for an amount of 1,138,399,467 euros representing 3% of such Home Loans), a *société anonyme* incorporated under French law which belongs to the Crédit Mutuel Alliance Fédérale.

If the Home Loan Guarantee provider does not pay in whole or in part any amounts due under the relevant Home Loan Guarantee for whatever reason or does not pay such amounts in a timely manner, this may affect the ability of the Issuer to make payments under the French Law Covered Bonds.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is likely and that the impact of such risk could be low.

5. Delay in the ability of the Issuer to obtain effective direct payment from the underlying debtors under the Home Loans

The Collateral Security Agreement will provide that the relevant Home Loans and Home Loan Security will be transferred by way of security (*remis en pleine propriété à titre de garantie*) (as defined in section "The Collateral Security – The Collateral Security Agreement") without notifying the underlying debtors of such Home Loans. Such debtors will only be notified in case of enforcement of the Collateral Security following the occurrence of a Borrower Event of Default. Until such notification has been given, any payments made by any debtor under the relevant Home Loans will continue to be validly made by such debtors to the relevant Collateral Provider(s) even though title to such Home Loans has been validly transferred by way of security (*remis en pleine propriété à titre de garantie*) to the Issuer. After such notification has been given, a debtor under a Home Loan would be entitled to invoke statutory set-off against the Issuer if prior to the notification of the transfer the conditions for statutory set-off were satisfied.

The debtors under the relevant Home Loans may not be notified at the required time and the Issuer may not succeed to obtain effective direct payment from the debtors under the relevant Home Loans in a timely manner, which may affect the Issuer's ability to make payments under the French Law Covered Bonds.

Until the debtors under the relevant Home Loans have been notified and provided, at such time, that insolvency proceedings have been opened against the Collateral Providers, a statutory stay of execution under mandatory rules of French insolvency law will prevent the Issuer from taking recourse against the Collateral Providers in order to obtain payment of amounts that should have been paid directly to the Issuer but that were paid to such Collateral Providers and commingled by them with other funds.

As of 31 December 2021, the collateral value of the Home Loans and related Home Loan Security amounted to 35,001,182,289 euros.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is very unlikely and that the impact of such risk could be significant.

6. Debtors' ability to pay under the Home Loans may affect the Issuer

After the occurrence of a Borrower Event of Default and the enforcement of the Collateral Security, the Issuer will be exposed to the credit risk of the debtors under the Home Loans, who are natural persons that have borrowed in order to finance the acquisition of real estate residential property.

If following enforcement of the Collateral Security, the Issuer does not receive the full amount due from the debtors on such Home Loans, the ability of the Issuer to make payments under the French Law Covered Bonds may be affected.

The Issuer is therefore exposed to credit risk in relation to the debtors under the Home Loans.

None of the Borrower, the Collateral Providers, the Issuer or any other party to the Programme Documents guarantees or warrants full and timely payment by the debtors under the Home Loans of any sums payable under such Home Loans.

The ability of a debtor under a Home Loan to make timely payment of amounts due under such Home Loan will mainly depend on the debtor's assets and liabilities as well as the debtor's income. Such income may be adversely affected by a large number of factors, some of which (i) relate specifically to the debtor (including but not limited to age, health, employment situation and family situation) or (ii) are more general in nature (such as changes in governmental regulations and fiscal policy).

Furthermore, a debtor under a Home Loan may benefit from the favourable legal and statutory provisions of the French Consumer Code (*Code de la consommation*), pursuant to which any individual may, under certain circumstances, and subject to certain conditions, request and obtain from the competent court a grace period, a reduction of the amount of all and any of its indebtedness and any interest relating thereto and, as the case may be, (pursuant to (i) law No. 98-657 of 29 July 1998, as amended, and (ii) law No. 2003-710 of 1 August 2003) a full or partial extinguishment of its indebtedness against a credit institution. Upon application of such measures in favour of any debtor under a Home Loan, the Issuer may suffer a principal loss and/or a reduction in the yield of the Home Loans, which may affect the ability of the Issuer to fulfil its obligations under the French Law Covered Bonds.

Forclosure is subject to strict enforcement rules under French law. Even if it is not substantially change from other property located in France, specific rules are provided for lender's privileges and mortgages registered in the French department of Haut-Rhin, Bas-Rhin and Moselle (it is not mandatory to instruct a local lawyer to prepare the terms of the sale of the property, including the reserve price of the relevant real property).

If the sale cannot be made voluntarily by the debtor (*conversion en ventre volontaire ou à l'amiable*) foreclosure on property located in France by secured creditors may require the sale of the property at public auction. The foreclosure procedure may take up to one and half (1.5) years in normal circumstances.

In addition, the Issuer's ability to liquidate the properties secured under the privileges and mortgages in a timely manner might be affected by the initiation of an insolvency proceedings against the debtor of the relevant Home Loan known as over-indebtedness proceeding (procedure de surendettement), which would result in a stay of proceedings against the debtor, including foreclosure which therefore would result in further delay for the Issuer to obtain enforcement proceeding. Such delays may accordingly affect the Issuer's ability to make payments the timely payment under the French Law Covered Bonds.

As of 31 December 2021, the value of the Home Loans amounted to 35,001,182,289 euros, divided into 368,377 Home Loans granted to 324,170 debtors.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is unlikely and that the impact of such risk could be low.

7. The value of the Collateral Security prior to or following enforcement thereof may not be maintained

A *société de financement de l'habitat* must at all times maintain a cover ratio between its assets and its liabilities benefiting from the *Privilège* of at least one hundred and five per cent. (105%) between its assets and the total amount of its liabilities benefiting from the *Privilège*. With respect to the assets of a *société de financement de l'habitat* which are mainly advances to credit institutions secured by home loans (*prêts à l'habitat*), in particular granted as collateral security pursuant to Article L.211-38 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*), the cover ratio shall be calculated on the basis of such home loans (*prêts à l'habitat*) granted as security (and not only on the basis of the said advances to credit institutions). In addition, the calculation of the cover ratio shall take into account the exposures on related entities or entities belonging to the same consolidated group, as further described in regulation (*règlement*) No. 99-10 of 9 July 1999, as amended, issued by the Banking and Financial Regulatory Committee (*Comité de la Réglementation Bancaire et Financière*) (the "**99-10 Regulation**").

In addition, under the Collateral Security Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, shall monitor the Collateral Security Assets so as to ensure compliance with the Asset Cover Test, as further described in section "*Asset Monitoring – The Asset Cover Test*". As of 31 December 2021, the Asset Cover Ratio was equal to 143.54%.

If the value of the Home Loans and related Home Loan Security transferred as Collateral Security (*remis en pleine propriété à titre de garantie*) in favour of the Issuer pursuant to the Collateral Security Agreement were not maintained in accordance with the terms of the Asset Cover Test, the Amortisation Test, the other provisions of the Programme Documents or the regulatory cover ratio provided for in Articles L.513-12 and R.513-8 of the French Monetary and Financial Code (*Code monétaire et financier*), the value of the relevant Collateral Security or any part thereof (both before and after the occurrence of a Borrower Event of Default) or the price or value of such Home Loans and related Home Loan Security may be adversely affected upon the sale or refinancing thereof by the Issuer. As of 31 December 2021, the collateral value of the Home Loans and related Home Loan Security amounted to 35,001,182,289 euros.

Should BFCM fail to maintain compliance with the Asset Cover Ratio, the recourse of the Issuer against the Collateral Security would be insufficient to support payment under the French Law Covered Bonds until their maturity, which may affect the Issuer's ability to make payments under the French Law Covered Bonds.

However, it is the Issuer's assessment that the likelihood of such risk happening is very unlikely and that the impact of such risk could be moderate.

More details on the Asset Cover Ratio are available in section "*Asset Monitoring – The Asset Cover Test*" and on the website of the Issuer (www.creditmutuel-homeloansfh.eu).

8. The value of Permitted Investments fluctuates and may decrease

Any available funds standing to the credit of the Issuer Accounts (prior to their allocation and distribution) will be invested by the Administrator in Permitted Investments. The value of the Permitted Investments may fluctuate significantly depending on the fluctuation of the financial markets, and the Issuer may be exposed to a credit risk

in relation to such Permitted Investments. None of the Arranger, the Issuer, the Administrator or any other party to the Programme Documents guarantees the market value of the Permitted Investments or will be liable if the market value of any of the Permitted Investments fluctuates and decreases, which might in turn decrease the amount of available funds of the Issuer.

In view of the above, it is the Issuer's assessment that the likelihood of such risk happening is very unlikely and that the impact of such risk could be moderate.

9. Risk of decrease of the value of the properties securing the Home Loans

The value of the properties securing the Home Loans may decrease as a result of any number of factors, including the national or international economic climate, regional economic or housing conditions, changes in laws, mortgage interest rates, inflation, the availability of financing, yields on alternative investments, increasing utility costs and other day-to-day expenses, political developments and government policies and conditions of enforcement of mortgages and privileges. In addition, as the properties securing the Home Loans are exclusively located in France, the value of such properties may decline in the event of a general downturn in the value of property in France. The Home Loans are distributed in several regions of France, but they are mainly located in Grand Est, Île-de-France, Pays de la Loire, Provence-Alpes-Cote d'Azur, Auvergne-Rhône-Alpes. A reduction in the value of these properties could result in the Issuer having insufficient funds to meet its obligations under the French Law Covered Bonds. As of 31 December 2021, 64% of the Home Loans underlying the Collateral Security Assets (in value) are mortgage loans with a mortgage lien.

However, it is the Issuer's assessment that the likelihood of such risk happening is very unlikely and that the impact of such risk could be moderate.

III. RISKS RELATED TO FRENCH LAW COVERED BONDS AND THE MARKETS

A. RISKS RELATED TO THE FRENCH LAW COVERED BONDS

1. Modification of the Terms and Conditions and other decisions may be taken by a majority of holders of the French Law Covered Bonds of a single Series through Collective Decisions

French Law Bondholders will, in respect of all Tranches in any Series of French Law Covered Bonds, be grouped automatically for the defence of their common interest in a *Masse*, which will act in part through a representative and in part through collective decisions of the French Law Bondholders (the "**Collective Decisions**"). The Collective Decisions can be adopted either (i) in a general meeting of the French Law Bondholders (the "**General Meeting**") or (ii) by a consent of one or more holders holding together not less than seventy-five per cent. (75%) in nominal amount of the French Law Covered Bonds outstanding following a written consultation (the "**Written Decision**").

The Terms and Conditions applicable to French Law Covered Bonds permit in certain cases defined majorities to bind all French Law Bondholders including French Law Bondholders who did not attend and vote at the relevant General Meeting or who did not vote through the relevant Written Decision and French Law Bondholders who voted in a manner contrary to the majority. The Collective Decisions may deliberate on any proposal relating to the modification of the Terms and Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which was the subject of judicial decisions, as more fully described in Condition 13, or any proposal to direct the Representative to serve an Issuer Enforcement Notice or to take any action as provided under this Base Prospectus.

As a consequence, the rights of the French Law Bondholders may be adversely and materially affected as they may be bound by changes to which they have not agreed and the value of the French Law Covered Bonds may be adversely affected. In both cases, this will result in the French Law Bondholders losing all or a substantial part of their investment in the French Law Covered Bonds.

It is the Issuer's assessment that the likelihood of such risk happening is likely and that its impact could be low.

2. EU Recovery and Resolution Directive

Directive 2014/59/EU of the European Parliament and of the Council of the European Union of 15 May 2014 establishing an EU-wide framework for the recovery and resolution of credit institutions and investment firms, as amended, entered into force on 2 July 2014 (the "**Bank Recovery and Resolution Directive**" or the "**BRRD**").

This directive was notably implemented in France by a decree-law (*ordonnance portant diverses dispositions d'adaptation de la législation au droit de l'Union européenne en matière financière*) dated 20 August 2015 and a decree-law (*ordonnance n°2020-1636 relative au régime de résolution dans le secteur bancaire*) dated 21 December 2020.

BRRD and Regulation (EU) No. 806/2014 of the European Parliament and of the Council of the European Union dated July 2014 as amended by Regulation (EU) 2019/877 of the European Parliament and of the Council dated 20 May 2019 (the "**SRM Regulation**") provide for the establishment of an EU-wide framework for the recovery and resolution of credit institutions and investment firms. The regime provided for by the BRRD is, among other things, stated to be needed to provide the authority designated by each Member State of the European Union (the "**Resolution Authority**") with a credible set of tools to intervene sufficiently early and quickly in an unsound or failing institution so as to ensure the continuity of the institution's critical financial and economic functions, while minimizing the impact of an institution's failure on the economy and financial system (including taxpayers' exposure to losses). Under the SRM Regulation a centralized power of resolution is established and entrusted to the Single Resolution Board (the "**SRB**") and to the national resolution authorities.

The powers provided to the Resolution Authority in the BRRD and the SRM Regulation include write-down/conversion powers to ensure that capital instruments (including subordinated debt instruments) and eligible liabilities (including senior debt instruments such as the French Law Covered Bonds if junior instruments prove insufficient to absorb all losses) absorb losses of the issuing institution under resolution in accordance with a set order of priority (the "**Bail-in Tool**"). They also include write-down/conversion powers with respect to institutions or groups which viability would otherwise be at threat or who require extraordinary financial support.

In addition to the Bail-in Tool, the BRRD provides the Resolution Authority with broader powers to implement other resolution measures with respect to institutions that meet the conditions for resolution, which may include (without limitation) the sale of the institution's business, the creation of a bridge institution, the separation of assets, the replacement or substitution of the institution as obligor in respect of debt instruments, modifications to the terms of debt instruments (including altering the maturity and/or the amount of interest payable and/or imposing a temporary suspension on payments), removing management, appointing an interim administrator, and discontinuing the listing and admission to trading of financial instruments.

With respect to the *obligations de financement de l'habitat* and other privileged notes, the BRRD provides that the Resolution Authority shall not exercise the write down or conversion powers in relation to secured liabilities including covered bonds and liabilities in the form of financial instruments used for hedging purposes which form an integral part of the cover pool and which according to national law are secured in a way similar to covered bonds, whether they are governed by the law of a Member State of the European Union or of a third country. Nevertheless, relevant claims for the purposes of the Bail-in Tool would still include the claims of the holders in respect of any French Law Covered Bonds issued under the International Programme, only if and to the extent that the French Law Covered Bonds liability exceeded the value of the cover pool collateral against which it is secured. In such case, the write-down or conversion requirements could result in the full (*i.e.*, to zero) or partial write-down or conversion into ordinary shares or other instruments of ownership of the French Law Covered Bonds, or the variation of the terms of French Law Covered Bonds (for example, the maturity and/or interest payable may be altered and/or a temporary suspension of payments may be ordered). Pursuant to Articles L.513-12 and R.513-8 of the French Monetary and Financial Code (*Code monétaire et financier*), *sociétés de financement de l'habitat* must, at all times, maintain a ratio of at least one hundred and five per cent (105%) between its eligible assets (including, prior to 8 July 2022, substitution assets (*valeurs de remplacement*) and, as from 8 July 2022, liquid assets or short term exposures to credit institutions) and the total amount of its liabilities benefiting from the Privilège, as calculated pursuant to Articles 6 to 11 of the 99-10 Regulation. In addition, BFCM and the Issuer have entered into agreements in order to ensure, by transferring to the Issuer additional Eligible Assets or otherwise, that the Issuer will, at all times, maintain an overcollateralisation ratio between its Eligible Assets and its French Law Covered Bonds equal to or greater than one hundred and five per cent (105%) (see section "*Description of the Issuer*"). As of 31 December 2021, the Asset Cover Ratio was equal to 143.54%.

The application of any resolution measure under the French BRRD implementing provisions, or any suggestion of such application, with respect to the Borrower and its group could materially adversely affect the rights of the holders of French Law Covered Bonds (the "**French Law Bondholders**"), the price or value of an investment in the French Law Covered Bonds and/or the ability of the Issuer to satisfy its obligations under the French Law Covered Bonds. Moreover, if the Issuer's financial condition deteriorates, the existence of the Bail-in Tool or the exercise of write-down/conversion powers by the Resolution Authority independently of a resolution measure with respect to capital instruments or in combination with a resolution measure when it determines that the institution or its group will no longer be viable could cause the market price or value of the French Law Covered Bonds to decline more rapidly than would be the case in the absence of such powers.

Furthermore, Article L.613-50-4 of the French Monetary and Financial Code (*Code monétaire et financier*) specify that the sole existence of a resolution measure taken over the Borrower and its group, a prevention or crisis management measure or a suspension of payment set forth in Article L.613-56-8 of the French Monetary and Financial Code (*Code monétaire et financier*), cannot trigger termination of Borrower Facility Agreement and the enforcement of the Collateral Security as long as its material obligations under the Borrower Facility Agreement continue to be performed by the Borrower.

French Law Bondholders may have only very limited rights to challenge and/or seek a suspension of any decision of the Resolution Authority to exercise its resolution powers or to have that decision reviewed by a judicial or administrative process or otherwise.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is very unlikely and that the impact of such risk could be low.

B. RISKS RELATED TO THE MARKET

1. An active trading market for the French Law Covered Bonds may not develop

French Law Covered Bonds may be admitted to trading on Euronext Paris or any other market, including any other Regulated Market in any Member State of the EEA. However, such French Law Covered Bonds may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their French Law Covered Bonds easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for French Law Covered Bonds that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of French Law Covered Bonds generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have an adverse effect on the market value of French Law Covered Bonds.

In addition, French Law Bondholders should be aware of the prevailing and widely reported global credit market conditions, whereby there is a general lack of liquidity in the secondary market for instruments similar to the French Law Covered Bonds. This lack of liquidity may result in investors suffering losses on the French Law Covered Bonds in secondary resales even if there is no decline in the credit strength of the Issuer or the performance of the Collateral Security Assets. The Issuer cannot predict when these circumstances will change and if and when they do whether there will be a more liquid market for the French Law Covered Bonds and instruments similar to the French Law Covered Bonds at that time.

Investors could lose all or a substantial part of their investment in the French Law Covered Bonds.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is likely and that the impact of such risk could be significant.

2. Exchange rate risks and exchange controls

The International Programme allows for French Law Covered Bonds to be issued in a range of currencies (each, a "**Specified Currency**" as defined in Condition 7(a)). The Issuer will pay principal and interest on the French Law Covered Bonds in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls.

An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (i) the Investor's Currency-equivalent yield on the French Law Covered Bonds, (ii) the Investor's Currency-equivalent value of the principal payable on the French Law Covered Bonds and (iii) the Investor's Currency-equivalent market value of the French Law Covered Bonds.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

This may adversely and materially affect the French Law Bondholders who could lose all or a substantial part of their investment in the French Law Covered Bonds.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is unlikely and that the impact of such risk could be significant.

IV. RISKS RELATED TO THE STRUCTURE OF A PARTICULAR ISSUE OF FRENCH LAW COVERED BONDS

A wide range of French Law Covered Bonds may be issued under the International Programme. French Law Covered Bonds may have features that pose particular risks for potential investors (including, without limitation,

French Law Covered Bonds with optional redemption by the Issuer and/or Soft Bullet Covered Bonds). Set out below is a description of the most common such features:

A. RISKS RELATED TO THE REDEMPTION OF THE FRENCH LAW COVERED BONDS

1. Soft Bullet Covered Bonds may be redeemed after their initial maturity date

Condition 8(a) allows for the issuance of French Law Covered Bonds with soft bullet maturity. With respect to French Law Covered Bonds issued until 8 July 2022, the Final Maturity Date of Soft Bullet Covered Bonds may be extended automatically to the Extended Final Maturity Date if the Final Redemption Amount of the relevant Soft Bullet Covered Bonds is not paid by the Issuer on the Final Maturity Date. With respect to French Law Covered Bonds issued as from 8 July 2022, the Final Maturity Date of the Soft Bullet Covered Bonds may be extended automatically to the Extended Final Maturity Date only upon the occurrence of a Maturity Extension Trigger Event (as defined in section "*Terms and Conditions of the French Law Covered Bonds*").

The payment of the Final Redemption Amount shall be automatically deferred and shall become due and payable on the Extended Final Maturity Date if so specified in the relevant Final Terms, provided that all or part of the Final Redemption Amount unpaid on the Final Maturity Date may be paid by the Issuer on any Interest Payment Date occurring thereafter up to and including the relevant Extended Final Maturity Date. Interest will continue to accrue on any unpaid amount during such extended period at the relevant applicable Rate of Interest (as defined in Condition 7(a)) and be payable on each Interest Payment Date and on the Extended Final Maturity Date all as specified in the relevant Final Terms and in accordance with the applicable Terms and Conditions. The extension of the maturity of the French Law Covered Bonds from the Maturity Date to the Extended Maturity Date will not result in any right of the French Law Bondholders to accelerate payments or take action against the Issuer and will result in a delay of payments of principal on the relevant French Law Covered Bonds.

The situation of the Issuer may change between the Final Maturity Date and the Extended Final Maturity Date. In addition, (i) the provisions relating to interest payable after the Final Maturity Date of any Soft Bullet Covered Bonds may differ from that those relating to interest payable before such Final Maturity Date and (ii) the extension of the maturity of the Soft Bullet Covered Bonds is likely to limit their liquidity and market value.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is very likely and that the impact of such risk could be significant.

2. Optional redemption by the Issuer

Condition 8(e) allows for the issuance of French Law Covered Bonds that are subject to an optional redemption by the Issuer. Such an optional redemption feature is likely to limit their market value. During any period when the Issuer may elect to redeem French Law Covered Bonds, the market value of such French Law Covered Bonds generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem French Law Covered Bonds when its cost of borrowing is lower than the interest rate on the French Law Covered Bonds. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the French Law Covered Bonds being redeemed and may only be able to do so at a significantly lower rate. This may adversely and materially affect the French Law Bondholders who could lose a substantial part or all of their investment in the French Law Covered Bonds.

In addition, depending on the proportion of the principal amount of all of the French Law Covered Bonds so reduced, in case of Dematerialised Covered Bonds or the number of French Law Covered Bonds redeemed, in case of Materialised Covered Bonds, any trading market in respect of those French Law Covered Bonds in respect of which such option is not exercised may become illiquid.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is very likely and that the impact of such risk could be low.

B. RISKS RELATED TO THE INTERESTS PAYABLE IN RESPECT OF THE FRENCH LAW COVERED BONDS

1. Fixed Rate Covered Bonds

Condition 7(b) allows for the issuance of French Law Covered Bonds that pay a fixed rate of interest to French Law Bondholders. Investment in French Law Covered Bonds that bear interest at a Fixed Rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Series of French Law Covered Bonds.

While the nominal interest rate of a Fixed Rate Covered Bond is determined during the term of such Fixed Rate Covered Bond or within a given period of time, the market interest typically varies on a daily basis. As the market

interest rate changes, the price of the Fixed Rate Covered Bond varies in the opposite direction. If the market interest rate increases, the price of the Fixed Rate Covered Bond typically decreases, until the yield of such Fixed Rate Covered Bond equals approximately the market interest rate. If the market interest rate decreases, the price of the Fixed Rate Covered Bond typically increases, until the yield of such Fixed Rate Covered Bond equals approximately the market interest rate.

The French Law Bondholders should be aware that movements of the market interest rate can adversely affect the price of the Fixed Rate Covered Bond and can lead to losses if they sell French Law Covered Bonds during the period in which the market interest rate exceeds the Fixed Rate of such French Law Covered Bond.

In addition, the yield of French Law Covered Bonds which bear interest at a Fixed Rate (which will be specified in the relevant Final Terms) shall be calculated at the issue date of such French Law Covered Bonds on the basis of its issue price. It shall not be an indication of future yield.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is very likely and that the impact of such risk could be significant.

2. Floating Rate Covered Bonds

Condition 7(b) allows for the issuance of French Law Covered Bonds that pay a floating rate of interest to French Law Bondholders.

The Floating Rate at which a Series of French Law Covered Bonds may bear interest will generally be comprised of (i) a Relevant Rate and (ii) a Margin to be added or subtracted, as the case may be, from such reference rate. Typically, the relevant margin will not change throughout the life of the French Law Covered Bonds but there will be a periodic adjustment (as specified in the relevant Final Terms) of the Relevant Rate (e.g., every three (3) months or six (6) months) which itself will change in accordance with general market conditions. Accordingly, payment of interest under French Law Covered Bonds may be volatile and the market value of Floating Rate Covered Bonds may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these French Law Covered Bonds upon the next periodic adjustment of the relevant Relevant Rate. The market value may be even more volatile in respect of Floating Rate Covered Bonds that are structured to include Rate Multiplier, Minimum Rate of Interest or Maximum Rate of Interest, or any combination of those features or other similar related features.

A key difference between Floating Rate Covered Bonds and Fixed Rate Covered Bonds is that interest income on Floating Rate Covered Bonds cannot be anticipated. Due to varying interest income, investors are not able to determine a definite yield of Floating Rate Covered Bonds at the time they purchase them, so that their return on investment cannot be compared with that of investments having longer fixed interest periods.

Investors could lose all or a substantial part of their investment in the French Law Covered Bonds.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is very likely and that the impact of such risk could be low.

3. Fixed/Floating Rate Covered Bonds, Fixed/Fixed Rate Covered Bonds and Floating/Floating Rate Covered Bonds

Condition 7(d) allows for the issuance of French Law Covered Bonds that pay a Fixed/Floating Rate, Fixed/Fixed Rate and Floating/Floating Rate of interest to French Law Bondholders. Fixed/Floating Rate Covered Bonds may bear interest at a rate that the Issuer may elect to convert from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate. Fixed/Fixed Rate Covered Bonds and Floating/Floating Rate Covered Bonds may bear interest at a rate that the Issuer may elect to convert from a Fixed Rate to a different Fixed Rate or from a Floating Rate to a different Floating Rate. The Issuer's ability to convert the interest rate may materially and adversely affect the secondary market and the market value of such French Law Covered Bonds since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a Fixed Rate to a Floating Rate, the spread on the Fixed/Floating Rate Covered Bonds may be less favourable than the then prevailing spreads on comparable Floating Rate Covered Bonds tied to the same Relevant Rate. In addition, the new Floating Rate at any time may be lower than the rates on other French Law Covered Bonds. If the Issuer converts from a Floating Rate to a Fixed Rate, the Fixed Rate may be lower than the then prevailing rates on its French Law Covered Bonds.

Investors could lose all or a substantial part of their investment in the French Law Covered Bonds.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is very unlikely and that the impact of such risk could be significant.

4. Zero Coupon Covered Bonds

Condition 7(e) allows for the issuance of Zero Coupon Covered Bonds. Changes in market interest rates have a substantially stronger impact on the prices of Zero Coupon Covered Bonds than on the prices of ordinary French Law Covered Bonds because the discounted issue prices are substantially below par. If market interest rates increase, Zero Coupon Covered Bonds can suffer higher price losses than other French Law Covered Bonds having the same maturity and credit rating. Due to their leverage effect, Zero Coupon Covered Bonds are a type of investment associated with a particularly high price risk.

Investors could lose all or a substantial part of their investment in the French Law Covered Bonds.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is likely and that the impact of such risk could be low.

5. Reform and regulation of Benchmarks

Benchmarks (such as EURIBOR) by reference to which the Rate of Interest on Floating Rate Covered Bonds may be determined pursuant to Condition 7(c) where so provided for by the relevant Final Terms have been the subject of recent international, national and other regulatory guidance and proposals for reform. Some of these reforms are already effective while others are still to be implemented. These reforms may cause such benchmarks to perform differently from the past or disappear entirely, to be subject to revised calculation methods, or have other consequences that cannot be predicted. Any such consequence could have a material adverse effect on any Floating Rate Covered Bond to or referencing any such Benchmarks.

Regulation (EU) 2016/1011 of the European Parliament and of the Council of 8 June 2016 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds, as amended (the "**Benchmark Regulation**") was published in the European official journal on 29 June 2016 with the majority of its provisions applying from 1 January 2018. The Benchmark Regulation (i) requires administrators to be authorised or registered (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and to comply with extensive requirements in relation to the administration of Benchmarks (or, if non EU based, to be subject to equivalent requirements) and (ii) prevents certain uses by EU supervised entities of Benchmarks of administrators that are not authorised/registered (or, if non EU based, deemed equivalent or recognised or endorsed). In the United Kingdom, the Benchmark Regulation as it forms part of domestic law by virtue of European Union (Withdrawal) Act 2018 ("**EUWA**") provides for equivalent sets of rules.

The Benchmark Regulation could have a material impact on any Floating Rate Covered Bonds traded on a trading venue or via a "systematic internaliser" linked to a Benchmark index. Notably, the methodology or other terms of the Benchmark could be changed in order to comply with the terms of the Benchmark Regulation, and such changes could (amongst other things) have the effect of reducing or increasing the rate or level or affecting the volatility of the published rate or level of the Benchmark. It could potentially lead to the Floating Rate Covered Bonds being de-listed, adjusted or redeemed early or otherwise impacted depending on the particular Benchmark and the applicable terms of the Floating Rate Covered Bonds or have other material and adverse effects or unforeseen consequences.

More broadly, any of the international, national or regulatory reforms, or any enhanced regulatory scrutiny of Benchmarks, or any further uncertainty in relation to the timing and manner of implementation of such changes, could increase the costs and risks of administering or otherwise participating in the setting of a benchmark and complying with any such regulations or requirements. Such factors may have the effect on certain Benchmarks (such as EURIBOR) of (i) discouraging market participants from continuing to administer or contribute to the relevant Benchmark, (ii) triggering changes in the rules or the methodologies used in the relevant Benchmark or (iii) leading to the disappearance of the relevant Benchmark.

Any of the above changes or any other consequential changes as a result of international, national or other proposals for reform or other initiatives or investigations, could have a significant adverse effect on the market value of and return on any Floating Rate Covered Bonds linked to or referencing a Benchmark.

If a benchmark were discontinued or otherwise unavailable, the rate of interest on Floating Rate Covered Bonds which are linked to or which reference such benchmark will be determined for the relevant period by the fall-back provisions applicable to such Floating Rate Covered Bonds (it being specified that in case of discontinuation of the Relevant Rate or occurrence of a Benchmark Event, a specific fall-back shall apply - please refer to the risk factor entitled "*The discontinuance of the Relevant Rate or occurrence of a Benchmark Event could have a material adverse effect on the value of and return on any such International Covered Bond linked to or referencing such Benchmarks*" below). However, such fall-back provisions may be deviated from if deemed unsuitable by the Commission or the relevant national authority, as further explained below.

The Benchmark Regulation was notably amended by Regulation (EU) 2021/168 of the European Parliament and of the Council of 10 February 2021 which introduces a harmonised approach to deal with the cessation or wind-down of certain Benchmarks by conferring the power to designate a statutory replacement for certain Benchmarks on the Commission or the relevant national authority, such replacement being limited to contracts and financial

instruments (such as certain French Law Covered Bonds issued under the International Programme) which contain no fallback provision or no suitable fallback provisions before the date of cessation of the Benchmark concerned. For instance, if pursuant to a fallback provision included in Condition 7(c)(iii) of the Terms and Conditions a Benchmark is replaced by a Benchmark which no longer reflects or which significantly diverges from the underlying market or the economic reality that the Benchmark in cessation is intended to measure, a statutory replacement of such Benchmark may be designated. This replacement could have a negative impact on the value or liquidity of, and return on, certain French Law Covered Bonds issued under the International Programme linked to or referencing such Benchmark and may not operate as intended at the relevant time or may perform differently from the discontinued or otherwise unavailable Benchmark. In addition, the transitional provisions applicable to third-country Benchmarks are extended until the end of 2023. The Commission is empowered to further extend this period until the end of 2025, if necessary.

Furthermore, Regulation (EU) 2021/168 is subject to further development through delegated regulations and all such developments may create uncertainty regarding any future legislative or regulatory requirements arising from the implementation of delegated regulations.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is unlikely and that the impact of such risk could be low.

6. The discontinuance of the Relevant Rate or occurrence of a Benchmark Event could have a material adverse effect on the value of and return on any French Law Covered Bond linked to or referencing such Benchmarks

Where FBF Determination, ISDA Determination or Screen Rate Determination are specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the relevant rate has been discontinued or a Benchmark Event (as further described in Condition 7(c)(iii)(D)) has occurred, the Rate of Interest on the affected Floating Rate Covered Bonds will be changed in ways that may be adverse to holders of such Floating Rate Covered Bonds, without any requirement that the consent of such holders be obtained.

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, pursuant to the Terms and Conditions of any applicable Floating Rate Covered Bonds, fallback arrangements include the possibility that the Rate of Interest could be set by reference to a Successor Reference Rate or an Alternative Reference Rate (both as defined in Condition 7(c)(iii)(D)), and may include concomitant changes to the Terms and Conditions of the relevant affected Floating Rate Covered Bonds necessary to make the replacement rate) as comparable as possible to the Original Reference Rate, all as determined by the Rate Determination Agent. Such replacement rate and any such other changes will (in the absence of manifest error) be final and binding on the French Law Bondholders, the Issuer, the Calculation Agent, the Fiscal Agent and any other person and each Bondholder shall be deemed to have accepted the replacement rate) and such related changes and adjustments which will thenceforth apply to the relevant Floating Rate Covered Bonds, unless they are deviated from by the Commission or the relevant national authority as mentioned below.

Given the uncertainty concerning the availability of Successor Reference Rates or Alternative Reference Rates, the involvement of a Rate Determination Agent and potential for further regulatory developments, the relevant fallback provisions may not operate as intended at the relevant time and the replacement rate may perform differently from the discontinued Benchmark. In addition, pursuant to Regulation (EU) 2021/168 of the European Parliament and of the Council of 10 February 2021 they may be deviated from if deemed unsuitable by the Commission or the relevant national authority.

If the Rate Determination Agent is unable to determine an appropriate replacement rate for any Relevant Rate on or prior to the next following Interest Determination Date (as defined in Condition 7(a)), then the provisions for the determination of the Rate of Interest on the affected Floating Rate Covered Bonds will not be changed. In such cases, the Terms and Conditions of the Floating Rate Covered Bonds provide that the Rate of Interest on such Floating Rate Covered Bonds shall be the Rate of Interest determined on the previous Interest Determination Date, as determined by the Calculation Agent (*i.e.* which may result in the effective application of a fixed rate). In such circumstances and a rising interest rate environment, holders of Floating Rate Covered Bonds will, consequently, not benefit from any increase in rates. The trading value of such Floating Rate Covered Bonds could therefore be adversely affected.

Moreover, any of the above matters or any other significant change to the setting or existence of any relevant rate could affect the ability of the Issuer to meet its obligations under the Floating Rate Covered Bonds or could have a material adverse effect on the value or liquidity of, and the amount payable under, the Floating Rate Covered Bonds. The Rate Determination Agent will have discretion to adjust the relevant Successor Reference Rate or Alternative Reference Rate (as applicable) in the circumstances described above. Any such adjustment could have unexpected commercial consequences and, depending on the particular circumstances of each French Law Bondholders, any such adjustment may or may not be favourable to each Bondholder.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is unlikely and that the impact of such risk could be low.

C. RISKS RELATED TO THE GREEN, SOCIAL AND SUSTAINABILITY COVERED BONDS

The Final Terms relating to Green, Social or Sustainability Covered Bonds (as defined in section "*Use of Proceeds*") will provide that it will be the Issuer's intention to apply an amount equal to the net proceeds of the issue of those Covered Bonds to Eligible Loans of the Issuer (as defined in section "*Use of Proceeds*" and further described in the Green, Social or Sustainability Covered Bond Framework (as defined in section "*Use of Proceeds*")).

The Issuer will apply processes for project evaluation and selection, management of proceeds and reporting consistent with guidelines published by the International Capital Markets Association set out in the GBP, the SBP and the SBG (all as defined in section "*Use of Proceeds*").

Vigeo Eiris has been appointed to provide a Second Party Opinion on the Green, Social or Sustainability Covered Bond Framework, assessing the environmental and social added value of the Green, Social or Sustainability Covered Bond Framework and its alignment with the GBP, the SBP and the SBG.

Regulation (EU) 2020/852 of the European Parliament and of the Council of 18 June 2020 on the establishment of a framework to facilitate sustainable investment, as amended (the "**Taxonomy Regulation**") has been adopted, establishing a single EU-wide classification system, or "taxonomy", which provides companies and investors with a common language for determining which economic activities can be considered environmentally sustainable (the "**EU Taxonomy**"). The Taxonomy Regulation establishes six environmental objectives: (i) climate change mitigation, (ii) climate change adaptation, (iii) the sustainable use and protection of water and marine resources, (iv) the transition to a circular economy, (v) pollution prevention and control and (vi) the protection and restoration of biodiversity and ecosystems. Under the Taxonomy Regulation, the European Commission had to come up with the actual list of environmentally sustainable activities by defining technical screening criteria for each environmental objective.

The EU Taxonomy is subject to further development through delegated regulations. A first Delegated Regulation (EU) 2021/2139 dated 4 June 2021 established the technical screening criteria governing the conditions under which an activity qualifies as "contributing substantially" to climate change mitigation or climate change adaptation and whether that economic activity causes no significant harm to any of the other environmental objectives. Other delegated acts for the remaining objectives should be published in 2022. In addition, the European Commission adopted a Delegated Regulation (EU) 2021/2178 dated 6 July 2021 supplementing Article 8 of the Taxonomy Regulation and specifying the content, methodology and presentation of information to be disclosed by certain undertakings concerning environmentally sustainable economic activities. Moreover, on 6 July 2021 the European Commission published its proposal for a regulation on an EU green bond standard and on 13 April 2022, the European Union permanent representatives greenlighted the Council's position on the proposal to create European green bonds. Negotiations with the European Parliament in order to agree on a final version of the text will now begin.

In light of the continuing development of legal, regulatory and market conventions in the green, social and sustainable market, alignment of any project included in the Eligible Loans with the EU Taxonomy is not certain and any such project might not meet any or all investor expectations regarding such "green", "social" or "sustainable" or other equivalently-labelled performance objectives.

While it is the intention of the Issuer to apply the proceeds of the Green, Social or Sustainability Covered Bonds in, or substantially in, the manner described in section "*Use of Proceeds*" as completed or specified in the relevant Final Terms, the projects financed by the Eligible Loans might not be completed within any specified period or at all or with the results or outcome (whether or not related to the environment) as originally expected or anticipated by the Issuer or adverse environmental, social and/or other impacts could occur during the implementation of the projects financed by the Eligible Loans.

Any such event or failure by the Issuer to apply the net proceeds of any issue of Green, Social or Sustainability Covered Bonds for any Eligible Loans or to obtain and publish any such reports, assessments, opinions and certifications or the fact that the maturity of an eligible green or social asset or project may not match the minimum duration of any Green, Social or Sustainability Covered Bonds will not (i) constitute an Event of Default under the Green, Social or Sustainability Covered Bonds or a default of the Issuer for any purpose, (ii) give rise to any other claim or right (including, for the avoidance of doubt, the right to accelerate the International Covered Bonds) of a Bondholder against the Issuer and (iii) lead to an obligation of the Issuer to redeem the Green, Social or Sustainability Covered Bonds or be a relevant factor for the Issuer in determining whether or not to exercise any optional redemption rights in respect of any International Covered Bonds. For the avoidance of doubt, payments of principal and interest (as the case may be) on the relevant Green, Social or Sustainability Covered Bonds shall not depend on the performance of the relevant project nor have any preferred right against such assets.

Any such event or failure and/or withdrawal of any opinion or certification may have a material adverse effect on

the value, liquidity and marketability of the Green, Social or Sustainability Covered Bonds and/or result in adverse consequences for Bondholders with portfolio mandates to invest in securities to be used for a particular purpose.

D. OTHER RISKS RELATED TO THE FRENCH LAW COVERED BONDS

1. French Law Covered Bonds issued at a substantial discount or premium

The issue price of any specific Tranche of French Law Covered Bonds will be determined in the relevant Final Terms. The French Law Covered Bonds may be issued at a substantial discount or premium to their nominal amount. The market values of French Law Covered Bonds issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the French Law Covered Bonds, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

It is difficult to anticipate future market volatility in interest rates, but any such volatility may have an adverse effect on the value of the French Law Covered Bonds. Therefore, holders of French Law Covered Bonds issued at a substantial discount or premium could be exposed to greater losses on their investment than holders of conventional interest-bearing securities.

Investors could lose all or a substantial part of their investment in the French Law Covered Bonds.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is very likely and that the impact of such risk could be low.

2. Ratings of the French Law Covered Bonds and Rating Affirmation

French Law Covered Bonds issued under the International Programme are expected on issue to be rated AAA by Fitch Ratings Ireland Limited ("**Fitch**"), Aaa by Moody's France SAS ("**Moody's**") and AAA by S&P Global Ratings Europe Limited ("**S&P**").

The ratings assigned to the French Law Covered Bonds by the Rating Agencies are based on the *Privilège*, the Collateral Security, the Home Loans and Home Loan Security, the Cash Collateral and the other relevant structural and credit enhancement features provided for under the Programme Documents, including, among other things, the short-term and/or long-term unsecured, unguaranteed and unsubordinated debt ratings or the short-term and/or long-term senior unsecured issuer credit ratings of the parties to the Programme Documents, and reflect only the views of the Rating Agencies.

Any absence or untimely delivery of a rating affirmation as well as any decline of the credit rating of any outstanding French Law Covered Bonds may adversely affect the value of such outstanding French Law Covered Bonds and/or their liquidity in the secondary market, increase the Issuer's cost of borrowing and adversely affect the Issuer's ability to issue new French Law Covered Bonds.

Agencies other than the Rating Agencies could seek to rate the French Law Covered Bonds and if such unsolicited ratings are lower than the comparable ratings assigned to the French Law Covered Bonds by the Rating Agencies, those unsolicited ratings could have an adverse effect on the value and the marketability of the French Law Covered Bonds. For the avoidance of doubt and unless the context otherwise requires, any references to "ratings" or "rating" in this Base Prospectus are to ratings assigned by the specified Rating Agencies only.

A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the relevant Rating Agency at any time without notice. In addition, the Rating Agencies may change their methodologies for rating securities similar to the French Law Covered Bonds. If the Rating Agencies change their practices for rating such securities and the ratings of the French Law Covered Bonds are subsequently lowered, the trading price of the French Law Covered Bonds may be negatively affected.

In light of the above, it is the Issuer's assessment that the likelihood of such risk happening is very unlikely and that the impact of such risk could be significant.

INTERACTION BETWEEN THE INTERNATIONAL PROGRAMME AND U.S. PROGRAMME

On 8 October 2013, the Issuer updated its separate €30,000,000,000 covered bond programme (the "**U.S. Programme**") pursuant to which the Issuer may issue covered bonds governed by New York law (the "**New York Law Covered Bonds**"), as set forth in the base prospectus which received visa No. 13-0533 from the *Autorité des marchés financiers* (the "**AMF**") on 8 October 2013. Although the U.S. Programme is currently dormant, the Issuer reserves the right to reactivate it at any time.

As the International Programme and the U.S. Programme are based on a common structure documentation, attention of investors is therefore drawn to the fact that certain features of the International Programme also apply to the U.S. Programme and New York Law Covered Bonds, and notably:

- the aggregate nominal amount of covered bonds issued under the International Programme and/or U.S. Programme shall not at any time exceed €60,000,000,000 (or its equivalent in any other currency at the date of determination of the financial conditions of the issue of such International Covered Bonds and/or New York Law Covered Bonds);
- the provisions relating to the Borrower (as further described in section "*The Borrower and the Borrower Facility Agreement*") are common to the International Programme and the U.S. Programme;
- the advances made available by the Issuer to Banque Fédérative du Crédit Mutuel under a multicurrency term facility agreement, shall be granted out of the issuance proceeds of the International Covered Bonds or the New York Law Covered Bonds (as further described in sections "*The Borrower and the Borrower Facility Agreement*" and "*Use of Proceeds*");
- the advances made out of the issuance proceeds of International Covered Bonds and New York Law Covered Bonds will be secured by the same collateral security (*garantie financière*) for the benefit of the Issuer, granted over the same pool of home loans (as further described in section "*The Collateral Security*" and "*Origination of the home loans*");
- all provisions regarding calculations and allocations of flows (as further described in sections "*Asset Monitoring*" and "*Cash Flows*") are common to the International Programme and the U.S. Programme;
- the duties of the specific controller (*Contrôleur spécifique*) are common to the International Programme and the U.S. Programme and notably aim at (i) ensuring that the Issuer complies with the applicable provisions of the French Monetary and Financial Code (*Code monétaire et financier*), (ii) monitoring the balance between the Issuer's assets and liabilities in terms of rates and maturity (cash flow adequacy) and (iii) controlling that the Eligible Assets transferred as collateral security (*remis en pleine propriété à titre de garantie*) in order to secure Borrower Advances comply with the specific provisions of the French Monetary and Financial Code (*Code monétaire et financier*) (as further described in section "*Asset Monitoring*");
- the duties of the Administrator (as further described in section "*The Issuer*") are common to the International Programme and the U.S. Programme; and
- the Hedging Agreement(s) (if any) or any other hedging mechanism may apply to the International Programme and the U.S. Programme.

IMPORTANT INFORMATION RELATING TO NON-EXEMPT OFFERS

Certain tranches of French Law Covered Bonds with a specified denomination of less than €100,000 (or its equivalent in any other currency at the date of the issue) may be offered in France in circumstances where there is no exemption from the requirement to publish a prospectus under Article 1(4) of the Prospectus Regulation (a "**Non-exempt Offer**") under Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, as amended (the "**Prospectus Regulation**").

The consent to the use of the Prospectus (as defined below) relates to Offer Periods (if any and as defined below) beginning within twelve (12) months from the date of the approval of this Base Prospectus by the AMF.

In the context of a Non-exempt Offer, the Issuer may, if so specified in the relevant Final Terms, consent to the use of the Base Prospectus, together with any supplement with respect thereto that may be published from time to time and the relevant Final Terms (together, the "**Prospectus**") in connection with a Non-exempt Offer of any French Law Covered Bonds during the offer period specified in the relevant Final Terms (the "**Offer Period**") by:

- (i) any financial intermediary authorised to make such offers pursuant to Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments, as amended ("**MiFID II**"), as specified and subject to conditions set out in the relevant Final Terms; or
- (ii) if so specified in the relevant Final Terms, any financial intermediary which satisfies the following conditions: (a) acts in accordance with all applicable laws, rules, regulations and recommendations of any applicable regulatory bodies (the "**Rules**"), from time to time including, without limitation and in each case, Rules relating to both the appropriateness or suitability of any investment in the French Law Covered Bonds by any person and disclosure to any potential investor; (b) complies with the restrictions set out under section "*Subscription and Sale*" which would apply as if it were a dealer appointed under the International Programme; (c) consider the relevant manufacturer's target market assessment and distribution channels identified under the "MiFID II product governance" legend set out in the applicable Final Terms; (d) ensures that any fee (and any commissions or benefits of any kind) received or paid by that financial intermediary in relation to the offer or sale of the French Law Covered Bonds is fully and clearly disclosed to investors or potential investors; (e) holds all licences, consents, approvals and permits required in connection with solicitation of interest in, or offers or sales of, the French Law Covered Bonds under the Rules; (f) retains investor identification records for at least the minimum period required under applicable Rules, and shall, if so requested, make such records available to the relevant Dealer(s) and the Issuer or directly to the appropriate authorities with jurisdiction over the Issuer and/or the relevant Dealer(s) in order to enable the Issuer and/or the relevant Dealer(s) to comply with the Rules relating to anti-money laundering, prevention of corruption and "know your client" rules applicable to the Issuer and/or the relevant Dealer(s); (g) does not, directly or indirectly, cause the Issuer or the relevant Dealer(s) to breach any Rule or any requirement to obtain or make any filing, authorisation or consent in any jurisdiction; and (h) satisfies any further conditions specified in the relevant Final Terms,

in each case, an "**Authorised Offeror**". For the avoidance of doubt, none of the Dealers or the Issuer shall have any obligation to ensure that an Authorised Offeror complies with applicable laws and regulations and shall therefore have no liability in this respect.

The Issuer accepts responsibility, in France, for the content of the Prospectus in relation to any person (an "**Investor**") in France to whom an offer of any French Law Covered Bonds is made by any Authorised Offeror and where the offer is made during the period for which that consent is given and in compliance with all other conditions attached to the giving of the consent. However, neither the Issuer nor any Dealer has any responsibility for any of the actions of any Authorised Offeror, including compliance by an Authorised Offeror with applicable conduct of business rules or other local regulatory requirements or other securities law requirements in relation to such offer.

The consent referred to above relates to Offer Periods (if any) occurring in the periods beginning and ending on the dates specified for such purpose in the relevant Final Terms relating to such Non-exempt Offers and provided that the relevant Final Terms have been duly published and specify that Non-exempt Offers may be made to the public in France, all in accordance with the Prospectus Regulation.

In the event the Final Terms designate financial intermediary(ies) to whom the Issuer has given its consent to use the Prospectus during an Offer Period, the Issuer may also give consent to additional Authorised Offerors after the date of the relevant Final Terms and, if it does so, it will publish any new information in relation to such Authorised Offerors who are unknown at the time of the approval of this Base Prospectus or the filing of the relevant Final Terms on the website of the Issuer (www.creditmutuel-homeloansfh.eu).

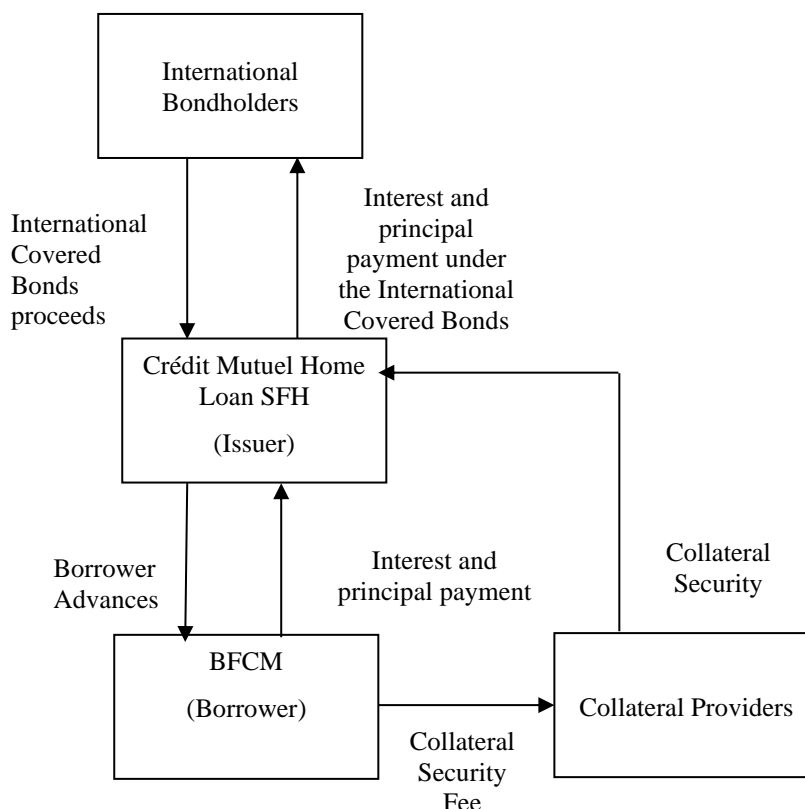

If the Final Terms specify that any financial intermediary may use the Prospectus during the Offer Period, any such Authorised Officer is required, for the duration of the Offer Period, to publish on its website a statement confirming that it is using the Prospectus for the relevant Non-exempt Offer with the consent of the Issuer and in accordance with the conditions attached thereto.

Other than as set out above, neither the Issuer nor any of the Dealers has authorised the making of any Non-exempt Offer by any person in any circumstances and such person is not permitted to use the Prospectus in connection with its offer of any French Law Covered Bonds. Any such offers are not made on behalf of the Issuer or by any of the Dealers or Authorised Offerors and none of the Issuer or any of the Dealers or Authorised Offerors has any responsibility or liability for the actions of any person making such offers.

An Investor intending to acquire or acquiring any French Law Covered Bonds from an Authorised Offeror will do so, and offers and sales of the French Law Covered Bonds to an Investor by an Authorised Offeror will be made, in accordance with any terms and other arrangements in place between such Authorised Offeror and such Investor including as to the price, allotment, settlement/delivery arrangements and any costs or taxes to be invoiced to the Investor (the "Terms and Conditions of the Non-exempt Offer"). The Issuer will not be a party to any such arrangements with Investors (other than Dealers) in connection with the offer or sale of the French Law Covered Bonds and, accordingly, the Base Prospectus and any Final Terms will not contain such information. The Terms and Conditions of the Non-exempt Offer shall be provided to Investors by that Authorised Offeror at the time of the Non-exempt Offer. Neither the Issuer nor any of the Dealers or other Authorised Offerors has any responsibility or liability for such information or the consequences of its use by the relevant Investors.

(A) FBF Determination for Floating Rate Covered Bonds:

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant FBF Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), "**FBF Rate**" for an Interest Accrual Period means a rate equal to the

Floating Rate that would be determined by the Calculation Agent under a Transaction under the terms of an agreement incorporating the FBF Definitions and under which:

- (1) the Floating Rate is as specified in the relevant Final Terms; and
- (2) the Floating Rate Determination Date is as specified in the relevant Final Terms.

For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Determination Date**" and "**Transaction**" have the meanings given to those terms in the FBF Definitions, provided that EURIBOR means the rate calculated for deposits in euro which appears on Reuters page EURIBOR01, as more fully described in the relevant Final Terms.

In the relevant Final Terms, when the paragraph "Floating Rate (*Taux Variable*)" specifies that the rate is determined by linear interpolation in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent with a linear interpolation between two (2) rates based on the relevant Floating Rate, one of which corresponding to a maturity immediately below the length of the relevant Interest Accrual Period, and the other of which corresponding to a maturity immediately above the length of the relevant Interest Accrual Period.

(B) ISDA Determination for Floating Rate Covered Bonds:

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (B), "**ISDA Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating (i) if "2006 ISDA Definitions" is specified in the relevant Final Terms, the 2006 ISDA Definitions or (ii) if "2021 ISDA Definitions" is specified in the relevant Final Terms, the 2021 ISDA Definitions and under which:

- (1) the Floating Rate Option is as specified in the relevant Final Terms;
- (2) the Designated Maturity is a period specified in the relevant Final Terms; and
- (3) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the relevant Final Terms.

For the purposes of this sub-paragraph (B), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**", "**Reset Date**" and "**Swap Transaction**" have the meanings given to those terms in the ISDA Definitions.

In the relevant Final Terms, when the paragraph "Floating Rate Option" specifies that the rate is determined by linear interpolation in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent with a linear interpolation between two (2) rates based on the relevant Floating Rate Option, one of which corresponding to a Designated Maturity immediately below the length of the relevant Interest Accrual Period, and the other of which corresponding to a Designated Maturity immediately above the length of the relevant Interest Accrual Period.

(C) Screen Rate Determination for Floating Rate Covered Bonds:

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall, subject as provided below or to Condition 7(c)(iii)(D) below, be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (1) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (I) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one (1) entity); or
 - (II) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page, in each case appearing on such Page at the Relevant Time on the Interest Determination Date as specified in the relevant Final Terms,

plus or minus the Margin (if any), as specified in the relevant Final Terms; and

- (2) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (1)(I) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (1)(II) applies and fewer than two (2) Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent, plus or minus (as indicated in the relevant Final Terms) the Margin (if any), and
- (3) if paragraph (2) above applies and the Calculation Agent determines that fewer than two (2) Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates *per annum* (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two (2) out of five (5) leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is Euro, in the Euro-zone as selected by the Calculation Agent (the "**Principal Financial Centre**") are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two (2) of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two (2) of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum Rate of Interest or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

In the relevant Final Terms, if the paragraph "Benchmark" specifies that the rate is determined by linear interpolation, in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two (2) rates based on the relevant Floating Rate, one of which shall be determined as if the Designated Maturity were the period of time for which rates are available of next shorter length before the length of the relevant Interest Accrual Period, and the other of which shall be determined as if the maturity were the period of time for which rates are available of next longer length after the length of the relevant Interest Accrual Period.

- (D) Events affecting the determination of the Benchmark:

For the purpose of Screen Rate Determination, the provisions of this paragraph (D) shall apply notwithstanding the provisions of paragraphs 7(c)(iii)(C)(1) to (3) above.

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, if a Benchmark Event occurs in relation to an Original Reference Rate at any time, then the following provisions shall apply and prevail over the other fallback provisions set out in Condition 7(c)(iii)(C).

If, at any time prior to or on any Interest Determination Date, the Issuer in consultation with the Calculation Agent determines, acting in good faith and in a commercially reasonable manner, that the Relevant Rate has been discontinued or that a Benchmark Event has occurred:

- (1) Appointment of a Rate Determination Agent

The Issuer shall use its reasonable endeavours to appoint a Rate Determination Agent as soon as reasonably practicable to determine a Successor Reference Rate, failing which, an Alternative Reference Rate (in accordance with Condition 7(c)(iii)(D)(2)) and, in either case, an Adjustment Spread if any (in accordance with Condition 7(c)(iii)(D)(3)) and any Benchmark Amendments (in accordance with Condition 7(c)(iii)(D)(4)).

The Rate Determination Agent appointed pursuant to this Condition 7(c)(iii)(D) shall act in good faith and in a commercially reasonable manner as an expert and in consultation with the Issuer. In the absence of bad faith or fraud, the Rate Determination Agent shall have no liability whatsoever to the Issuer, the Paying Agents, the French Law Bondholders and, where applicable, the Couponholders and Receiptholders for any determination made by it, pursuant to this Condition 7(c)(iii)(D).

(2) Successor Reference Rate or Alternative Reference Rate

If the Rate Determination Agent determines that:

- (a) there is a Successor Reference Rate, then such Successor Reference Rate shall (subject to adjustment as provided in Condition 7(c)(iii)(D)(3)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Floating Rate Covered Bonds (subject to the operation of this Condition 7(c)(iii)(D)); or
- (b) there is no Successor Reference Rate but there is an Alternative Reference Rate, then such Alternative Reference Rate shall (subject to adjustment as provided in Condition 7(c)(iii)(D)(3)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Floating Rate Covered Bonds (subject to the operation of this Condition 7(c)(iii)(D)).

(3) Adjustment Spread

If the Rate Determination Agent determines that (i) an Adjustment Spread is required to be applied to the Successor Reference Rate or the Alternative Reference Rate and (ii) the quantum of, or a formula or methodology for determining such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Reference Rate or the Alternative Reference Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a relevant component thereof) by reference to such Successor Reference Rate or Alternative Reference Rate (as applicable).

(4) Benchmark Amendments

If any Successor Reference Rate, Alternative Reference Rate or Adjustment Spread is determined in accordance with this Condition 7(c)(iii)(D) and the Rate Determination Agent determines (i) that amendments to these Conditions are necessary to ensure the proper operation of such Successor Reference Rate or Alternative Reference Rate or Adjustment Spread (if any) (such amendments, the "**Benchmark Amendments**") and (ii) the specific terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 7(c)(iii)(D)(5), vary these Conditions to the extent needed to give effect to such Benchmark Amendments with effect from the date specified in such notice. For the avoidance of doubt, each French Law Bondholder shall be deemed to have accepted the Successor Reference Rate or Alternative Reference Rate and the Adjustment Spread and the Benchmark Amendments (if any) pursuant to this paragraph.

For the avoidance of doubt, and in connection with any such variation in accordance with this paragraph (4), the Issuer shall comply with the rules of any stock exchange on which the Floating Rate Covered Bonds are for the time being listed or admitted to trading.

(5) Notices

Any Successor Reference Rate, Alternative Reference Rate or Adjustment Spread and Benchmark Amendments (as the case may be), determined under this Condition 7(c)(iii)(D) will be notified promptly by the Issuer, after receiving such information from the Rate Determination Agent, to the Fiscal Agent, the Paying Agents, the Calculation Agent, the Representative (if any) and, in accordance with Condition 18 (Notices), the French Law Bondholders and, where applicable, the Receiptholders and the Couponholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

The Issuer shall deliver to the Fiscal Agent a certificate signed by two (2) authorised signatories of the Issuer:

- (a) confirming (i) that a Benchmark Event has occurred, (ii) the Successor Reference Rate or the Alternative Reference Rate, (iii) any Adjustment Spread and/or (iv) any Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 7(c)(iii)(D); and
- (b) certifying that the Benchmark Amendments are necessary to ensure the proper operation of such Successor Reference Rate, Alternative Reference Rate or Adjustment Spread (if any).

The Fiscal Agent shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. In the absence of manifest error or bad faith in the determination of the Successor Reference Rate or Alternative Reference Rate, the Adjustment Spread (if any) and the Benchmark Amendments (if any), as specified in such certificate, and without prejudice to the Fiscal Agent's ability to rely on such certificate as aforesaid, the Successor Reference Rate or Alternative Reference Rate, the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will be binding on the Issuer, the Fiscal Agent, the Paying Agents, the Calculation Agent, the French Law Bondholders and, where applicable, the Receiptholders and the Couponholders.

(6) Fallback in respect of the Successor Reference Rate or Alternative Reference Rate

If (i) a Benchmark Event occurs in relation to a Successor Reference Rate or Alternative Reference Rate at any time or (ii) the fallback provisions provided for in Condition 7(c)(iii)(C)(2) and Condition 7(c)(iii)(C)(3) fail to provide a means of determining the Successor Reference Rate or Alternative Reference Rate, the Issuer shall use its reasonable endeavours to appoint a Rate Determination Agent and ensure that the provisions of this Condition 7(c)(iii)(D) shall apply as if the Successor Reference Rate or Alternative Reference Rate were the Original Reference Rate.

Where:

"**Adjustment Spread**" means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Rate Determination Agent determines and which is required to be applied to the Successor Reference Rate or the Alternative Reference Rate (as the case may be) to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to French Law Bondholders and, where applicable, Receiptholders and Couponholders as a result of the replacement of the Original Reference Rate with the Successor Reference Rate or the Alternative Reference Rate (as the case may be) and is the spread, formula or methodology which:

- (a) in the case of a Successor Reference Rate, is formally recommended or formally provided as an option for parties to adopt in relation to the replacement of the Original Reference Rate with the Successor Reference Rate by any Relevant Nominating Body; or
- (b) if no recommendation required under (a) above has been made or in the case of an Alternative Reference Rate, is customary in international debt capital market transactions for transactions which reference the Original Reference Rate, where such rate has been replaced by the Alternative Reference Rate (or, as the case may be, the Successor Reference Rate); or
- (c) if (a) and (b) above do not apply, which is recognised or acknowledged as being representative for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Reference Rate or the Alternative Reference Rate, as the case may be; or
- (d) if (a), (b) and (c) above do not apply, the Rate Determination Agent, acting in good faith, determines to be appropriate.

"**Alternative Reference Rate**" means an alternative benchmark or screen rate which the Rate Determination Agent determines in accordance with this Condition 7(c)(iii)(D)(2) and which is customary market usage in the international debt capital

markets for the purposes of determining rates of interest (or the relevant component part thereof) for a commensurate interest period and in the same Specified Currency as the Floating Rate Covered Bonds.

"Benchmark Event" means:

- (a) the Original Reference Rate ceasing to be published or ceasing to exist; or
- (b) a public statement by the administrator of the Original Reference Rate that it will cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate); or
- (c) a public statement by the supervisor of the administrator of the Original Reference Rate, that the Original Reference Rate has been or will be permanently or indefinitely discontinued; or
- (d) a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will be prohibited from being used either generally, or that its use will be subject to restrictions or adverse consequences which would not allow its further use in respect of the French Law Covered Bonds; or
- (e) a public statement by the supervisor of the administrator of the Original Reference Rate that, in the view of such supervisor, such Reference Rate is no longer representative of an underlying market or the methodology to calculate such Original Reference Rate has materially changed;
- (f) it has become unlawful for the Calculation Agent, any other party responsible for determining the Rate of Interest to calculate any payments due to be made to any French Law Bondholders, Receiptholder or Couponholder using the Original Reference Rate; or
- (g) that a decision to withdraw the authorisation or registration pursuant to Article 35 of the Benchmark Regulation of any benchmark administrator previously authorised to publish the Original Reference Rate has been adopted,

provided that, (i) in the case of sub-paragraphs (a) to (c), the Benchmark Event shall occur on the date of the cessation of publication of the Reference Rate, as applicable, (ii) in the case of sub-paragraphs (d) (f) and (g), the Benchmark Event shall occur on the date of prohibition of use of the Reference Rate, as applicable, and not the date of the relevant public statement and (iii) in the case of (e), the Benchmark Event shall be deemed to have occurred at the latest on the date falling six month following such public statement.

"Benchmark Regulation" means Regulation (EU) 2016/1011 of the European Parliament and of the Council of 8 June 2016 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds, as amended.

"Original Reference Rate" means the benchmark or screen rate (as applicable) originally specified for the purpose of determining the relevant Rate of Interest (or any relevant component part(s) thereof) on the Floating Rate Covered Bonds.

"Relevant Nominating Body" means, in respect of a benchmark or screen rate (as applicable):

- (a) the central bank for the currency to which the benchmark or screen rate, as applicable, relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate, as applicable; or
- (b) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (i) the central bank for the currency to which the benchmark or screen rate, as applicable, relates, (ii) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate, as applicable, (iii) a group of the aforementioned central banks or other supervisory authorities or (iv) the Financial Stability

Board or any part thereof.

"Successor Reference Rate" means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body and if, following a Benchmark Event, two or more successor or replacement rates are recommended by any Relevant Nominating Body, the Rate Determination Agent shall determine which of those successor or replacement rates is most appropriate, having regard to, inter alia, the particular features of the relevant French Law Covered Bonds and the nature of the Issuer.

(d) Interest on Fixed/Floating Rate Covered Bonds, Fixed/Fixed Rate Covered Bonds and Floating/Floating Rate Covered Bonds

Fixed/Floating Rate Covered Bonds, Fixed/Fixed Rate Covered Bonds and Floating/Floating Rate Covered Bonds are French Law Covered Bonds for which a change of interest Basis (the **"Change of Interest Basis"**) is specified to be applicable in the relevant Final Terms.

Each Fixed/Floating Rate Covered Bonds shall bear interest on its outstanding nominal amount at a rate that:

- (i) at the Issuer's option, the Issuer may convert (the **"Issuer Change of Interest Basis"**) on the date specified in the relevant Final Terms (the **"Switch Date"**) from Fixed Rate (as defined in Condition 7(b) and specified in the relevant Final Terms) to Floating Rate (as defined in Condition 7(c) and specified in the relevant Final Terms) or from Floating Rate to Fixed Rate, it being specified that any Issuer Change of Interest Basis shall only become effective after a valid notification has been sent by the Issuer to the relevant French Law Bondholders in accordance with Condition 18 within the period specified in the relevant Final Terms; or
- (ii) automatically changes from Fixed Rate to Floating Rate or from Floating Rate to Fixed Rate on the Switch Date (the **"Automatic Change of Interest Basis"**).

Each Fixed/Fixed Rate Covered Bonds or Floating/Floating Rate Covered Bonds, as the case may be, shall bear interest on its outstanding nominal amount at a rate that:

- (i) at the Issuer's option, the Issuer may convert on the Switch Date from Fixed Rate to a different Fixed Rate or from Floating Rate to a different Floating Rate, it being specified that any such Change of Interest Basis shall only become effective after a valid notification has been sent by the Issuer to the relevant French Law Bondholders in accordance with Condition 18 within the period specified in the relevant Final Terms; or
- (ii) automatically changes on the Switch Date from Fixed Rate to a different Fixed Rate or from Floating Rate to a different Floating Rate.

(e) Zero Coupon Covered Bonds

Where a French Law Covered Bond the Interest Basis of which is specified to be Zero Coupon and, if so specified in the relevant Final Terms, is repayable prior to the Final Maturity Date (or, as the case may be, with respect to Soft Bullet French Law Covered Bonds, the Extended Final Maturity Date) pursuant to an Issuer's option or, if so specified in the relevant Final Terms, pursuant to Condition 8(e) or otherwise and is not paid when due, the amount due and payable prior to the Final Maturity Date (or, as the case may be, with respect to Soft Bullet French Law Covered Bonds, the Extended Final Maturity Date) shall be the Early Redemption Amount. As from the Final Maturity Date (or, as the case may be, with respect to Soft Bullet French Law Covered Bonds, the Extended Final Maturity Date), the Rate of Interest for any overdue principal of such a French Law Covered Bond shall be a rate *per annum* (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 8(e)(i)(B)).

(f) Accrual of Interest

Interest shall cease to accrue on each French Law Covered Bond on the due date for redemption unless (i) in the case of Dematerialised Covered Bonds, on such due date or (ii) in the case of Materialised Covered Bonds, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 7 to the Relevant Date.

(g) Margin, Rate Multiplier, Maximum or Minimum Rate of Interest, Instalment Amounts and Redemption Amounts and rounding

- (i) If any Margin or Rate Multiplier is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one (1) or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with paragraph (c) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin or by multiplying the Rate of

Interest by the Rate Multiplier, subject always to the next paragraph.

- (ii) If any Maximum Rate of Interest or Minimum Rate of Interest, Maximum Instalment Amount or Minimum Instalment Amount or Maximum Redemption Amount or Minimum Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) Unless a higher Minimum Rate of Interest is specified in the relevant Final Terms, the Minimum Rate of Interest (*i.e.* relevant rate plus margin) shall be deemed to be zero.
- (iv) For the purposes of any calculations required pursuant to these Conditions, (w) if FBF Determination is specified in the relevant Final Terms, all percentages resulting from such calculations shall be rounded, if necessary, to the nearest ten-thousandth of a percentage point (with halves being rounded up), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest fifth decimal (with halves being rounded up), (y) all figures shall be rounded to seven (7) decimals (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For the purpose of this Condition, "**unit**" means the lowest amount of such currency that is available as legal tender in the country of such currency.

(h) Calculations

The amount of interest payable in respect of any French Law Covered Bond for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such French Law Covered Bond by the Day Count Fraction, unless an Interest Amount is specified in respect of such period, in which case the amount of interest payable in respect of such French Law Covered Bond for such period shall equal such Interest Amount. Where any Interest Period comprises two (2) or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(i) Determination and publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the French Law Covered Bonds for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the French Law Bondholders, any other Calculation Agent appointed in respect of the French Law Covered Bonds that is to make a further calculation upon receipt of such information and, if the French Law Covered Bonds are admitted to trading on a Regulated Market and the rules of such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth (4th) Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 7(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(j) Calculation Agent and Reference Banks

The Issuer shall procure that there shall at all times be four (4) Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one (1) or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any French Law Covered Bond is outstanding. If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one (1) Calculation Agent is appointed in respect of the French Law Covered Bonds, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions.

If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign from its duties without a successor having been appointed as aforesaid.

8. Redemption, Purchase and Options

(a) Final Redemption

Unless previously redeemed or purchased and cancelled as provided below, each French Law Covered Bond shall be finally redeemed at the Final Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) specified in the relevant Final Terms or, in the case of a French Law Covered Bond falling within Condition 8(b) below, its final Instalment Amount.

With respect to Series of Soft Bullet French Law Covered Bonds, an Extended Final Maturity Date shall be specified as applying in relation to such Series in the relevant Final Terms. Regarding Soft Bullet French Law Covered Bonds issued as of 8 July 2022 only, the conditions in which such a maturity extension shall be made have been specified by a decree-law (*ordonnance*) No. 2021-858 dated 30 June 2021, a decree (*décret*) No. 2021-898 dated 6 July 2021 and a decree (*décret*) No. 2022-766 dated 2 May 2022, the provisions of which entering into force on 8 July 2022.

With respect to French Law Covered Bonds issued prior to 8 July 2022, if the Final Redemption Amount of such Series is not paid by the Issuer on the Final Maturity Date, then the payment of the unpaid amount shall be automatically deferred and shall become due and payable on the Extended Final Maturity Date, which shall fall any time after one (1) year from the Final Maturity Date specified in the relevant Final Terms.

With respect to French Law Covered Bonds issued as from 8 July 2022, the maturity extension trigger events shall only be, in accordance with Articles L.513-30 and R.513-8-1 of the French Monetary and Financial Code (*Code monétaire et financier*) (as such Articles will come into force on 8 July 2022), one of the following cases (or all of them):

- (i) in the event of non-payment of the principal on the maturity date initially set by the Issuer, (x) the credit institution benefiting from loans granted by the Issuer and guaranteed by the remittance, the transfer or the pledge of receivables pursuant to Articles L.211-38 to L.211-40 or Articles L.313-23 to L.313-35 of the French Monetary and Financial Code (*Code monétaire et financier*), whether or not these receivables are of a professional nature or (y) the credit institution issuing promissory notes (*billets à ordre*) subscribed by the Issuer in accordance with the terms and conditions defined in Articles L.313-43 to L.313-48 of the French Monetary and Financial Code (*Code monétaire et financier*); and/or
- (ii) (x) the Issuer, (y) a credit institution benefiting from loans granted by the Issuer and guaranteed by the remittance, the transfer or pledge of receivables pursuant to Articles L.211-38 to L.211-40 or Articles L.313-23 to L.313-35 of the French Monetary and Financial Code (*Code monétaire et financier*), whether or not these receivables are of a professional nature or (z) a credit institution issuing promissory notes (*billets à ordre*) subscribed by the Issuer in accordance with the provisions of Articles L.313-43 to L.313-48 of the French Monetary and Financial Code (*Code monétaire et financier*), being the subject of safeguard (*sauvegarde*), judicial reorganisation (*redressement judiciaire*) or judicial liquidation (*liquidation judiciaire*) proceedings, or resolution proceedings opened pursuant to Article L.613-49 of the French Monetary and Financial Code (*Code monétaire et financier*),

(each such event, a "**Maturity Extension Trigger Event**").

If, with respect to French Law Covered Bonds issued as from 8 July 2022, such a Maturity Extension Trigger Event occurs, then the payment of the unpaid amount shall be automatically deferred and shall become due and payable on the Extended Final Maturity Date, which shall fall any time after one (1) year from the Final Maturity Date specified in the relevant Final Terms.

However, any amount representing the Final Redemption Amount due and remaining unpaid on the Final Maturity Date may be paid by the Issuer on any Interest Payment Date occurring thereafter up to (and

including) the relevant Extended Final Maturity Date. Interest will continue to accrue on any unpaid amount during such extended period at the relevant Rate of Interest specified in the relevant Final Terms and be payable on each Interest Payment Date and on the Extended Final Maturity Date all as specified in the relevant Final Terms and in accordance with the Conditions.

(b) Redemption by Instalments

Unless previously redeemed or purchased and cancelled as provided in this Condition 8, or the relevant Instalment Date (being one (1) of the dates so specified in the relevant Final Terms) is extended pursuant to any Issuer's or French Law Bondholders' option in accordance with Conditions 8(c) or 8(d), each French Law Covered Bond that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such French Law Covered Bond shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such French Law Covered Bond, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Covered Bonds, on the due date for such payment or (ii) in the case of Materialised Covered Bonds, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.

(c) Redemption at the option of the Issuer, exercise of Issuer's options and Partial Redemption

If a Call Option is specified in the relevant Final Terms, the Issuer may, subject to compliance by the Issuer with all relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) calendar days' irrevocable prior notice in accordance with Condition 18 to the French Law Bondholders (or such other notice period as may be specified in the relevant Final Terms) redeem, all or, if so provided, some, of the French Law Covered Bonds on any Optional Redemption Date or Option Exercise Date, as the case may be, as specified in the relevant Final Terms. Any such redemption of French Law Covered Bonds shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption, if any. Any such redemption must relate to French Law Covered Bonds of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed if and as specified in the relevant Final Terms, and no greater than the Maximum Redemption Amount to be redeemed if and as specified in the relevant Final Terms.

All French Law Covered Bonds in respect of which any such notice is given shall be redeemed, or the Issuer's Option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Materialised Covered Bonds, the notice to holders of such Materialised Covered Bonds shall also contain the numbers of the Definitive Materialised Covered Bonds to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchanges requirements.

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Dematerialised Covered Bonds, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Covered Bonds in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Covered Bonds and, in such latter case, the choice between those Dematerialised Covered Bonds that will be fully redeemed and those Dematerialised Covered Bonds of any Series that will not be redeemed shall be made in accordance with the provisions of Article R.213-16 of the French Monetary and Financial Code (*Code monétaire et financier*) as completed by the relevant Final Terms, subject to compliance with any other applicable laws and stock exchanges requirements.

So long as the French Law Covered Bonds are admitted to trading on a Regulated Market and the rules of, or applicable to, such Regulated Market so require, the Issuer shall, each time there has been a partial redemption of the French Law Covered Bonds, cause to be published (i) as long as the French Law Covered Bonds are admitted to trading on a Regulated Market and the rules applicable thereto so permit, on its website (www.creditmutuel-homeloansfh.eu) or (ii) in a leading financial newspaper of general circulation in the city where the Regulated Market on which such French Law Covered Bonds are admitted to trading is located, which in the case of Euronext Paris is expected to be *Les Echos*, a notice specifying the aggregate nominal amount of French Law Covered Bonds outstanding and, in the case of Materialised Covered Bonds a list of any Materialised Covered Bonds, drawn for redemption but not surrendered.

(d) Redemption at the option of French Law Bondholders and exercise of French Law Bondholders' options

If a Put Option is specified in the relevant Final Terms, the Issuer shall, at the option of the French Law

Bondholder, upon the French Law Bondholder giving not less than fifteen (15) nor more than thirty (30) calendar days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such French Law Covered Bond on the Optional Redemption Date(s), as indicated in the relevant Final Terms at its Optional Redemption Amount specified in the relevant Final Terms, together with interest accrued to the date fixed for redemption.

To exercise such option (which must be exercised on an Option Exercise Date) the French Law Bondholder must deposit with a Paying Agent at its specified office a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained during normal business hours from any Paying Agent or the Registration Agent, as the case may be, within the notice period. In the case of Materialised Covered Bonds, the Exercise Notice shall have attached to it the relevant French Law Covered Bonds (together with all unmatured Coupons and Receipts and unexchanged Talons). In the case of Dematerialised Covered Bonds, the French Law Bondholder shall transfer, or cause to be transferred, the Dematerialised Covered Bonds to be redeemed to the account of the Paying Agent with a specified office in Paris, as specified in the Exercise Notice. No option so exercised and, where applicable, no French Law Covered Bond so deposited or transferred, may be withdrawn without the prior consent of the Issuer.

(e) Early Redemption

(i) Zero Coupon Covered Bonds

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Covered Bond, upon redemption of such French Law Covered Bond pursuant to Condition 8(f) or (g) or upon it becoming due and payable as provided in Condition 11 shall be the Amortised Nominal Amount (calculated as provided below) of such French Law Covered Bond.
- (B) Subject to the provisions of sub-paragraph (C) below, the amortised nominal amount of any such French Law Covered Bond (the "**Amortised Nominal Amount**") shall be the scheduled Final Redemption Amount of such French Law Covered Bond on the Final Maturity Date (or, as the case may be, with respect to Soft Bullet French Law Covered Bond, the Extended Final Maturity Date) discounted at a rate *per annum* (expressed as a percentage) equal to the amortisation yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the French Law Covered Bonds if they were discounted back to their issue price on the Issue Date) (the "**Amortisation Yield**") compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such French Law Covered Bond upon its redemption pursuant to Condition 8(f) or (g) or upon it becoming due and payable as provided in Condition 11 is not paid when due, the Early Redemption Amount due and payable in respect of such French Law Covered Bond shall be the Amortised Nominal Amount of such French Law Covered Bond as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the French Law Covered Bond becomes due and payable was the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Final Maturity Date (or, as the case may be, with respect to Soft Bullet French Law Covered Bond, the Extended Final Maturity Date), in which case the amount due and payable shall be the scheduled Final Redemption Amount of such French Law Covered Bond on the Final Maturity Date (or, as the case may be, with respect to Soft Bullet French Law Covered Bond, the Extended Final Maturity Date) together with any interest that may accrue in accordance with Condition 7(f).

Where such calculation is to be made for a period of less than one (1) year, it shall be made on the basis of the Day Count Fraction as provided in the relevant Final Terms.

(ii) Other French Law Covered Bonds

The Early Redemption Amount payable in respect of any French Law Covered Bond (other than French Law Covered Bonds described in (i) above), upon redemption of such French Law Covered Bond pursuant to Condition 8(f) or (g) or upon it becoming due and payable as provided in Condition 11 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption.

(f) Redemption for Taxation Reasons

- (i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next

payment of principal or interest due in respect of the French Law Covered Bonds, not be able to make such payment without having to pay additional amounts as specified under Condition 10(b) below, the Issuer may, at its option, on any Interest Payment Date (if the French Law Covered Bond is a Floating Rate Covered Bond) or at any time (if the French Law Covered Bond is a Fixed Rate Covered Bond) subject to having given not more than forty-five (45) nor less than thirty (30) calendar days' notice to the French Law Bondholders (which notice shall be irrevocable), in accordance with Condition 18, redeem all, but not some only, of the French Law Covered Bonds at their Early Redemption Amount together with any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.

- (ii) If the Issuer would, on the next payment of principal or interest in respect of the French Law Covered Bonds, be prevented by French law from making payment to the French Law Bondholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 10(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven (7) calendar days' prior notice to the French Law Bondholders in accordance with Condition 18, redeem all, but not some only, of the French Law Covered Bonds then outstanding at their Early Redemption Amount together with any interest accrued to the date set for redemption (A) from the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the French Law Covered Bonds, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of French Law Bondholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the French Law Covered Bonds and (ii) fourteen (14) calendar days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the French Law Covered Bonds, or, if applicable, Coupons or Receipts or, if that date is passed, as soon as practicable thereafter.

(g) Redemption due to illegality

The French Law Covered Bonds of all Series shall be redeemed at the option of the Issuer, subject to compliance by the Issuer of all the relevant laws, regulations and directives, in whole, but not in part, at any time, on giving not less than thirty (30) nor more than sixty (60) calendar days' irrevocable notice in accordance with Condition 18 to the French Law Bondholders, if the Issuer satisfies the Fiscal Agent immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any French Law Covered Bonds of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any Borrower Advance made by it to the Borrower or to comply with any other of its obligations under the French Law Covered Bonds of that Series, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Fiscal Agent a certificate signed by two (2) representatives of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Fiscal Agent shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all French Law Bondholders, Couponholders and Receiptholders.

French Law Covered Bonds redeemed pursuant to this Condition 8(g) will be redeemed at their Early Redemption Amount referred to in paragraph 8(e) above together (if appropriate) with interest accrued to the date fixed for redemption, if any.

(h) Subscriptions and Purchases

The Issuer shall have the right at all times to subscribe and purchase French Law Covered Bonds (provided that, in the case of Materialised Covered Bonds, all unmatured Coupons and Receipts and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise (including by tender offer) at any price, subject to any applicable laws and regulations and in particular Article L.513-26 of the French Monetary and Financial Code (*Code monétaire et financier*). The relevant Final Terms will specify whether French Law Covered Bonds so subscribed and purchased by the Issuer

may be held and resold in accordance with applicable laws and regulations, or shall be cancelled in accordance with Condition 8(i) below.

(i) Cancellation

All French Law Covered Bonds which have been subscribed or purchased by or on behalf of the Issuer for cancellation shall be cancelled forthwith (together with, in the case of Dematerialised Covered Bonds, all rights relating to payment of interest and other amounts relating to such Dematerialised Covered Bonds and, in the case of Definitive Materialised Covered Bonds, all unmatured Coupons and Receipts and unexchanged Talons attached thereto), in the case of Dematerialised Covered Bonds, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Covered Bonds, by surrendering the relevant Temporary Global Certificate or the Definitive Materialised Covered Bonds in question, together with all unmatured Coupons and Receipts and all unexchanged Talons, if applicable, to the Fiscal Agent. Any French Law Covered Bond so cancelled may not be reissued or resold and the obligations of the Issuer in respect of any such French Law Covered Bond shall be discharged.

9. Payments and Talons

(a) Dematerialised Covered Bonds

Payments of principal and interest in respect of Dematerialised Covered Bonds shall (i) in the case of Dematerialised Covered Bonds in bearer dematerialised form or administered registered form, be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the French Law Bondholders and, (ii) in the case of Dematerialised Covered Bonds in fully registered form, to an account denominated in the relevant currency with a Bank designated by the relevant holder of French Law Covered Bonds. All payments validly made to such Account Holders or Bank will be an effective discharge of the Issuer in respect of such payments.

(b) Definitive Materialised Covered Bonds

(i) Method of payment

Subject as provided below, payments in a Specified Currency will be made by credit or transfer to an account denominated in the relevant Specified Currency, or to which the Specified Currency may be credited or transferred (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Euro, shall be any country in the Euro-zone, and, if the Specified Currency is Australian Dollars or New Zealand Dollars, shall be Sydney or Auckland, respectively).

(ii) Presentation and surrender of Definitive Materialised Covered Bonds, Coupons and Receipts

Payments of principal in respect of Definitive Materialised Covered Bonds will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of partial payment of any sum due, annotation) of such French Law Covered Bonds, and payments of interest in respect of Definitive Materialised Covered Bonds will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of Coupons, in each case at the specified office of any Paying Agent outside the United States of America (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of Definitive Materialised Covered Bonds, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant French Law Covered Bond in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Materialised Covered Bond to which it appertains. Receipts presented without the Definitive Materialised Covered Bond to which they appertain do not constitute valid obligations of the Issuer.

Upon the date upon which any Definitive Materialised Covered Bond becomes due and payable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment will be made in respect thereof.

Fixed Rate Covered Bonds in definitive form should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten (10) years after the Relevant Date in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 12) or, if later, five (5) years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Covered Bond in definitive form becoming due and repayable prior to its Final Maturity Date (or, as the case may be, with respect to Soft Bullet French Law Covered Bonds, the Extended Final Maturity Date), all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Covered Bond in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any Definitive Materialised Covered Bond is not an Interest Payment Date, interest (if any) accrued in respect of such French Law Covered Bond from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against presentation and surrender (if appropriate) of the relevant Definitive Materialised Covered Bond.

(c) Payments in the United States of America

Notwithstanding the foregoing, if any Materialised Covered Bonds are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States of America with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the French Law Covered Bonds in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) Payments subject to Fiscal Laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in any jurisdiction (whether by operation of law or agreement of the Issuer or its agents) and the Issuer will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements, but without prejudice to the provisions of Condition 10.

No commission or expenses shall be charged to the French Law Bondholders or Couponholders in respect of such payments.

(e) Appointment of Agents

The Fiscal Agent, the Paying Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed at the end of this Base Prospectus relating to the International Programme. The Fiscal Agent, the Paying Agents and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each such case, do not assume any obligation or relationship of agency for any French Law Bondholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, Registration Agent or Calculation Agent and to appoint other Fiscal Agent, Paying Agent(s), Registration Agent(s) or Calculation Agent(s) or additional Paying Agent(s), Registration Agent(s) or Calculation Agent(s), provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one (1) or more Calculation Agent(s) where the Conditions so require, (iii) a Paying Agent having a specified office in at least one (1) major European city (including, so long as the French Law Covered Bonds are admitted to trading on a Regulated Market and so long as the rules thereof so require, such city where the French Law Covered Bonds are admitted to trading), (iv) in the case of Dematerialised Covered Bonds in fully registered form, a Registration Agent and (v) such other agents as may be required by the rules of any other Regulated Market on which the French Law Covered Bonds may be admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Covered Bonds denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the French Law Bondholders in accordance with Condition 18.

(f) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Covered Bond, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 12).

(g) Business Days for Payment

If any date for payment in respect of any French Law Covered Bond, Coupon or Receipt is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, "**business day**" means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Covered Bonds, on which Euroclear France is open for business or (ii) in the case of Materialised Covered Bonds, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) in such jurisdictions as shall be specified as "**Financial Centre(s)**" in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than Euro, where payment is to be made by transfer to an account maintained with a bank in the Specified Currency, on which foreign exchange transactions may be carried on in the Specified Currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in Euro, which is a TARGET Business Day.

(h) Bank

For the purpose of this Condition 9, "**Bank**" means a bank in the principal financial centre of the relevant currency or, in the case of payments in Euro, in a city in which banks have access to the TARGET System.

10. Taxation

(a) Tax Exemption for French Law Covered Bonds constituting obligations or debt instruments (*titres de créances*) assimilated thereto for French tax purposes

All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the French Law Covered Bonds shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) Additional Amounts

If French law should require that payments of principal or interest in respect of any French Law Covered Bond, Coupon or Receipt be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the French Law Bondholders or, if applicable, the Couponholders and the Receiptholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be due by the Issuer with respect to any French Law Covered Bond, Coupon or Receipt, as the case may be:

- (i) *Other connection:* to, or to a third party on behalf of, a French Law Bondholder, Couponholder or Receiptholder who is liable to such taxes or duties by reason of his having some connection with France other than the mere holding of the French Law Covered Bond, Coupon or Receipt; or
- (ii) *More than thirty (30) calendar days after the Relevant Date:* in the case of Definitive Materialised Covered Bonds, more than thirty (30) calendar days after the Relevant Date except to the extent that the French Law Bondholder, Couponholder or Receiptholder would have been entitled to such additional amounts on presenting it for payment on the thirtieth (30th) such calendar day; or
- (iii) *Payment by another Paying Agent:* in the case of Definitive Materialised Covered Bonds presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant French Law Covered Bond, Coupon or Receipt to another Paying Agent in a Member State of the European Union; or

- (iv) Where such withholding or deduction is imposed pursuant to the United States Foreign Account Tax Compliance Act, or its present or future implementation into French law.

References in these Conditions to (A) "**principal**" shall be deemed to include any premium payable in respect of the French Law Covered Bonds, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 8 or any amendment or supplement to it, (B) "**interest**" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 7 or any amendment or supplement to it and (C) "**principal**" and/or "**interest**" shall be deemed to include any additional amounts that may be payable under this Condition.

11. Events of Default

Subject to the legal framework applicable to a *société de financement de l'habitat*, if an Issuer Event of Default occurs in respect of any Series of French Law Covered Bonds, the Representative may, at its discretion, and shall, if so directed by the Majority Bondholders or if such Issuer Event of Default is a Covered Bonds Cross Acceleration Event, upon written notice (an "**Issuer Enforcement Notice**") to the Fiscal Agent and the Issuer (with copy to the Rating Agencies) given before all defaults shall have been cured, cause the principal amount of all French Law Covered Bonds of such Series to become due and payable (but subject to the then applicable relevant priority payment order), together with any accrued interest thereon, as of the date on which such notice for payment is received by the Fiscal Agent.

12. Prescription

Claims against the Issuer for payment in respect of any amount due under the French Law Covered Bonds, Coupons and Receipts (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten (10) years (in the case of principal) or five (5) years (in the case of interest) from the appropriate Relevant Date in respect of them.

13. Representation of French Law Bondholders

The *Masse* alone, to the exclusion of all individual French Law Bondholders, shall exercise the common rights, actions and benefits which may accrue with respect to the French Law Covered Bonds without prejudice to the right that French Law Bondholders may exercise individually in accordance with, and subject to, the terms and conditions of the French Law Covered Bonds.

(a) Legal Personality

The *Masse* will be a separate legal entity and will act in part through a representative (the "**Representative**") and in part through collective decisions of the French Law Bondholders (the "**Collective Decisions**").

In accordance with section "*The Borrower and the Borrower Facility Agreement - The Borrower Facility Agreement - Principal and interest amounts*" hereunder, the terms and conditions regarding the calculation and the payment of principal and interest under each Borrower Advance made by the Issuer with the net proceeds of the issue of International Covered Bonds shall mirror the equivalent terms and conditions of the corresponding Final Terms of International Covered Bonds. As a consequence, the Borrower Advances have characteristics that demonstrate capacity to produce funds to service any payments due and payable on the International Covered Bonds, as long as no Borrower Event of Default has occurred.

If specified in the relevant Final Terms, International Covered Bonds may be issued as green, social or sustainability covered bonds (the "**Green, Social or Sustainability Covered Bonds**") for which the Issuer intends to allocate to BFCM an amount equal to the net proceeds to finance and/or refinance, in whole or in part, new or existing projects from any Eligible Loans (as defined below) granted to the group Crédit Mutuel Alliance Fédérale's corporate and individual customers and generating environmental and/or social benefits, as defined in the relevant Final Terms and as further described in the green, social or sustainability covered bond framework (as amended and supplemented from time to time) (the "**Green, Social or Sustainability Covered Bond Framework**") available on the BFCM's website (<https://www.bfcm.creditmutuel.fr/fr/programmes/obligations-vertes-et-sociales.html>) (for the avoidance of doubt, the Green, Social or Sustainability Covered Bond Framework and the Second Party Opinion referred to below have not been and will not be incorporated by reference in and, therefore, do not and will not form part of this Base Prospectus).

Under the Green, Social or Sustainability Covered Bond Framework, the Issuer, may issue three types of covered bonds:

- green covered bonds where an amount equal to the net proceeds is applied to finance or refinance Eligible Loans in the Green Eligible Categories (as defined below);

Crédit Mutuel Alliance Fédérale has appointed Vigeo Eiris to provide a second party opinion (the "**Second Party Opinion**") on the Green, Social or Sustainability Covered Bond Framework, assessing the environmental and social added value of the Green, Social or Sustainability Covered Bond Framework and its alignment with the GBP, the SBP and the SBG. This Second Party Opinion document is available on Vigeo-Eiris' website (www.vigeo-

[iris.com](https://www.iris.com)) and on BFCM's website (www.bfcm.creditmutuel.fr).

Annually and until the maturity of the relevant Green, Social or Sustainability Covered Bonds, Crédit Mutuel Alliance Fédérale will make public on BFCM's website a limited or reasonable assurance report provided by its external auditor, or any other appointed independent third party, that an amount equal to the net proceeds of the Green, Social or Sustainability Covered Bonds (as the case may be) is applied to finance or refinance Eligible Loans.

"**Eligible Loans**" means loans granted to the group Crédit Mutuel Alliance Fédérale's corporate and individual customers and generating environmental and/or social benefits as outlined in the eligibility criteria defined in the Green, Social or Sustainability Covered Bond Framework. The eligibility criteria of green categories comply with the recommendation of the Technical Expert Group final report on the EU Taxonomy published in March 2020, which establishes a system to classify environmentally-sustainable activities by setting out metrics and thresholds.

"**Crédit Mutuel Alliance Fédérale**" means Crédit Mutuel Alliance Fédérale and its two structures:

- the mutual banking structure (also called the regulatory scope) comprising the regional and local banks, the 13 federations as of 31 January 2020, and the Caisse Fédérale de Crédit Mutuel; and

The entry into force of the above-mentioned amendments to the legal and regulatory regime does not alter the qualification of covered bonds for bonds issued prior to 8 July 2022 and which already could qualify as such at such date, nor the prudential preferential treatments associated to this qualification.

Pursuant to Article L.513-28 of the French Monetary and Financial Code (*Code monétaire et financier*), the exclusive purpose of *sociétés de financement de l'habitat* is to grant or finance home loans (*prêts à l'habitat*) and to hold securities (*titres*) and, as of 8 July 2022, expositions and deposits (*expositions et dépôts*) in accordance with the regulatory provisions described above. Such advances will be secured by home loans transferred as collateral security (*remis en pleine propriété à titre de garantie*) (see section "*The Borrower and the Borrower Facility Agreement – The Borrower Facility Agreement*" and section "*The Collateral Security – The Collateral Security Agreement*").

The specific controller must verify the quality of the assets, the process of yearly revaluation and the quality of the asset liability management.

This cover ratio is published on the website of the Issuer (www.creditmutuel-homeloansfh.eu) four times a year and checked on a quarterly basis by the specific controller (*contrôleur spécifique*). In addition, the Issuer publishes on its website (<https://www.creditmutuel-homeloansfh.eu/en/covered-bonds/documentation/index-sfh.html>) under "Investor report" its latest Asset Cover Ratio. As of 31 December 2021, the Asset Cover Ratio was equal to 143.54%.

In addition, under the Collateral Security Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, shall monitor the Collateral Security Assets so as to ensure compliance with the Asset Cover Test, as further described in section "Asset Monitoring – The Asset Cover Test").

Regulatory Liquidity Test

Pursuant to Articles L.513-8 and R.513-7 of the French Monetary and Financial Code (*Code monétaire et financier*), a *société de financement de l'habitat* must ensure, at all times, the coverage of its liquidity needs (*besoins de trésorerie*) for the next one hundred and eighty (180) days, taking into account expected flows in principal and interests under their assets and net flows relating to forward financial instruments set forth in Article L.513-10 of the French Monetary and Financial Code (*Code monétaire et financier*).

For that purpose, when the assets comprise receivables secured by collateral assets pursuant to Articles L.211-36 to L.211-40, L.313-23 to L.313-35 and L.313-42 to L.313-49 of the French Monetary and Financial Code (*Code monétaire et financier*), prior to 8 July 2022, by substitute assets (*valeurs de remplacement*) such as Substitution Assets or by other assets that are eligible as collateral to credit transactions with the *Banque de France* in accordance with the monetary policy and intra-day credit operations rules of the Eurosystem, the *société de financement de l'habitat* must take into account the assets received as collateral rather than the secured receivables, *i.e.* in the case of the Issuer, the Eligible Assets.

As from 8 July 2022, the liquidity needs (*besoins de trésorerie*) may only be covered by liquid assets or short term exposures to credit institutions.

The unsecured receivables deemed to be in default in accordance with Article 178 of Regulation (EU) No. 575/2013 (Capital Requirements Regulation) of 26 June 2013, as amended, may not contribute to the calculation of the coverage ratio.

On the date of this Base Prospectus, such liquidity needs (*besoins de trésorerie*) are covered by the cash collateral to be funded from time to time by BFCM (as cash collateral provider) into the credit of the Cash Collateral Account up to an amount which enables the Issuer to comply with the regulatory liquidity test. The positive balance of the Cash Collateral Account may be invested only in Permitted Investments (which shall comply with the definition of Substitution Assets).

Privilège relating to the Covered Bonds and certain other obligations of the Issuer

Notwithstanding any legal provisions to the contrary (including book VI (*Livre VI*) of the French Commercial Code (*Code de commerce*)), pursuant to Article L.513-11 of the French Monetary and Financial Code (*Code monétaire et financier*):

- all amounts payable to the Issuer in respect of loans or assimilated receivables, exposures and securities (and, prior to 8 July 2022, replacement assets (*valeurs de remplacement*) and, as from 8 July 2022, deposits (*dépôts*)) referred to in Articles L.513-3 to L.513-7 of the French Monetary and Financial Code (*Code monétaire et financier*), including any mortgage, guarantee or indemnity relating to such assets, and forward financial instruments referred to in Article L.513-10 of the French Monetary and Financial Code (*Code monétaire et financier*) (in each case after any applicable netting), together with the receivables in respect of deposits made by the Issuer with credit institutions (*établissements de crédit*), are allocated in priority to the payment of any sums due in respect of the Covered Bonds, together with any other resources raised by the Issuer and benefiting from the *Privilège*; it should be noted that not only Covered Bonds benefit from the *Privilège*; other resources (such as certain loans) and forward financial instruments (such as Hedging Agreements (if any) for hedging Covered Bonds, such other resources and eligible assets of the Issuer, as well as the sums, if any, due under the contract provided for in Article L.513-15 of the French Monetary and Financial Code (*Code monétaire et financier*) may also benefit from the *Privilège*, provided that such benefit is duly mentioned pursuant to Article L.513-30-I of the French Monetary and Financial Code (*Code monétaire et financier*); and
- prior to 8 July 2022, in the event of conciliation proceedings (*procédure de conciliation*), safeguard proceedings (*procédure de sauvegarde*), judicial reorganisation proceedings (*procédure de redressement judiciaire*) or judicial liquidation proceedings (*procédure de liquidation judiciaire*) of the Issuer, and as from 8 July 2022, in case of safeguard (*sauvegarde*), judicial reorganisation (*redressement judiciaire*) or judicial liquidation (*liquidation judiciaire*) proceedings of the Issuer, or resolution proceedings opened pursuant to Article L.613-49 of the French Monetary and Financial Code (*Code monétaire et financier*) against the Issuer, all amounts due regularly under the Covered Bonds, together with any other resources benefiting from the *Privilège*, are paid on their contractual due date, and in priority to all other debts, whether or not preferred or secured, including interest resulting from agreements whatever their duration;

- until all Bondholders and all other creditors benefiting from the *Privilège* have been fully paid, no other creditor of the Issuer may avail itself of any right over the assets and rights of the Issuer, either in principal or interest; and
- prior to 8 July 2022, the judicial liquidation (*liquidation judiciaire*) of the Issuer will not result in the redemption of the Covered Bonds; and
- as from 8 July 2022, the safeguard (*sauvegarde*), judicial reorganisation (*redressement judiciaire*) or judicial liquidation (*liquidation judiciaire*) proceedings or resolution proceedings (opened pursuant to Article L.613-49 of the French Monetary and Financial Code (*Code monétaire et financier*)) against the Issuer will not result in the redemption of the Covered Bonds.

Insolvency remoteness

Article L.513-20 of the French Monetary and Financial Code (*Code monétaire et financier*) precludes the extension of insolvency proceedings in respect of the company (*société*) which holds shares of the *société de financement de l'habitat* to the *société de financement de l'habitat* itself.

The French Monetary and Financial Code (*Code monétaire et financier*) provides a regime of *société de financement de l'habitat*, which derogates in many ways from the French legal provisions relating to insolvency proceedings. In particular, in the event of safeguard proceedings (*procédure de sauvegarde*), judicial reorganisation proceedings (*procédure de redressement judiciaire*) or judicial liquidation proceedings (*procédure de liquidation judiciaire*) of a *société de financement de l'habitat*, all claims benefiting from the *Privilège*, including interest thereon, must be paid on their due dates and in preference to all other claims, whether or not secured or statutorily preferred and, until payment in full of all such preferred claims, no other creditors may avail itself of any right over the assets and rights of the *société de financement de l'habitat*.

Pursuant to Article L.513-31 of the French Monetary and Financial Code (*Code monétaire et financier*), the provisions of Article L.632-2 of the French Commercial Code (*Code de commerce*), allowing an administrative receiver to render certain transactions entered into during the hardening period (*période suspecte*) null and void are not applicable for agreements entered into by a *société de financement de l'habitat* or legal acts made by, or to the benefit of, a *société de financement de l'habitat*, provided that such agreements or acts are directly made in accordance with their exclusive legal purpose (Articles L.513-28 to L.513-30 of the French Monetary and Financial Code (*Code monétaire et financier*)) and without fraud.

Pursuant to Article L.513-21 of the French Monetary and Financial Code (*Code monétaire et financier*), in case of the opening of any safeguard proceedings (*procédure de sauvegarde*), judicial reorganisation proceedings (*procédure de redressement judiciaire*) or judicial liquidation proceedings (*procédure de liquidation judiciaire*) against the credit institution which is acting as manager and servicer of the assets and liabilities of the *société de financement de l'habitat*, the recovery, management and servicing contract may be immediately terminated by the *société de financement de l'habitat* notwithstanding any legal provisions to the contrary.

As a specialised credit institution (*établissement de crédit spécialisé*), the Issuer is subject to Directive 2014/59/EU of the European Parliament and of the Council of the European Union of 15 May 2014 establishing an EU-wide framework for the recovery and resolution of credit institutions and investment firms, as amended (the "**Bank Recovery and Resolution Directive**" or the "**BRRD**"), as implemented in France. With respect to the *obligations de financement de l'habitat* and other privileged notes, BRRD provides that the authority designated by each Member State of the European Union shall not exercise the write down or conversion powers in relation to secured liabilities including covered bonds and liabilities in the form of financial instruments used for hedging purposes which form an integral part of the cover pool and which according to national law are secured in a way similar to covered bonds, whether they are governed by the law of a member state of the European Union or of a third country. Nevertheless, relevant claims for the purposes of the write-down/conversion powers to ensure that capital instruments (including subordinated debt instruments) and eligible liabilities (including senior debt instruments such as the French Law Covered Bonds if junior instruments prove insufficient to absorb all losses) absorb losses of the issuing institution under resolution in accordance with a set order of priority would still include the claims of the holders in respect of any French Law Covered Bonds issued under the International Programme, only if and to the extent that the French Law Covered Bonds liability exceeded the value of the cover pool collateral against which it is secured. In such case, the write-down or conversion requirements could result in the full (*i.e.*, to zero) or partial write-down or conversion into ordinary shares or other instruments of ownership of the French Law Covered Bonds, or the variation of the terms of French Law Covered Bonds (for example, the maturity and/or interest payable may be altered and/or a temporary suspension of payments may be ordered).

Extendable maturity structure

The possibility for *sociétés de financement de l'habitat* to issue *obligations de financement de l'habitat* with extendable maturity structures has been more explicitly affirmed by a decree-law (*ordonnance*) No. 2021-858

dated 30 June 2021, a decree (*décret*) No. 2021-898 dated 6 July 2021 and a decree (*décret*) No. 2022-766 dated 2 May 2022. With respect to French Law Covered Bonds issued as from 8 July 2022, in accordance with Article L.513-30 and Article R.513-8-1 of the French Monetary and Financial Code (*Code monétaire et financier*), a *société de financement de l'habitat* may issue *obligations de financement de l'habitat* with extendable maturity structures, provided that (i) the final maturity date of such *obligations de financement de l'habitat* may be determined at any time and (ii) these cases of extension of the maturity date are specified in relevant maturity extension trigger(s), and may be one of the following cases (or all of them):

- (i) in the event of non-payment of the principal on the maturity date initially set by the Issuer, (x) the credit institution benefiting from loans granted by the Issuer and guaranteed by the remittance, the transfer or the pledge of receivables pursuant to Articles L.211-38 to L.211-40 or Articles L.313-23 to L.313-35 of the French Monetary and Financial Code (*Code monétaire et financier*), whether or not these receivables are of a professional nature or (y) the credit institution issuing promissory notes (*billets à ordre*) subscribed by the Issuer in accordance with the terms and conditions defined in Articles L.313-43 to L.313-48 of the French Monetary and Financial Code (*Code monétaire et financier*); and/or
- (ii) (x) the Issuer, (y) a credit institution benefiting from loans granted by the Issuer and guaranteed by the remittance, transfer or pledge of receivables pursuant to Articles L.211-38 to L.211-40 or Articles L.313-23 to L.313-35 of the French Monetary and Financial Code (*Code monétaire et financier*), whether or not these receivables are of a professional nature or (z) a credit institution issuing promissory notes (*billets à ordre*) subscribed by the Issuer in accordance with the provisions of Articles L.313-43 to L.313-48 of the French Monetary and Financial Code (*Code monétaire et financier*), being the subject of safeguard (*sauvegarde*), judicial reorganisation (*redressement judiciaire*) or judicial liquidation (*liquidation judiciaire*) proceedings, or resolution proceedings opened pursuant to Article L.613-49 of the French Monetary and Financial Code (*Code monétaire et financier*).

In the event of insolvency or resolution of the credit institution issuing the *obligations de financement de l'habitat* or in case of the default of payment mentioned in paragraph (i) above, extensions of maturity shall not affect the ranking of investors in the *obligations de financement de l'habitat* or reverse the order of the initial maturity schedule of the *obligations de financement de l'habitat*.

Labelling

With respect to *obligations de financement de l'habitat* that are to be issued as from 8 July 2022 (save for *obligations de financement de l'habitat* which are assimilated (*assimilées*) to and under the same legal regime as French Law Covered Bonds issued before 8 July 2022), pursuant to Article L.513-26-1 of the French Monetary and Financial Code (*Code monétaire et financier*), a *société de financement de l'habitat* may use:

- (i) the label "European Covered Bond" for the issuance of *obligations de financement de l'habitat* or other resources benefiting from the *Privilège*, provided that it complies with Articles L.513-28 to L.513-33 and R.513-19 to R.513-21 of the French Monetary and Financial Code (*Code monétaire et financier*); and
- (ii) the label "European Covered Bond (Premium)" for the issuance of *obligations de financement de l'habitat* or other resources benefiting from the *Privilège*, provided that it complies with Articles L.513-28 to L.513-33 and R.513-19 to R.513-21 of the French Monetary and Financial Code (*Code monétaire et financier*) and the provisions of Article 129 of Regulation (EU) No. 575/2013 of 26 June 2013 (as amended).

Furthermore, pursuant to Article 2 and Article 3 of instruction n° 2022-I-05 of the French Banking Authority (*Autorité de contrôle prudentiel et de résolution*), foreign law covered bonds may benefit from one of the abovementioned label, provided in particular that the *société de financement de l'habitat* confirm by a legal opinion that the submission of such covered bonds to foreign law does not preclude the enforcement of the legal and regulatory provisions applicable to the *société de financement de l'habitat* under French law, transposing the Covered Bond Directive, notably regarding the *Privilège*.

A *société de financement de l'habitat* may apply to one of the abovementioned label and then, provided it is eligible, decide whether or not to comply with. The Issuer has applied to the "European Covered Bond (Premium)" label.

The French Banking Authority (*Autorité de contrôle prudentiel et de résolution*) is responsible for the granting and supervision of both "European Covered Bond" and "European Covered Bond (Premium)" labels. In particular, the French Banking Authority (*Autorité de contrôle prudentiel et de résolution*) publishes the lists of *obligations de financement de l'habitat* that are entitled to use the labels "European Covered Bond" and "European Covered Bond (Premium)".

Such organisation is based on general accounting managed by CIC – accounting department "*Métiers & Filiales*". The Borrower Advances made available by the Issuer under the Borrower Facility Agreement and the issue of Covered Bonds are followed up by the back offices of BFCM in the KTP tool. This tool generates accounting information flows sent on a daily basis, by batch, to the central system. KTP also initiates the cash flows. The entire process is validated daily by the follow-up of the bank accounts. The inventories are generated monthly by KTP and also interfaced with the central system. These inventories are monitored by the *Contrôle Comptable et Réglementaire* and are used as a basis for regulatory information purposes, established by the accounting department of CIC.

The managing director of the Issuer shall keep the board of directors of the Issuer informed of the economic and financial situation of the Issuer and shall communicate any and all measures consisting of the system of the internal control as well as the main items and results which have been observed with respect to the risks to which the Issuer is exposed.

Procedures handbook

A procedures handbook notably sets out the conditions under which the recording, the management, the administration and the reporting of the information are performed as well as the accounting schemes and commitment procedures of the transactions. In the context of the *Convention d'externalisation et de mise à disposition de moyens*, each relevant party thereto is entrusted with the duties of updating the procedures handbook relating to its activities.

Internal control documentation

In the context of the *Convention d'externalisation et de mise à disposition de moyens*, a documentation on periodical and ongoing internal controls is prepared in order to be made available, upon request, to the board of directors of the Issuer, the statutory auditors of the Issuer and the French Banking Authority (*Autorité de contrôle prudentiel et de résolution*).

On the basis of the information collected by BFCM in the exercise of its mission, and of further information provided by the Issuer, BFCM shall submit to the Issuer, once a year, a report on the internal control in accordance with Article L.225-37 of the French Commercial Code (*Code de commerce*).

On the basis of the information collected by the persons in charge of the Group's compensation policies and practices in the exercise of their mission, and of further information provided by the Issuer, a report on the

compensation policies and practices, in accordance with article 43-1 of the *Règlement*, shall be prepared once a year.

Duty of care on money laundering transactions and fight against the financing of terrorist activities

The entities of the Group have a duty of care with respect to risks relating to money laundering and to fight against the financing of terrorist activities and have to inform the Issuer in the event they identify any such risk. However, the Issuer is primarily responsible of anti-money laundering, fight against the financing of terrorist activities and "know you customer" checks for the transactions the Issuer enters into.

In accordance with the provisions of the *Convention d'externalisation et de mise à disposition de moyens*, the Issuer benefits from the anti-money laundering and fight against the financing of terrorist activities procedures of the Group.

The TRACFIN representatives in charge of performing the above-mentioned tasks for the Issuer are those in charge at the level of BFCM.

Issuer Hedging Risk Management

Issuer hedging risk management before the occurrence of a Borrower Event of Default

The International Covered Bonds issued under the International Programme may be Fixed Rate Covered Bonds, Floating Rate Covered Bonds or Zero Coupon Covered Bonds. Each Series of French Law Covered Bonds will be denominated in any Specified Currency (see section "*Terms and Conditions of the French Law Covered Bonds*"). Other Covered Bonds issued under the International Programme or U.S. Programme may have similar features.

The determination of the currency and of the interest rate of each Series of Covered Bonds, as specified in each relevant Final Terms, shall be made by the Issuer regardless of the currencies in which the Collateral Security Assets are denominated and the interest rate conditions applicable, as the case may be, to such Collateral Security Assets.

The proceeds from the issuance of the Covered Bonds under the International Programme or the U.S. Programme will be used by the Issuer to fund Borrower Advances to be made available to the Borrower under the Borrower Facility. Save in respect of any Borrower Advance financed by Soft Bullet Covered Bonds, which Final Terms of Borrower Advance shall not provide for an extended maturity date, the terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall mirror the equivalent terms and conditions of the Covered Bonds funding such Borrower Advance, as further described hereunder and in the relevant Final Terms of the Borrower Advance (see section "*The Borrower and the Borrower Facility Agreement*").

The Issuer is therefore not exposed to any risk of an interest rate or currency mismatch arising between the payments received on the Borrower Advances and the payments to be made under the Covered Bonds. As a consequence, in the absence of any Borrower Event of Default, the Issuer will bear no current interest rate or currency risk.

Subject to the hedging risk management described below, before the enforcement of the Collateral Security, any interest rate or currency risk linked to the mismatch between the Collateral Security Assets and the Borrower Debt will be hedged according to the usual and current strategies and practices of the Group (the "**Hedging Current Practices**"). Under such Hedging Current Practices, any interest rate or currency risk linked to the mismatch between the Collateral Security Assets and the refinancing of each relevant CM-CIC Entities is hedged as follows:

- any such interest rate or currency risks borne by the CIC entities are hedged by BFCM through the refinancing provided by BFCM to these CIC entities;
- any such interest rate or currency risks borne by the Caisses de Crédit Mutuel (within the meaning of Article L.512-55 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*) affiliated to CFdeCM are hedged by CFdeCM through the refinancing provided by CFdeCM to the said Caisses de Crédit Mutuel, and then, by BFCM through the refinancing provided by BFCM to CFdeCM.

As a consequence, under the Hedging Current Practices, any interest rate or currency risk linked to the mismatch between the Collateral Security Assets and the refinancing of each relevant CM-CIC Entities is hedged directly or indirectly by BFCM.

Issuer hedging risk management following the occurrence of a Borrower Event of Default

The Issuer and the Borrower have executed a Hedging Approved Form Letter in order to define the hedging strategy to be applied by the Issuer to hedge any interest rate or currency risk arising from the mismatches between the terms and conditions of the Covered Bonds and the Collateral Security, following the occurrence of a Borrower Event of Default.

In order to mitigate or hedge such potential interest rate or currency risk, the Issuer may use different mechanisms:

- i. hedging mechanisms may include, without limitation, any hedging mechanism(s) such as without limitation, overcollateralisation, cash reserve, additional selection rules for the Home Loans or any other mechanism(s) which will comply with the specific legal requirements applicable to *sociétés de financement de l'habitat* and with the applicable rating agencies public methodologies and criteria which are commensurate to the then current rating of the International Covered Bonds;
- ii. any remaining risks may be hedged by the Issuer mainly by entering into hedging agreement (the "**Issuer Hedging Agreements**").

Each Issuer Hedging Agreement will provide that all amounts to be paid by the Issuer under such Issuer Hedging Agreement will be paid according to the then applicable relevant Priority Payment Order.

Any costs and expenses to be born by the Issuer when negotiating and/or entering into any Issuer Hedging Agreement (including, in particular, any sums to be paid to allow the Issuer Hedging Agreements to be transacted at the margin to be paid by the Borrower when hedging the interest and principal payable by the Issuer under a Series of Covered Bonds in the relevant Specified Currency, into floating rate flows and the margin to be received by the Issuer when hedging the interest and principal payable under the Collateral Security Assets in each relevant currency, given the market conditions prevailing at the time the Hedging Agreements are transacted (*soulte*)) shall be paid by BFCM. In particular, upon the termination of an Issuer Hedging Agreement, the Issuer or BFCM or any relevant eligible hedging provider(s), as applicable, may be liable to make a termination payment to the other party in accordance with the provisions of the relevant Issuer Hedging Agreement (the "**Issuer Hedging Subordinated Termination Costs**"). Such Issuer Hedging Subordinated Termination Costs, when to be paid by the Issuer and provided that the amount of such costs has not been reduced to zero (0) in accordance with the provisions of the relevant Hedging Agreement, shall be subordinated to payments under the Covered Bonds, according to the then applicable relevant Priority Payment Order.

Pursuant to the terms of the Issuer Hedging Agreements, in the event that the relevant ratings of the eligible hedging provider(s) (or its respective guarantor, as applicable) (the "**Hedging Provider**") is or are downgraded by a Rating Agency below the required ratings specified in the relevant Issuer Hedging Agreement and the relevant Hedging Provider will, in accordance with and pursuant to the terms of the relevant Issuer Hedging Agreement, be required to take certain remedial measures which may include one (1) or more of the following: (i) providing collateral for its obligations under the relevant Issuer Hedging Agreement; (ii) arranging for its obligations under the relevant Issuer Hedging Agreement to be transferred to a replacement hedging provider with the ratings required under the relevant methodologies of the Rating Agencies (as specified in the relevant Issuer Hedging Agreement); (iii) procuring another entity with the ratings required under the relevant methodologies of the Rating Agencies (as specified in the relevant Issuer Hedging Agreement) to become co-obligor in respect of its obligations under the relevant Issuer Hedging Agreement; and/or (iv) taking such other actions as the relevant Hedging Provider may required under the relevant methodologies of the Rating Agencies, as applicable. Each Issuer Hedging Agreement may be terminated in accordance with certain termination events and events of default.

An Issuer Event of Default will not constitute a termination event under any Issuer Hedging Agreement.

On the date of this Base Prospectus, the Issuer has entered into an Issuer Hedging Agreement with BFCM in order to hedge currency risks on Covered Bonds denominated in another Specified Currency other than Euro and a swap agreement with the Borrower mirroring any such Issuer Hedging Agreement (the "**Borrower Hedging Agreement**" and, together with any Issuer Hedging Agreement, the "**Hedging Agreements**") which may be terminated in accordance with certain termination events and events of default. In particular, a Borrower Event of Default will constitute a termination event under the Borrower Hedging Agreement but shall not constitute a termination event under the Issuer Hedging Agreement(s).

THE COLLATERAL SECURITY

The Collateral Security Agreement

Background

The Collateral Security Agreement refers to the agreement dated on or prior to the Programme Date, as amended from time to time, and made between (i) the Issuer, in its capacity as Lender, (ii) collateral providers (the "**Collateral Providers**") and (iii) BFCM, in its respective capacity as Borrower, Collateral Provider, Collateral Security Agent, Administrator and Issuer Calculation Agent (the "**Collateral Security Agreement**").

Secured Liabilities

The Collateral Security Agreement sets forth the terms and conditions upon which the Collateral Providers, represented by the Collateral Security Agent, shall transfer to the Lender the full ownership of Eligible Assets as collateral security (*remettre en pleine propriété à titre de garantie*) pursuant to Articles L.211-36 to L.211-40 of the French Monetary and Financial Code (*Code monétaire et financier*) (the "**Collateral Security**") for the benefit of the Lender in order to secure the payments, as they become due and payable, of all and any amounts owed by the Borrower under the Borrower Facility Agreement, whether in principal, interest, as fees, as indemnities or as guarantees and whether present or future (the "**Secured Liabilities**").

Collateral Providers on or about the Programme Date

On or about the Programme Date, the Collateral Providers, duly represented by the Collateral Security Agent, have entered into the Collateral Security Agreement. Under the Collateral Security Agreement, each of these Collateral Providers has represented and warranted for the benefit of the Issuer that, on the Programme Date, it complies with the Collateral Provider Eligibility Criteria.

Accession of Collateral Providers after the Programme Date

At any time after the Programme Date but prior to the occurrence of any Borrower Event of Default or any Issuer Event of Default which is continuing unremedied, and subject to the procedure described in the Collateral Security Agreement, any entity may access to the Collateral Security Agreement as Collateral Provider provided that:

- (a) it complies, upon its accession to the Collateral Security Agreement, with the Collateral Provider Eligibility Criteria; and
- (b) it is not already a Collateral Provider at such time.

Upon its accession to the Collateral Security Agreement and pursuant to the relevant terms and conditions of the Collateral Security Agreement, each acceding Collateral Provider shall have the same rights and obligations as those of the other Collateral Providers.

Withdrawal of Collateral Providers

At any time after the Programme Date but prior to the occurrence of any Borrower Event of Default or any Issuer Event of Default which is continuing unremedied, any Collateral Provider (except BFCM) may withdraw from the Collateral Security Agreement, provided that such withdrawal does not and is not likely to cause any Borrower Event of Default (including the occurrence of a Breach of Asset Cover Test). As further described in the Collateral Security Agreement, such withdrawal shall be subject to the following conditions precedent:

- (a) the issuance by the Collateral Security Agent (acting in the name and on behalf of the relevant Collateral Provider(s)) of a withdrawal letter (a "**Withdrawal Letter**");
- (b) the notification by each of the Issuer, the Administrator, the Issuer Calculation Agent and the Collateral Security Agent to the relevant withdrawing Collateral Provider(s) (or to any of its representatives) indicating its acceptance of the withdrawal of such Collateral Provider, by way of signature of the relevant Withdrawal Letter, it being provided that the Collateral Security Agent shall execute such Withdrawal Letter in its own name and on its own behalf but also in the name and on behalf of each of the relevant Collateral Provider(s);
- (c) the confirmation by the Issuer Calculation Agent that such withdrawal does not and is not likely to cause any Borrower Event of Default; and
- (d) the Issuer Calculation Agent shall have controlled and certified in writing to the Issuer that the Home Loan Receivables transferred as Collateral Security by the withdrawing Collateral Provider(s) have been properly identified and that the withdrawal of such Collateral Provider(s), the subsequent release of Home Loan Receivables transferred as Collateral Security by it/them, shall not result in a Non Compliance with Asset Cover Test. For such purpose, provided that the aggregate Home Loan Outstanding Principal Amount of

the Home Loan Receivables transferred as Collateral Security by the withdrawing Collateral Provider(s) exceeds one per cent. (1%) of the aggregate Home Loan Outstanding Principal Amount of the Home Loan Receivables transferred as Collateral Security by any and all Collateral Provider(s), the Issuer Calculation Agent shall recalculate the Weighted Average Recovery Rate ("WARR"), the Weighted Average Frequency of Foreclosure ("WAFF"), the Weighted Average Loss Severity ("WALS") and the Asset Percentage that would be applicable following the release of the Home Loans Receivables transferred by such withdrawing Collateral Provider(s) as Collateral Security.

For such purpose, "**Home Loan Outstanding Principal Amount**" means, with respect to each relevant Home Loan, the amount of principal outstanding at the relevant date under such relevant Home Loan.

Upon its withdrawal from the Collateral Security Agreement and pursuant to the relevant terms and conditions of the Collateral Security Agreement, each withdrawn Collateral Provider shall have no rights or obligations under the Collateral Security Agreement and the Home Loans Receivables transferred as Collateral Security by such withdrawn Collateral Provider shall be automatically released without any further formality.

At all times after the Programme Date, the Collateral Security Agent shall keep an updated list of the Collateral Providers, containing sufficient details of such Collateral Providers and taking into account any accession or withdrawal made pursuant to the Collateral Security Agreement and any other material events affecting the legal and financial situation of the Collateral Providers (and in particular the compliance with the Collateral Provider Eligibility Criteria). Such list shall be communicated by the Collateral Security Agent to the Issuer, the Administrator and/or the Issuer Calculation Agent, promptly upon their request.

For the purposes of the Collateral Security Agreement, each Collateral Provider transferring Collateral Security shall, at the end of the current calendar month, comply with all the following cumulative Collateral Provider Eligibility Criteria (the "**Collateral Provider Eligibility Criteria**"):

In accordance with the Collateral Security Agreement, each Collateral Provider has appointed BFCM as its agent (*mandataire*) under and in connection with the Collateral Security Agreement and in particular in order to manage the Collateral Security in the name and on behalf of the Collateral Providers (the "**Collateral Security Agent**").

The Collateral Security Agent will not resign from the duties and obligations imposed on it as Collateral Security Agent pursuant to the Collateral Security Agreement, except upon a determination that the performance of its duties under the Collateral Security Agreement shall no longer be permissible under the applicable law, such determination to be evidenced by the delivery to the Issuer of an external counsel's opinion to such effect. No such resignation shall become effective before the date upon which the Collateral Security Agent becomes unable to act as Collateral Security Agent, as specified in the external counsel's opinion.

Collateral Security Agent's Defaults

Collateral Security Agent's Defaults will occur upon *inter alia* the occurrence of the following events:

- (a) any material representation or warranty made by the Collateral Security Agent is or proves to have been incorrect or misleading in any material respect when made, and the same is not remedied (if capable of remedy) within sixty (60) Business Days after the Issuer has given notice thereof to the Collateral Security Agent or (if sooner) the Collateral Security Agent has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;

If a Collateral Security Agent Rating Trigger Event occurs, the Collateral Security Agent will notify the Issuer in writing of the occurrence of the Collateral Security Agent Rating Trigger Event within five (5) Business Days from the date upon which it becomes aware of such event and this will constitute a Collateral Security Agent Termination Event.

For such purposes, "**Collateral Security Agent Rating Trigger Event**" means the event in which the Relevant Rated Obligations of the Collateral Security Agent become rated below BBB by S&P or BBB by Fitch or Baa2 by Moody's.

Upon receipt by the Collateral Security Agent of the Notice of Termination, the appointment of the Collateral Security Agent will terminate with effect:

If it is confirmed that a Home Loan ceases to comply with one or several of the above Home Loan Eligibility Criteria (each an "**Ineligible Home Loan**"), any Home Loan Receivables transferred as Collateral Security under such Ineligible Home Loan shall account for zero for the purpose of calculation of the Asset Cover Test on the relevant Asset Cover Test Date (see section "*Asset Monitoring – Asset Cover Test*"). In addition, the Collateral Security Agent, acting in the name and on behalf of the relevant Collateral Provider(s), may request that such Ineligible Home Loan Receivables be released from the scope of the Collateral Security.

Any Eligible Asset transferred subject to, and in accordance with, the Collateral Security Agreement will automatically form part of the Collateral Security, and the Issuer shall have the full ownership of such assets, until final release and discharge, but without prejudice to substitutions and partial releases which may occur in accordance with the provisions of the Collateral Security Agreement.

The Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, shall monitor the Collateral Security Assets so as to at all times comply with the Asset Cover Test (as further described in "**Asset Monitoring – The Asset Cover Test**").

In particular, the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, may at any time add, substitute or release Collateral Security Assets (including Home Loan Receivables arising from Ineligible Home Loans) from the scope of the Collateral Security. However, without prejudice to the transfer requirements provided for in the Collateral Security, any such addition, substitution and/or release shall be effective only subject to confirmation by the Issuer Calculation Agent that a Non Compliance with Asset Cover Test would not occur as a result of such addition, substitution and/or release. For such purpose, the Issuer Calculation Agent shall recalculate the Asset Percentage (as defined in "*Asset Monitoring – The Asset Cover Test*") that would be applicable following such addition, substitution and/or release each time any such addition, substitution or release is requested by the Collateral Security Agent.

Upon Non Compliance with the Asset Cover Test on any applicable test date, the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, shall cure such non compliance by:

- (a) causing the Collateral Providers to transfer additional or substitute Eligible Assets as Collateral Security pursuant to the relevant terms of the Collateral Security Agreement; and/or

Each Asset Report shall include the relevant data and information with respect to the relevant assets.

The Collateral Security Agent and the Collateral Providers shall furthermore, in accordance with the Servicing Procedures, establish, maintain or cause to be maintained and furthermore administer at all times accurate, complete and up-to-date records with respect to the Collateral Security Assets.

For the purpose of satisfying itself as to whether the Collateral Security Assets remain Eligible Assets or control Asset Reports, the Issuer (or any agent acting on its behalf) is granted the access to the Collateral Security Agent's premises and to the Collateral Providers' premises, or to premises where the Asset Records are located, in order to inspect or audit such Asset Records (such right of inspection or audit including taking copies of all or any document or data).

If a Servicing Rating Trigger Event occurs with respect to the Borrower, the Administrator will notify the Issuer in writing of the occurrence of such event and then within thirty (30) Business Days of such occurrence, the Issuer and the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, will use reasonable endeavours to appoint a new servicer (whose Relevant Rated Obligations (if rated) are rated at least BBB by S&P, or BBB- by Fitch or Baa2 by Moody's), for the servicing of the Collateral Security Assets transferred by the Borrower and by the Caisses de Crédit Mutuel which form part of the Crédit Mutuel Alliance Fédérale.

If a Servicing Rating Trigger Event occurs with respect to CIC, the Administrator will notify the Issuer in writing of the occurrence of such event and then within thirty (30) Business Days of such occurrence, the Issuer and the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, will use reasonable endeavours to appoint a new servicer (whose Relevant Rated Obligations (if rated) are rated at least BBB by S&P or BBB- by Fitch or Baa2 by Moody's), for the servicing of the Collateral Security Assets transferred by the Collateral Providers being subsidiaries of the Borrower.

For such purposes, "**Servicing Rating Trigger Event**" means, with respect to the Borrower or CIC, as applicable, the event in which its Relevant Rated Obligations become rated below BBB by S&P, or BBB- by Fitch or Baa2 by Moody's.

For the purpose hereof:

"**Asset Records**" means:

- (a) the computer and manual records, files, internal data, books and all other information (including information stored in information systems) related to the Collateral Security Assets, together with the underlying contracts and other documents evidencing title of the relevant entity to such assets (including, with respect to Home Loans, the related Home Loan Security); and
- (b) the records, files, internal data, computer systems and all other information related to the Collection Accounts and the operation of the same.

"**Collection Accounts**" means any and all bank accounts, opened in the name of a Collateral Provider to collect interest and principal paid under the Home Loan Receivables transferred as Collateral Security, as specified from time to time to the Issuer Calculation Agent pursuant to the relevant terms of the Collateral Security Agreement.

Collateral Security Fee

The Borrower shall pay to the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers (except BFCM), a remuneration for the commitment of such Collateral Providers to transfer assets as Collateral Security under the Collateral Security Agreement (the "**Collateral Security Fee**"). For each Collateral Provider (except BFCM), such Collateral Security Fee shall be calculated as follows: (i) the Borrower will estimate the financial costs incurred under the Borrower Debt, should the Collateral Security not be transferred by the Collateral Providers and determine the financial cost saved due to the transfer of such Collateral Security (the "**Financial Saving**"), and (ii) an amount equal to the Financial Saving shall be distributed as Collateral Security Fee to the Collateral Providers on the basis of the total nominal amount of the Home Loans owned by such Collateral Provider and which meet the Home Loan Eligibility Criteria as at the last Selection Date.

Representations, warranties and undertakings

The Collateral Security Agent and the Collateral Providers have made customary representations, warranties and undertakings in favour of the Issuer, such representations and warranties being given on the execution date of the Collateral Security Agreement and continuing until satisfaction in full of the Secured Liabilities.

Collection Loss Trigger Event

In case the Relevant Rated Obligations of the Borrower are below F1 (short term) or A- (long-term) (Fitch) or in case the Relevant Rated Obligations of CIC are below F1 (short term) or A- (long-term) (Fitch) (each a "**Pre-Collection Loss Trigger Event**") and within ten (10) Business Days from the occurrence of such Pre-Collection Loss Trigger Event, the Borrower shall be required to pay into the credit of a bank account to be opened within such period in its name and in the books of the Issuer Accounts Bank (the "**Collection Loss Reserve Account**") and maintain, as long as such Pre-Collection Loss Trigger Event is continuing, an amount equal to the interests, fees, costs, expenses, taxes and other ancillary sums (excluding principal amounts) due in relation to the then outstanding Covered Bonds during the three (3) following calendar months. Upon the occurrence of such Pre-Collection Loss Trigger Event, the Borrower shall report to the Issuer, the Administrator and the Issuer Calculation Agent (with a copy to the Rating Agencies) within the above-mentioned ten (10) Business Day-period, the occurrence of such Pre-Collection Loss Trigger Event.

Upon the termination of the Pre-Collection Loss Trigger Event, the Borrower shall report such termination to the Issuer, the Administrator and the Issuer Calculation Agent (with a copy to the Rating Agencies). Following such notification, the Borrower shall no more be required to fund the Collection Loss Reserve Account and the amounts credited to such account shall be released by the Issuer and transferred to the Borrower (provided that no Collection Loss Trigger Event has occurred and is continuing).

In case the Relevant Rated Obligations of the Borrower are below A-2 (short-term) (S&P), F2 (short term) or BBB (long-term) (Fitch) or P-1 (Moody's) or in case the Relevant Rated Obligations of CIC are below A-2 (short-term) (S&P), F2 (short term) or BBB (long-term) (Fitch) or P-1 (Moody's) (each a "**Collection Loss Trigger Event**") and within ten (10) Business Days from the occurrence of such Collection Loss Trigger Event, the Borrower shall be required to pay into the credit of a bank account to be opened within such period in its name and in the books of the Issuer Accounts Bank (the "**Collection Loss Reserve Account**") and maintain, as long as such Collection Loss Trigger Event is continuing, the greater of the two following amounts: (i) an amount equal to collections received by the Collateral Providers under the Home Loans transferred as Collateral Security during the three (3) last calendar months and (ii) an amount equal to the interests, fees, costs, expenses, taxes and other ancillary sums (excluding principal amounts) due in relation to the then outstanding Covered Bonds during the three (3) following calendar months. Upon the occurrence of such Collection Loss Trigger Event, the Borrower shall report to the Issuer, the Administrator and the Issuer Calculation Agent (with a copy to the Rating Agencies) within the above-mentioned ten (10) Business Day-period, the occurrence of such Collection Loss Trigger Event.

For the avoidance of doubt, following the occurrence of any Collection Loss Trigger Event and as long as any Collection Loss Trigger Event is continuing, the obligation of the Borrower to credit the Collection Loss Reserve Account following the occurrence of any Collection Loss Trigger Event shall replace the obligation of the Borrower to credit the Collection Loss Reserve Account following the occurrence of the Pre-Collection Loss Trigger Event.

Upon the termination of all Collection Loss Trigger Events, the Borrower shall report such termination to the Issuer, the Administrator and the Issuer Calculation Agent (with a copy to the Rating Agencies). Following such notification, the Borrower shall no more be required to fund the Collection Loss Reserve Account and the amounts credited to such account shall be released by the Issuer and transferred to the Borrower (but without prejudice to the application of the provisions related to the occurrence of the Pre-Collection Loss Trigger Event).

All cash credited to the Collection Loss Reserve Account as described above shall be granted as Collateral Security subject to, and in accordance with, the relevant terms of the Collateral Security Agreement and shall secure the Secured Liabilities as they become due and payable.

Failure by the Borrower to fund the Collection Loss Reserve Account up to the required amount within the required period following the occurrence date of the Pre-Collection Loss Trigger Event or any Collection Loss Trigger Event, as long as it is continuing, shall constitute a "**Breach of Collection Loss Reserve Funding Requirement**" within the meaning of the Collateral Security Agreement. A Breach of Collection Loss Reserve Funding Requirement shall result in the occurrence of a "**Borrower Event of Default**" under the Borrower Facility Agreement.

Home Loan Guarantee Trigger Events

Upon the downgrading of the credit rating of the Borrower below A- (long-term) (S&P) or A- (long-term) (Fitch) or A3 (long-term) (Moody's) (the "**Level 1 Home Loan Guarantee Trigger Event**") (and for as long as such Level 1 Home Loan Guarantee Trigger Event is not remedied) and within ten (10) Business Days from the occurrence of such Level 1 Home Loan Guarantee Trigger Event, the Borrower shall be required to pay and

maintain into a dedicated bank account to be opened within such period in its name and in the books of the Issuer Accounts Bank (the "**Mortgages Registration Reserve Account**") an amount equal to the registration costs of mortgages or similar legal privileges (*hypothèque* or *privilège de prêteur de deniers*) securing the repayment of any Home Loans transferred as Collateral Security and secured by Home Loan Guarantees granted by *Cautionnement Mutuel de l'Habitat* (CMH), to be incurred by the relevant Collateral Providers and/or by the *Cautionnement Mutuel de l'Habitat* (CMH) should they register such mortgages or similar legal privileges on behalf of the Issuer (the "**Mortgage Registration Costs**"). The amount of such Mortgage Registration Costs will be estimated by the Issuer (or by any of its representatives) and communicated to the Rating Agencies prior being applied.

All cash credited to the Mortgages Registration Reserve Account as described above shall be granted as Collateral Security subject to, and in accordance with, the relevant terms of the Collateral Security Agreement and shall secure the Secured Liabilities as they become due and payable.

Failure by the Borrower to fund the Mortgages Registration Reserve Account up to the required amount within the required period following the occurrence of a Level 1 Home Loan Guarantee Trigger Event shall result in the occurrence of a "**Borrower Event of Default**" under the Borrower Facility Agreement.

Upon the downgrading of the credit rating of the Borrower below BBB (long-term) (S&P) or BBB (long-term) (Fitch) or Baa2 (long-term) (Moody's) (the "**Level 2 Home Loan Guarantee Trigger Event**") and within sixty (60) days from the occurrence of such Level 2 Home Loan Guarantee Trigger Event:

- (a) - the Borrower and each relevant Collateral Provider, acting on behalf of the Issuer, shall (i) pursuant to the relevant Home Loan contractual documentation, use all reasonable efforts to initiate and to continue the process of creating and registering, in the name of the relevant Collateral Providers, the mortgages or similar legal privileges (*hypothèque* or *privilège de prêteur de deniers*) to secure the repayment of any Home Loans granted as Collateral Security and secured by Home Loan Guarantees granted by *Cautionnement Mutuel de l'Habitat* (CMH) or (ii) ensure that *Cautionnement Mutuel de l'Habitat* (CMH) uses all reasonable efforts to initiate and to continue the process of creating and registering, in the name of the Issuer, the mortgages or similar legal privileges (*hypothèque* or *privilège de prêteur de deniers*) to secure the repayment of any Home Loans already secured by Home Loan Guarantees granted by *Cautionnement Mutuel de l'Habitat* (CMH); and
 - if required by *Cautionnement Mutuel de l'Habitat* (CMH) and/or by the relevant Collateral Providers, the Borrower shall reimburse the same with the registration costs of the mortgages or similar legal privileges mentioned above, as the case may be, from sums credited to the Mortgages Registration Reserve Account; it being provided that the Borrower shall not use the sums credited to the Mortgages Registration Reserve Account for any other purposes than such reimbursement; or
- (b) the Borrower shall ensure that the commitment of *Cautionnement Mutuel de l'Habitat* (CMH) under the Home Loan Guarantees granted by *Cautionnement Mutuel de l'Habitat* (CMH) and securing the repayment of Home Loans granted as Collateral Security is fully guaranteed or insured by an Eligible CMH Guarantor (the "**CMH Guarantee**").

Upon the occurrence of a Level 2 Home Loan Guarantee Trigger Event, and within one hundred and twenty (120) days from the occurrence of such Level 2 Home Loan Guarantee Trigger Event, and provided that the CMH Guarantee has not been implemented at such time, any Home Loans Receivables (i) transferred as Collateral Security and secured by Home Loan Guarantees granted by *Cautionnement Mutuel de l'Habitat* (CMH) (ii) which is not secured by a mortgages or similar legal privileges (*hypothèque* or *privilège de prêteur de deniers*) shall account for zero for the purpose of calculation of the Asset Cover Test on any relevant Asset Cover Test Date (see section "*Asset Monitoring – The Asset Cover Test*") and, as applicable, shall account for zero for the purpose of calculation of the Amortisation Test on any relevant Amortisation Test Date (see section "*Asset Monitoring – The Amortisation Test*"). In addition, the Collateral Security Agent, acting in the name and on behalf of the relevant Collateral Provider(s), may request that such Home Loan Receivables be released from the scope of the Collateral Security.

For such purposes,

"**Eligible CMH Guarantor**" means a financial institution which meets the following conditions:

- such financial institution is permitted under any applicable and relevant law to provide guarantees; and
- (i) the rating of its Relevant Rated Obligations under the CMH Guarantee is at least a CMH Guarantor Required Rating, or (ii) the rating of the Relevant Rated Obligations of the guarantor of its obligations under the CMH Guarantee is at least a CMH Guarantor Required Rating, or (iii) this

financial institution has provided collateral for its obligations and taken any remedial action as required under the relevant methodologies of the Rating Agencies.

"**CMH Guarantor Required Rating**" means, with respect to any guarantor granting a CMH Guarantee or, as applicable, its guarantor under the relevant guarantee, A- (long-term) (S&P) and A- (long-term) (Fitch) and A3 (long-term) (Moody's).

Enforcement

Upon the service by the Issuer (represented by the Administrator or the Substitute Administrator, or any representative or agent acting on its behalf) of a Borrower Enforcement Notice subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement following the occurrence of a Borrower Event of Default, the Issuer (represented by the Administrator or the Substitute Administrator, or any representative or agent acting on its behalf) shall be entitled to exercise all rights, actions and privileges with respect to the Collateral Security Assets as granted to a secured creditor in accordance with paragraph II, 3° of Article L.211-38 of the French Monetary and Financial Code (*Code monétaire et financier*). - (b) each such notice (a "**Notice to Debtor**") shall also mention, as applicable, the new payment instructions to be observed by the debtor with respect to the payment of sums due under the Collateral Security Assets and/or the related Asset Contractual Documentation. In any such case, any relevant debtor shall then pay the sums payable by it under each transferred receivables directly to the Issuer. Any payment made by any debtor to the Borrower as from the date of receipt of a Notice to Debtor will not discharge such debtor of its obligations under the relevant Collateral Security Assets and/or the related Asset Contractual Documentation;
- (c) the Issuer (represented by the Administrator or the Substitute Administrator, or any representative or agent acting on its behalf) shall exercise all its rights, discretions, privileges and remedies under the Collateral Security Assets, or any related Asset Records and related documents, including, without formality whatsoever, all rights of title, all discretions, benefits and all other rights in relation to any right, privilege, guarantee or security interest (*droit accessoire, privilège, garantie ou sûreté*) ancillary or as the case may be attached to such Collateral Security Assets (and, in particular, any and all relevant Home Loan Security) whatever the value of Collateral Security Assets at the time of the service of the Borrower Enforcement Notice and shall be entitled to dispose of, transfer, sale or cause to be sold, any or all of the Collateral Security Assets, but subject to the repayment claim (*créances de restitution*) of the Collateral Providers against the Issuer;
- (d) the Collateral Providers shall no longer be entitled to service the Collateral Security Assets and shall refrain from taking any action whatsoever in connection with the Collateral Security Assets or vis à vis the debtors, except upon the written prior instructions of the Issuer, the Administrator or any representative or agent acting on the Issuer's or the Administrator's behalf; and
- (e) upon the instructions of the Issuer (represented by the Administrator or the Substitute Administrator, or any representative or agent acting on its behalf), the Collateral Providers Agent, the Collateral Providers and the Borrower shall:
 - (i) deliver such Asset Records and related documents as well as the deeds, acts, agreements and contractual documents governing the Collateral Security Assets and Asset Contractual Documentation to the Issuer, (represented by the Administrator or the Substitute Administrator, or any representative or agent acting on its behalf) to such place as the same may reasonably designate;
 - (ii) grant the Issuer (represented by the Administrator or the Substitute Administrator, or any representative or agent acting on its behalf) reasonable access to its facilities, premises, computer and/or software systems; and
 - (iii) take all steps and do all things and cooperate in good faith to enable any entity which shall have been appointed as Substitute Administrator in replacement of the Administrator to take over its duties in such capacity.

For the purpose hereof:

"**Asset Contractual Documentation**" means, in relation to any and all Collateral Security Assets, all originals or executive or true copies (*copies exécutoires*) of any contract, instrument or other document (such as riders, waivers and amendments) providing for the terms and conditions of, and/or evidencing title and benefit to, such Collateral Security Assets and any right, privilege, guarantee or security interest (*droit accessoire, privilège, garantie ou sûreté*) ancillary or as the case may be attached thereto (and, in particular, any and all relevant Home Loan Security).

Pursuant to Article L.211-40 of the French Monetary and Financial Code (*Code monétaire et financier*), no right of the Issuer to enforce the Collateral Security shall be in any manner affected or limited by any insolvency proceedings mentioned under the book VI of the French Commercial Code (*Livre VI du Code de Commerce*) which would have been opened with respect to the Collateral Providers or any of its assets.

Application of proceeds

Once the Issuer shall have been vested in all rights of title, discretions, benefits and other rights with respect to any and all the Collateral Security Assets following enforcement of the Collateral Security, any principal and interest payments, distributions, sale or liquidation proceeds and other sums (together, the "**Enforcement Proceeds**") received by the Issuer thereunder shall be held by the Issuer as cash collateral (*gage-espèces*) for the satisfaction in full of the Secured Liabilities.

Subject to the discharge in full of all the Secured Liabilities, the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, shall have the right to claim against the Issuer for repayment (*créance de restitution*) of the portion of the Enforcement Proceeds received by the Issuer and not applied to the satisfaction of the Secured Liabilities. Such repayment by the Issuer to the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, shall be made as soon as reasonably practicable following the day upon which all sums due under any and all the Tranches and Series of Covered Bonds shall have been repaid in full.

Limited Recourse – Non Petition

The Collateral Security Agreement includes Limited Recourse and Non petition provisions, as described in section "*Issuer's Activities – Limited Recourse*" and section "*Issuer's Activities – Non-Petition*".

Amendment

No amendment, modification, alteration or supplement shall be made to the Collateral Security Agreement without prior Rating Affirmation if the same materially and adversely affects the interest of the Issuer or the Bondholders.

For the avoidance of doubt, the Collateral Security Agreement may be amended, modified, altered or supplemented without prior Rating Affirmation:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to evidence or effect the transition of any party to the Collateral Security Agreement to any successor;
- (c) to add to the undertakings and other obligations of the Collateral Security Agent and/or of the Collateral Providers under the Collateral Security Agreement; or
- (d) to comply with any mandatory requirements of applicable laws and regulations.

Governing Law – Jurisdiction

The Collateral Security Agreement shall be governed by, and construed in accordance with, French law. The parties to the Collateral Security Agreement have agreed to submit any dispute that may arise in connection with the Collateral Security Agreement to the jurisdiction of the competent court of Paris.

The Cash Collateral Agreement

Background

The Cash Collateral Agreement refers to the agreement dated on or prior to the Programme Date and made between (i) the Issuer in its capacity as Lender, and (ii) BFCM in its capacity as Cash Collateral Provider (the "**Cash Collateral Provider**"), Administrator and Issuer Calculation Agent (the "**Cash Collateral Agreement**").

Secured Liabilities

The Cash Collateral Agreement sets forth the terms and conditions upon which the Cash Collateral Provider shall fund certain amounts as cash collateral (*gage espèces*) (each a "**Cash Collateral**") into the Cash Collateral Account so as to secure the payments, as they become due and payable, of all and any amounts owed by the Borrower under the Borrower Facility Agreement, whether in principal, interest, as fees, as indemnities or as guarantees and whether present or future (the "**Secured Liabilities**").

Creation and Perfection

Any Cash Collateral shall be created upon credit of the corresponding sums into the Cash Collateral Account.

The perfection of each Cash Collateral shall not be conditional upon any formality. Each Cash Collateral shall entail the transfer of title in favour of the Issuer with respect to the relevant cash funded into the Cash Collateral Account.

Cash at any time standing to the credit of the Cash Collateral Account may be invested only in Permitted Investments whose maturity is earlier than the Final Maturity Date (or, as the case may be, with respect to Soft Bullet Covered Bonds, the Extended Final Maturity Date) of the relevant Series of Covered Bonds.

Pre-Maturity Test

The Cash Collateral Provider shall be requested to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount upon non compliance by the Borrower of certain pre-maturity ratings levels following the occurrence date of such non compliance and during a certain pre-maturity test period (as further described in "**Asset Monitoring – The Pre-Maturity Test**").

Failure by the Cash Collateral Provider to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount within the required period following any non compliance with the relevant pre-maturity ratings levels and on any relevant test date following such non compliance shall constitute a Breach of Pre-Maturity Test under the Cash Collateral Agreement which breach shall in turn result in the occurrence of a Borrower Event of Default under the Borrower Facility Agreement.

Regulatory Liquidity Test

In order to enable the Issuer to meet its obligation to cover its liquidity needs in accordance with the legal framework applicable to a *société de financement de l'habitat* and pursuant to the provisions of the Cash Collateral Agreement, at any time before the occurrence of a Borrower Event of Default under the Borrower Facility Agreement, the Cash Collateral Provider shall be requested to fund as Cash Collateral into the Cash Collateral Account an amount equal to, on each calendar day, the amount corresponding to the liquidity needs of the Issuer for the next following one hundred and eighty (180) days calculated in accordance with the provisions of Articles L.513-8 and R.513-7 of the French Monetary and Financial Code (*Code monétaire et financier*) (as it may be amended from time to time) (as further described in "**Asset Monitoring – The Regulatory Liquidity Test**").

Failure by the Cash Collateral Provider to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount within the required period following any non compliance with the amount required for compliance with the Regulatory Liquidity Test and on any relevant test date following such non compliance shall constitute a Breach of Regulatory Liquidity Test under the Cash Collateral Agreement which breach shall in turn result in the occurrence of a Borrower Event of Default under the Borrower Facility Agreement.

Representations, warranties and undertakings

The Cash Collateral Provider has made the customary representations and warranties and undertakings to the Issuer, the representations and warranties being given on the execution date of the Cash Collateral Agreement and continuing until satisfaction in full of the Secured Liabilities.

Enforcement

Upon the service of a Borrower Enforcement Notice subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement following the occurrence of a Borrower Event of Default, the Issuer (represented by the Administrator or the Substitute Administrator, or any representative or agent acting on its behalf) shall be entitled to apply all sums standing to the credit of the Cash Collateral Account in satisfaction of all the Secured Liabilities.

Any sum remaining to the credit of the Cash Collateral Account after satisfaction in full of the Secured Liabilities shall be promptly repaid to the Borrower.

Conditions of enforcement

Enforcement requires no other formality whatsoever (including the necessity to obtain a court order or conduct an auction), any notification requirements (to the Borrower, the Cash Collateral Provider or any other person) nor any other procedures.

No right of the Issuer to enforce its rights under the Cash Collateral Agreement shall be in any manner affected or limited by any insolvency proceedings with respect to the Borrower.

Limited Recourse – Non Petition

The Cash Collateral Agreement includes Limited Recourse and Non petition provisions, as described in section "*Issuer's Activities – Limited Recourse*" and section "*Issuer's Activities – Non – Petition*".

Amendment

No amendment, modification, alteration or supplement shall be made to the Cash Collateral Agreement without prior Rating Affirmation if the same materially and adversely affects the interest of the Issuer or the Bondholders.

For the avoidance of doubt, the Cash Collateral Agreement may be amended, modified, altered or supplemented without prior Rating Affirmation:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to evidence or effect the transition of any party to the Cash Collateral Agreement to any successor;
- (c) to add to the undertakings and other obligations of the Cash Collateral Provider under the Cash Collateral Agreement; or
- (d) to comply with any mandatory requirements of applicable laws and regulations.

Governing Law – Jurisdiction

The Cash Collateral Agreement shall be governed by, and construed in accordance with, French law. The Issuer and the Cash Collateral Provider have agreed to submit any dispute that may arise in connection with the Cash Collateral Agreement to the jurisdiction of the competent court of Paris.

ASSET MONITORING

In accordance with Articles L.513-23 and L.513-32 of the French Monetary and Financial Code (*Code monétaire et financier*), the specific controller (*Contrôleur spécifique*) ensures that the Issuer complies with the French Monetary and Financial Code (*Code monétaire et financier*) (in particular, verifying the quality and the eligibility of the assets and the cover ratios), monitors the balance between the Issuer's assets and liabilities in terms of rates and maturity (cash flow adequacy) and ensures that the Eligible Assets transferred as collateral security (*remis en pleine propriété à titre de garantie*) in order to secure Borrower Advances, comply with the provisions of Articles L.513-28 and L.513-29 of the French Monetary and Financial Code (*Code monétaire et financier*) (for further description, see section "*The Issuer - Specific Controller (Contrôleur spécifique)*" and section "*Main features of the legislation and regulations relating to sociétés de financement de l'habitat*").

Without prejudice to the Articles L.513-23 and L.513-32 of the French Monetary and Financial Code (*Code monétaire et financier*), under the Collateral Security Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Collateral Security Agent and the Collateral Providers shall monitor the Collateral Security Assets so as to ensure compliance with an asset cover test (the "**Asset Cover Test**").

Under the Cash Collateral Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Borrower shall fund the Cash Collateral Account up to an amount sufficient so as to ensure compliance with a pre-maturity test (the "**Pre-Maturity Test**") and with a regulatory liquidity test (the "**Regulatory Liquidity Test**").

Under Condition 6(c) and following the enforcement of a Borrower Event of Default subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Issuer shall ensure compliance with an amortisation test (the "**Amortisation Test**").

The Asset Cover Test

The following terms shall have the following definitions:

"**Asset Cover Test Date**" means the twentieth (20th) day of each calendar month and each issuance date of a Series or a Tranche of Covered Bonds. The first Asset Cover Test Date shall be 20 August 2007.

"**Asset Cover Test Calculation Period**" means, in relation to any Asset Cover Test Date, each period starting on, and including, the immediately preceding Asset Cover Test Date, and ending on, and excluding such Asset Cover Test Date.

Compliance with the Asset Cover Test requires compliance with the asset cover ratio R specified below (the "**Asset Cover Ratio**"). Such compliance is tested by the Issuer Calculation Agent from time to time subject to, and in accordance with, the relevant terms of the Collateral Security Agreement and the Calculation Services Agreement.

The Asset Cover Ratio (R)

"**R**" means the following ratio which shall be at least equal to one at each Asset Cover Test Date:

$$R = \left[\frac{\text{AdjustedAggregateAssetAmount(AAAA)}}{\text{AggregateCovered Bond Outstanding Principal Amount}} \right]$$

whereby:

"**Aggregate Covered Bond Outstanding Principal Amount**" means, at any Asset Cover Test Date, the aggregate amount of principal (in euro or Euro Equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Covered Bonds;

whereby:

"**Euro Equivalent**" means the euro equivalent amount of the relevant amount denominated in the Specified Currency (as defined in section "*Terms and Conditions of the French Law Covered Bonds*"), it being specified that, if any Borrower Advance is denominated in a Specified Currency and the Issuer and the Borrower have agreed in advance the foreign exchange rate that will be applicable, either (i) in the Hedging Agreements entered into by the Issuer or (ii) the final terms for the related Borrower Advance, as applicable, then the amount of Eligible Assets that will be required to be transferred by the Borrower in accordance with the relevant terms of the Collateral Security Agreement and which shall secure the "euro equivalent" amount of such Borrower Advance, shall be calculated using the above mentioned pre-agreed foreign exchange rate.

"**Adjusted Aggregate Asset Amount (AAAA)**" means, at any Asset Cover Test Date:

$$(AAAA) = A + B + C + D$$

whereby:

"A" means the lower of "A1" and "A2".

"A1" is equal to the sum of all Adjusted Home Loan Outstanding Principal Amounts of all Home Loans transferred as Collateral Security and excluding the Home Loans which have become Ineligible Home Loans (see section "*The Collateral Security*" for a description of the Home Loans Eligibility Criteria) during the applicable Asset Cover Test Calculation Period (the "**Relevant Home Loan**"), as such Adjusted Home Loan Outstanding Principal Amounts under Borrower Facility will be calculated on the relevant Asset Cover Test Date, whereby:

"**Adjusted Home Loan Outstanding Principal Amount**" means, with respect to each Relevant Home Loan, the lower of:

- (i) the Home Loan Outstanding Principal Amount of such Relevant Home Loan minus the Applicable Deemed Reductions; and
- (ii) the LTV Cut-Off Percentage of the Indexed Valuation relating to such Relevant Home Loan minus the Applicable Deemed Reductions;

"**Applicable Deemed Reductions**" means, the aggregate sum of the financial losses incurred by the Collateral Providers with respect to the Relevant Home Loans to the extent that such financial losses have been incurred as a direct result of a material breach of the Servicing Procedures by the relevant Collateral Providers during the applicable Asset Cover Test Calculation Period (see section "*The Collateral Security Agreement – Asset Servicing*" for a description of the Servicing Procedures).

"**Home Loan Outstanding Principal Amount**" means, with respect to each Relevant Home Loan, the amount of principal outstanding at the relevant Asset Cover Test Date under such Relevant Home Loan.

"**LTV Cut-Off Percentage**" means:

- (i) eighty per cent. (80%) for each Relevant Home Loan secured by a Mortgage;
- (ii) eighty per cent. (80%) for each Relevant Home Loan secured by a Home Loan Guarantee issued by Crédit Logement or by Cautionnement Mutuel de l'Habitat (CMH);
- (iii) a percentage which will be determined in accordance with the relevant methodologies of the Rating Agencies, from time to time for each Relevant Home Loan that has the benefit of an insurance policy with an acceptable insurer or guarantee with an acceptable financial institution, insuring the credit risk under such Relevant Home Loan; and
- (iv) a percentage which will be determined in accordance with the relevant methodologies of the Rating Agencies, from time to time for each Relevant Home Loan not mentioned under (i) to (iii) above.

"**Index**" means the index of increases of house prices issued by PERVAL in relation to residential properties in France.

"**Indexed Valuation**" means at any date in relation to any Relevant Home Loan secured over any Property:

- (i) where the Original Market Value of that Property is equal to or greater than the Price Indexed Valuation as at that date, the Original Market Value less 106% of the difference between the Original Market Value and the Price Indexed Valuation; or
- (ii) where the Original Market Value of that Property is less than the Price Indexed Valuation as at that date, the Original Market Value plus eighty per cent. (80%) of the difference between the Price Indexed Valuation and the Original Market Value.

"**Original Foreclosure Value**" in relation to any Property means the purchase price of such Property or (as applicable) the most recent valuation of such Property, as disclosed to the relevant Collateral Provider by the relevant debtor under the related Relevant Home Loan.

"**Original Market Value**" in relation to any Property means the Original Foreclosure Value divided by 1.

"**Price Indexed Valuation**" in relation to any Property at any date means the Original Market Value of that Property increased or decreased as appropriate by the increase or decrease in the Index since the date of the Original Market Value.

"A2" is equal to the sum of all unadjusted Home Loan Outstanding Principal Amounts of all Relevant Home Loans minus the Applicable Deemed Reductions (as defined above) multiplied by the applicable Asset Percentage, whereby:

"**Asset Percentage**" means (i) 92.5 per cent. (92.5%) or (ii) such percentage figure as is determined on quarterly basis by the Issuer Calculation Agent pursuant to the relevant terms of the Collateral Security Agreement.

For the purpose of the calculation of the Asset Percentage referred to in (ii) above, the Issuer Calculation Agent will calculate, on a quarterly basis, the Weighted Average Recovery Rate ("**WARR**"), the Weighted Average Frequency of Foreclosure ("**WAFF**"), and the Weighted Average Loss Severity ("**WALS**") (and/or such figures calculated in accordance with such alternative methodologies as determined in accordance with relevant methodologies of Fitch and S&P) for all Relevant Home Loans or for a random sample of the same or as otherwise determined in accordance with relevant methodologies of Fitch and S&P. The WARR and WALS (or other relevant figures) so calculated will be incorporated by the Issuer Calculation Agent into one or more cash flow models determined in accordance with relevant methodologies of Fitch and S&P. Such models, which test the credit enhancement required in various cash flow scenarios, will indicate, on the basis of the latest WARR, WAFF and WALS figures (or other agreed relevant figures), the Asset Percentage needed in order to provide credit enhancement to cover all such cash flow scenarios. Save where otherwise determined in accordance with relevant methodologies of Fitch and S&P, the Asset Percentage will be adjusted in accordance with the various methodologies prescribed by S&P and Fitch provided that the Asset Percentage may not, at any time, exceed 92.5 per cent. (92.5%).

"**B**" is equal to the aggregate amount of cash standing to the credit of the Cash Collateral Account, as reported by the Collateral Security Agent in the relevant Asset Report.

"**C**" is equal to the aggregate value outstanding under all Eligible Substitution Assets (the "**Aggregate Substitution Asset Amount (ASAA)**") held by the Issuer provided that, the amount of the Aggregate Substitution Asset Amount (ASAA) (whatever such amount is at any Asset Cover Test date) shall in any event account only for up to twenty per cent. (20%) of the Adjusted Aggregate Asset Amount (AAAA) for the purposes hereof. The Aggregate Substitution Asset Amount (ASAA) shall be reported by the Collateral Security Agent in the relevant Asset Report. Substitution Assets will be valued on the last Business Day of the calendar month immediately preceding each Asset Cover Test Date and be taken into account for their mark-to-market value at a discount based on a methodology determined in accordance with the relevant methodologies of the Rating Agencies.

For the purposes of the above calculation, an "**Eligible Substitution Asset**" is:

- (a) any Substitution Asset (other than a Permitted Investment) which is a Euro or another Specified Currency demand or time deposit, certificate of deposit, long-term debt obligation or short-term debt obligation (including commercial paper) provided that in all cases such investment has a remaining period to maturity of one (1) year or less and the Relevant Rated Obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposit is made (being duly licensed for such purposes) are rated at least A1+ (short-term) and AA- (long-term) by S&P, F1+ (short-term) or AA- (long-term) by Fitch and P-1 (short-term) and Aa3 (long-term) by Moody's; or
- (b) any Substitution Asset (other than a Permitted Investment) which is a Euro or another Specified Currency denominated government and public securities, provided that such investment has a remaining maturity of one (1) year or less and is rated at least Aaa by Moody's, AAA by S&P and AAA by Fitch; or
- (c) any Substitution Asset which complies with the then applicable criteria determined in accordance with the methodologies published by the Rating Agencies.

"**D**" is equal to the aggregate value outstanding under all Permitted Investments, as determined by the Issuer Accounts Bank (or the Administrator on its behalf) and reported to the Issuer Calculation Agent pursuant to the Issuer Accounts Agreement. Permitted Investments will be valued on the last Business Day of the calendar month immediately preceding each Asset Cover Test Date and be taken into account for their mark-to-market value at a discount based on a methodology determined in accordance with the relevant methodologies of the Rating Agencies.

Calculation of the Asset Cover Ratio (R)

On each Asset Cover Test Date, the Asset Cover Ratio (R) shall be calculated by the Issuer Calculation Agent according to the terms, definitions and calculation formula set forth above.

No later than three (3) Business Days following any Asset Cover Test Date, the Issuer Calculation Agent shall inform the Issuer, the Borrower and the Collateral Security Agent (with a copy to the Rating Agencies and to the Asset Monitors) of its calculation of the Asset Cover Ratio (R).

For the purposes of the calculation of any Asset Cover Ratio, Euro Equivalent with respect to Covered Bonds denominated in a Specified Currency shall be determined (i) before the entry into force of any hedging transaction(s) relating to such Covered Bonds, on the basis of the spot exchange rate applicable as of the relevant Asset Cover Test Date (or such other rate communicated by the Issuer Calculation Agent to the Rating Agencies

from time to time) or (ii) upon the entry into force of any hedging transaction(s) relating to such Covered Bonds, on the basis of the exchange rate provided for under such hedging transaction(s).

Non Compliance with Asset Cover Test

Non compliance with the Asset Cover Test (the "**Non Compliance with Asset Cover Test**") would result from the Asset Cover Test Ratio (R) being less than 1.

Remedies

Upon Non Compliance with Asset Cover Test on any Asset Cover Test Date, the Collateral Security Agent shall:

- (i) cause the Collateral Providers to transfer additional or substitute Eligible Assets as Collateral Security pursuant to the relevant terms of the Collateral Security Agreement; and/or
- (ii) cause the Collateral Providers to substitute Collateral Security Assets from the Collateral Security pursuant to the relevant terms of the Collateral Security Agreement;

in each case, as necessary to cure such Non Compliance with Asset Cover Test.

A Non Compliance with Asset Cover Test will not constitute an Issuer Event of Default or a Borrower Event of Default. However, it will prevent the Issuer from issuing any further Covered Bonds as long as it remains unremedied.

Breach of Asset Cover Test

The failure by the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, to cure a Non Compliance with Asset Cover Test occurred on any Asset Cover Test Date prior to the next following Asset Cover Test Date shall constitute a "**Breach of Asset Cover Test**" within the meaning of the Collateral Security Agreement. The Issuer Calculation Agent will inform promptly the Issuer, the Borrower and the Collateral Security Agent (with a copy to the Rating Agencies and to the Asset Monitors) of the occurrence of a Breach of Asset Cover Test.

A Breach of Asset Cover Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement.

A Breach of Asset Cover Test will not constitute an Issuer Event of Default but will prevent the Issuer from issuing any further Covered Bonds.

The Pre-Maturity Test

Compliance with the Pre-Maturity Test requires compliance with the ratings specified below with respect to the Borrower within each relevant Pre-Maturity Test Period.

For the purpose hereof:

"Pre-Maturity Test Period" means the period starting from, and including, the one hundred and eightieth (180th) Business Day preceding the Final Maturity Date (or, as the case may be, with respect to Soft Bullet Covered Bonds, the Extended Final Maturity Date) of each Series of Covered Bonds and ending on, and excluding, such Final Maturity Date (or, as the case may be, with respect to Soft Bullet Covered Bonds, the Extended Final Maturity Date).

Pre-Maturity Ratings Required Levels

The required ratings with respect to the Borrower (together, the "**Pre-Maturity Ratings Required Levels**") are the following credit ratings from any of S&P, Moody's or Fitch respectively at least A-1 (short-term) (S&P), P-1 (short-term) (Moody's) or F1+ (short-term) (Fitch).

Pre-Maturity Test

The Issuer Calculation Agent shall test compliance or non compliance by the Borrower with the Pre-Maturity Ratings Required Level subject to, and in accordance with, the relevant terms of the Calculation Services Agreement.

Non Compliance with Pre-Maturity Test

Upon downgrading of the Borrower below any of the Pre-Maturity Ratings Required Levels within a Pre-Maturity Test Period, the Issuer Calculation Agent shall inform the Cash Collateral Provider of the same within three (3) Business Days from such downgrading by written notice (the "**Non Compliance Notice**") delivered to the Cash Collateral Provider subject to, and in accordance with, the relevant terms of the Cash Collateral Agreement.

The downgrading of the Borrower below any of the Pre-Maturity Ratings Required Levels will not constitute an Issuer Event of Default nor a Borrower Event of Default.

Remedies

If a Non Compliance Notice is received by the Cash Collateral Provider within a Pre-Maturity Test Period and with respect to a Pre-Maturity Test, the Cash Collateral Provider shall fund the Cash Collateral Account up to an amount (the "**Cash Collateral Required Funding Amount (CCRFA)**") calculated by the Issuer Calculation Agent as being the amount of cash to be funded by the Cash Collateral Provider into the Cash Collateral Account with respect to the Series of Covered Bonds which will become due and payable within the next one hundred and eighty (180) Business Days (the "**Relevant Series of Covered Bonds**"), so as to ensure that the total amount of cash funded by the Cash Collateral Provider into the Cash Collateral Account (increased by the Permitted Investments made out of such funded cash) with respect to such Relevant Series of Covered Bonds (the "**Cash Collateral Required Total Amount (CCRTA)**") is equal to:

$$\text{CCRTA} = \text{Covered Bond Principal Amount}$$

whereby:

"**Covered Bond Principal Amount**" means the aggregate amount of principal (in euro or Euro Equivalent with respect to Covered Bonds denominated in a Specified Currency) scheduled to be redeemed at the Final Maturity Date (or, as the case may be, with respect to Soft Bullet Covered Bonds, the Extended Final Maturity Date) of the Relevant Series of Covered Bonds.

The Cash Collateral Provider shall fund the CCRFA in full within thirty (30) calendar days from the receipt of the Non Compliance Notice.

Breach of Pre-Maturity Test

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant Cash Collateral Required Funding Amount (CCRFA) subject to, and in accordance with, the above described conditions shall constitute a "**Breach of Pre-Maturity Test**" within the meaning of the Cash Collateral Agreement.

A Breach of Pre-Maturity Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement. A Breach of Pre-Maturity Test will not constitute an Issuer Event of Default.

The Regulatory Liquidity Test

The Regulatory Liquidity Test reflects the regulatory liquidity test provided for under Articles L.513-8 and R.513-7 of the French Monetary and Financial Code (*Code monétaire et financier*) and applies at any time before the occurrence of any Borrower Event of Default.

In order to enable the Issuer to meet its obligation to cover its liquidity needs in accordance with the legal framework applicable to a *société de financement de l'habitat* and pursuant to the provisions of the Cash Collateral Agreement, at any time before the occurrence of a Borrower Event of Default under the Borrower Facility Agreement, the Cash Collateral Provider shall be requested to fund as Cash Collateral into the Cash Collateral Account an amount equal to, on each calendar day, the amount corresponding to the liquidity needs of the Issuer for the next following one hundred and eighty (180) days calculated in accordance with the provisions of Articles L.513-8 and R.513-7 of the French Monetary and Financial Code (*Code monétaire et financier*) (as it may be amended from time to time) by taking into account expected principal and interests inflows due by all the debtors under, until 8 July 2022, the Eligible Assets and net flows under the Hedging Agreements as the case may be less, as the case may be, the amount of any Substitution Assets, including any Cash Collateral, held by the Issuer on such date and the value of any asset that are eligible as collateral to the credit transactions (*opérations de crédit*) of the Banque de France in accordance with the monetary policy and intra-day credit operations rules of the Eurosystem held by the Issuer on such date and, as of 8 July 2022, liquid assets or short term exposures to credit institutions, to the extent that the regulatory cover ratio referred to in Article L.513-12 of the French Monetary and Financial Code (*Code monétaire et financier*) remains satisfied.

The unsecured receivables deemed to be in default in accordance with Article 178 of Regulation (EU) No. 575/2013 (Capital Requirements Regulation) of 26 June 2013, as amended, may not contribute to the calculation of the coverage ratio.

At any time before the occurrence of any Borrower Event of Default, the Issuer Calculation Agent shall calculate and inform the Cash Collateral Provider of the amount required to comply with the Regulatory Liquidity Test within three (3) Business Days from such requirement has appeared, by written notice (the "**Non Compliance Notice**") delivered to the Cash Collateral Provider subject to, and in accordance with, the relevant terms of the Cash Collateral Agreement.

Remedies

If a Non Compliance Notice is received by the Cash Collateral Provider at any time with respect to a Regulatory Liquidity Test, the Cash Collateral Provider shall fund the Cash Collateral Account up to an amount (the "**Liquidity Cash Collateral Required Funding Amount (LCCRFA)**") calculated by the Issuer Calculation Agent as being the amount of cash to be funded by the Cash Collateral Provider into the Cash Collateral Account so as to ensure that the total amount of cash funded by the Cash Collateral Provider into the Cash Collateral Account (increased by the Permitted Investments made out of such funded cash) (the "**Liquidity Cash Collateral Required Total Amount (LCCRFTA)**") is equal to the amount of the Issuer's liquidity needs (*besoins de trésorerie*) within the next following one hundred and eightieth (180th) (excluded) days after such day (as calculated in accordance with Article L.513-8 and R.513-7 of the French Monetary and Financial Code (*Code monétaire et financier*)).

The Cash Collateral Provider shall fund the LCCRFA in full within thirty (30) Business Days from the receipt of the Non Compliance Notice.

Breach of Regulatory Liquidity Test

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant Liquidity Cash Collateral Required Funding Amount (LCCFRA) subject to, and in accordance with, the above described conditions shall constitute a Breach of Regulatory Liquidity Test within the meaning of the Cash Collateral Agreement.

A Breach of Regulatory Liquidity Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement. A Breach of Regulatory Liquidity Test will not constitute an Issuer Event of Default.

Alternative funding upon Pre-Maturity Test and Regulatory Liquidity Test

Any amount already funded by the Cash Collateral Provider following any non compliance with the amount required for compliance with the Regulatory Liquidity Test shall also be deemed to be funded for the purposes of funding following any non compliance with any Pre-Maturity Ratings Required Level, and any amount already funded by the Cash Collateral Provider following any non compliance with any Pre-Maturity Ratings Required Level shall also be deemed to be funded for the purposes of funding following any non compliance with the amount required for compliance with the Regulatory Liquidity Test. As a consequence, any amount to be funded by the Cash Collateral Provider following any non compliance with the amount required for compliance with the Regulatory Liquidity Test and/or following any non compliance with any Pre-Maturity Ratings Required Level, shall be calculated taking into account any amount already funded by the Cash Collateral Provider following any non compliance with any Pre-Maturity Ratings Required Level and/or following any non compliance with the amount required for compliance with the Regulatory Liquidity Test, and not yet released following variation of the amount of CCRFA or LCCRFA and/or the regain by BFCM of the Pre-Maturity Ratings Required Levels or the decrease of the amount required for compliance with Regulatory Liquidity Test.

The Amortisation Test

The following terms shall have the following definitions:

"**Amortisation Test Date**" means the twentieth (20th) day of each calendar month following the enforcement of a Borrower Event of Default.

"**Amortisation Test Calculation Period**" means, in relation to any Amortisation Test Date, each period starting on, and including, the immediately preceding Amortisation Test Date, and ending on, and excluding such Amortisation Test Date.

Compliance with the Amortisation Test requires compliance with the amortisation ratio RA specified below (the "**Amortisation Ratio (RA)**"). Such compliance is tested by the Issuer Calculation Agent from time to time throughout the period following the enforcement of a Borrower Event of Default subject to, and in accordance with the Condition 6(c) and the Calculation Services Agreement.

The Amortisation Ratio

"**RA**" means the following ratio which shall be at least equal to one at each Amortisation Test Date:

$$RA = \left[\frac{TAAA'}{ACBOPA} \right]$$

whereby:

"Aggregate Covered Bond Outstanding Principal Amount (ACBOPA)" means, at any Amortisation Test Date, the aggregate amount of principal (in euro or Euro Equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Covered Bonds.

"Transferred Aggregate Asset Amount (TAAA')" means, at any Amortisation Test Date:

$$(TAAA') = A' + B + C + D + E$$

whereby:

"A'" is equal to the sum of all Transferred Home Loan Outstanding Principal Amounts of all Relevant Home Loans, as such Adjusted Home Loan Outstanding Principal Amounts will be calculated on the relevant Amortisation Test Date, whereby:

"Home Loan Outstanding Principal Amount" means, with respect to each Relevant Home Loan, the amount of principal outstanding at the relevant Amortisation Test Date under such Relevant Home Loan.

"Relevant Home Loan" means, with respect to a given Amortisation Test Date, any Collateral Security Asset.

"Transferred Home Loan Outstanding Principal Amount" means, with respect to each Relevant Home Loan, the Home Loan Outstanding Principal Amount of such Relevant Home Loan multiplied by M, where for all the Relevant Home Loans that are less than three (3) months in arrear, $M = 1$ and for all the Relevant Home Loans that are three (3) months or more in arrear, $M = 0.7$.

"B", **"C"** and **"D"** have the meaning ascribed to such terms, and shall be determined, on each relevant Amortisation Test Date, subject to, and in accordance with, the terms and formula described in the **"Asset Cover Test"** above.

"E" is equal to the aggregate amount of principal and interest payments, distributions, indemnities, insurance and other proceeds, payments under any Home Loan Security and other sums received during the applicable Amortisation Test Calculation Period by the Issuer from the debtors or other relevant entities under the Collateral Security Assets, as the same shall be reported by the Issuer Calculation Agent on each Amortisation Test Date subject to, and in accordance with, the relevant terms of the Calculation Services Agreement.

Calculation of the Amortisation Ratio

On each Amortisation Test Date, the Amortisation Ratio (RA) shall be calculated by the Issuer Calculation Agent according to the terms, definitions and calculation formula set forth above.

No later than three (3) Business Days following any Amortisation Test Date, the Issuer Calculation Agent shall inform the Issuer (with a copy to the Rating Agencies and to the Asset Monitors) of its calculation of the Amortisation Ratio (RA).

For the purposes of the calculation of any Amortisation Ratio, Euro Equivalent with respect to Covered Bonds denominated in a Specified Currency shall be determined (i) before the entry into force of any hedging transaction(s) relating to such Covered Bonds, on the basis of the spot exchange rate applicable as of the relevant Amortisation Test Date (or such other rate communicated by the Issuer Calculation Agent to the Rating Agencies from time to time) or (ii) upon the entry into force of any hedging transaction(s) relating to such Covered Bonds, on the basis of the exchange rate provided for under such hedging transaction(s).

Non Compliance with Amortisation Test

A **"Non Compliance with Amortisation Test"** will result from the Amortisation Ratio (RA) being less than one.

A Non Compliance with Amortisation Test will not constitute an Issuer Event of Default. However, it will prevent the Issuer from issuing any further Covered Bonds.

Breach of Amortisation Test

The failure by the Issuer to cure a Non Compliance with Amortisation Test occurred on any Amortisation Test Date prior to the next following Amortisation Test Date shall constitute a **"Breach of Amortisation Test"**. The Issuer Calculation Agent will inform promptly the Issuer, each relevant Representative, the holders of the Australian Law Covered Bonds, the Australian Registrar, the holders of German Law Covered Bonds, the German Fiscal Agent and the German Registrar (with a copy to the Rating Agencies and to the Asset Monitors) of the occurrence of a Breach of Amortisation Test.

A Breach of Amortisation Test will result in an Issuer Event of Default within the meaning of the Terms and Conditions.

Issuer Calculation Agent's Defaults

Issuer Calculation Agent's Defaults will occur upon *inter alia* the occurrence of the following events:

- (a) any material representation or warranty made by the Issuer Calculation Agent is or proves to have been incorrect or misleading in any material respect when made, and the same is not remedied (if capable of remedy) within sixty (60) Business Days after the Issuer has given notice thereof to the Issuer Calculation Agent or (if sooner) the Issuer Calculation Agent has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;

Issuer Calculation Agent Rating Trigger Event

If an Issuer Calculation Agent Rating Trigger Event occurs, the Issuer Calculation Agent will notify the Issuer in writing of the occurrence of the Issuer Calculation Agent Rating Trigger Event within five (5) Business Days from

the date upon which it becomes aware of such event and this will constitute a termination event under the Calculation Services Agreement.

For such purposes, "**Issuer Calculation Agent Rating Trigger Event**" means the event in which the Relevant Rated Obligations of the Administrator become rated below BBB by S&P or BBB by Fitch or Baa2 by Moody's.

Termination

"**Issuer Calculation Agent Termination Events**" under the Calculation Services Agreement will include the following events:

- not earlier than twenty (20) Business Days as from the receipt by the Issuer Calculation Agent of the Notice of Termination, if such Notice of Termination is served due to the occurrence of a Borrower Event of Default or of an Issuer Calculation Agent Rating Trigger Event;

The Asset Monitor Agreement and the Engagement Letter

Background

The "**Asset Monitor Agreement**" refers to the agreement dated on or prior to the Programme Date and made between (i) the Issuer and (ii) BFCM as the Issuer Calculation Agent or, as the applicable, the Administrator. The "**Engagement Letter**" refers to the letter dated on or prior to the Programme Date, issued by Ernst & Young et Autres and PricewaterhouseCoopers Audit as Asset Monitors (the "**Asset Monitors**") and duly accepted by the Issuer, pursuant to which Ernst & Young et Autres and PricewaterhouseCoopers Audit are appointed as Asset Monitors.

Under the Asset Monitor Agreement and the Engagement Letter, Ernst & Young et Autres and PricewaterhouseCoopers Audit have been appointed as Asset Monitors by the Issuer to carry out, subject to due receipt of the information to be provided by the Issuer Calculation Agent to the Asset Monitors, various testing and notification duties in relation to the calculations performed by the Calculation Agent in relation to the Asset Cover Test and the Amortisation Test subject to and in accordance with the terms of the Asset Monitor Agreement.

Services of the Asset Monitors

If the Asset Cover Test Date immediately preceding an anniversary of the Programme Date falls prior to the occurrence of a Borrower Event of Default, and subject to receipt of the information to be provided to it by the Issuer Calculation Agent in relation to the calculations performed by the Issuer Calculation Agent regarding the relevant Asset Cover Test, the Asset Monitors will test the arithmetic accuracy of the calculations performed by the Issuer Calculation Agent in relation to the Asset Cover Test on the Asset Cover Test Date immediately preceding an anniversary of the Programme Date, as applicable, with a view to reporting on the arithmetic accuracy or otherwise of such calculations.

On each Amortisation Test Date (it being provided that the first Amortisation Test Date shall be the 20th day of the calendar month immediately following the enforcement of a Borrower Event of Default) and subject to receipt of the information to be provided to it by the Issuer Calculation Agent in relation to the calculations performed by the Issuer Calculation Agent regarding the relevant Amortisation Test, the Asset Monitors will test the arithmetic accuracy of the calculations performed by the Issuer Calculation Agent in relation to the Amortisation Test on the relevant Amortisation Test Date, with a view to reporting on the arithmetic accuracy or otherwise of such calculations.

Upon the occurrence of a Calculation Monitoring Rating Trigger Event and for so long as such Calculation Monitoring Rating Trigger Event is continuing, or, if the Asset Monitors have been notified of the occurrence of a Non Compliance with Asset Cover Test or of a Non Compliance with Amortisation Test (see section "*Asset Monitoring*"), and subject to receipt of the information to be provided to the Asset Monitors, the Asset Monitors shall conduct the tests of the Issuer Calculation Agent's calculations referred to above, as applicable, in respect of every Asset Cover Test Date or Amortisation Test Date, as applicable.

For the purposes of this section "The Asset Monitor Agreement and the Engagement Letter", "**Calculation Monitoring Rating Trigger Event**" means the event in which the Relevant Rated Obligations of BFCM become rated below BBB by S&P or BBB by Fitch or Baa2 by Moody's.

If the tests conducted by the Asset Monitors in accordance the provisions above, reveal arithmetic errors in the relevant calculations performed by the Issuer Calculation Agent such that:

- the Asset Cover Test had been failed on the relevant Asset Cover Test Date (where the Issuer Calculation Agent had recorded it as being satisfied); or
- the Amortisation Test had been failed on the relevant Amortisation Test Date (where the Issuer Calculation Agent had recorded it as being satisfied);

and subject to receipt of the information to be provided to the Asset Monitors, for a period of six (6) months thereafter, the Asset Monitors shall conduct the tests of the Issuer Calculation Agent's calculations referred to above, in respect of every Asset Cover Test Date or each Amortisation Test Date, as applicable, occurring during such six (6)-month period.

The Asset Monitors shall notify the Issuer, in writing, of the relevant calculations performed by the Issuer Calculation Agent and of the results of its tests of the accuracy of the Issuer Calculation Agent's calculations. If the calculations performed by the Administrator have not been performed correctly, the Asset Monitors will report the correct calculation of the Asset Cover Test or Amortisation Test, as applicable. The Issuer shall transfer any notifications and reports received from the Asset Monitors to the parties to the Asset Monitor Agreement (with copy to the Rating Agencies), promptly upon receipt of such notifications and reports.

The Asset Monitors are entitled, in the absence of manifest error, to assume that all information provided to the Asset Monitors is true and correct and is complete and not misleading and are not required to conduct an audit or other similar examination in respect of or otherwise take steps to verify the accuracy or completeness of such information.

Termination

The Issuer may at any time terminate the appointment of the Asset Monitors hereunder upon providing the Asset Monitors with sixty (60) days' prior written notice, provided that such termination may not be effected unless and until a replacement has been found by the Issuer which agrees to perform the duties (or substantially similar duties) of the Asset Monitors set out in the Asset Monitor Agreement.

Each Asset Monitor may, at any time, resign from its appointment under the Engagement Letter upon providing the Issuer with sixty (60) days' prior written notice. If a replacement asset monitor has not been found by the Issuer within sixty (60) days of notice of resignation by the relevant Asset Monitor, such Asset Monitor shall immediately use its best endeavours to appoint a replacement which agrees to perform the duties (or substantially similar duties) of such Asset Monitor set out in the Asset Monitor Agreement.

Fees

Under the terms of the Asset Monitor Agreement, the Issuer will pay to the Asset Monitors a fee for the tests to be performed by the Asset Monitors.

Limited Recourse – Non Petition

The Asset Monitor Agreement includes Limited Recourse and Non petition provisions, as described in section "*Issuer's Activities – Limited Recourse*" and section "*Issuer's Activities – Non-Petition*". The Engagement Letter also refers to such Limited Recourse and Non petition provisions.

Amendment

Except as further described under the Asset Monitor Agreement, any material amendment to the Asset Monitor Agreement and/or to the Engagement Letter is subject to the Rating Affirmation.

Governing Law – Jurisdiction

The Asset Monitor Agreement shall be governed by, and construed in accordance with, French law. Each party to the Asset Monitor Agreement and the Asset Monitors irrevocably submit to the exclusive jurisdiction of the French courts in any action or proceeding arising out of or relating to the Asset Monitor Agreement and/or to the Engagement Letter, and hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined by such courts.

ORIGINATION OF THE HOME LOANS

Procedure for the granting of Home Loans

The Caisses de Crédit Mutuel and the CIC entities offer a full range of housing loans in order to meet the financing needs of their clients. Almost all of these loans are granted by Caisses de Crédit Mutuel or CIC entities.

The loan application

The loan application provides all the required information regarding the borrower and the loan. The IT system supports and controls the process of loan origination, the assessment of risks and the financing proposal. The IT system is common to all of the entities of the group.

The analysis of the loan application

The analysis of a loan application entails looking at the following:

- the "risk group", which is the set of parties who have inter-related economic interests (e.g. a family group or an individual and a business for which he has some liability);
- any other use of credit by the borrower.

A bespoke credit approval program automatically collects all available information (income, outstanding loans, expenses, behaviour of the current account) and assigns a credit rating (from A+ to F). This credit rating is used to assess the credit risk of the relevant borrower or risk group and to assign an approval limit to the client relationship managers.

The analysis of the asset to be financed is made on the basis of the information contained in the loan application.

Financing plan

Depending on the borrower and the description of the financed assets, the credit approval program proposes a suitable financing plan, taking into account all regulatory aspects, the client's requests (maximum monthly payments, maximum duration) as well as aspects relating to the financial costs.

No approval of the loan financing is possible without the credit risk of the borrower having been assessed and approved. Such approval is made within the approval limit of the client relationship manager.

The approval limits

The approval limit of each Caisse de Crédit Mutuel is determined, with regard to the commitment it may undertake, on the basis of an approval or delegation of the relevant Fédération de Crédit Mutuel or relevant CIC entity.

For each Caisse de Crédit Mutuel or CIC branch, the approval limit of such entity is based on:

- criteria relating to financings granted by such Caisse de Crédit Mutuel or CIC branch (outstanding financings under the structure, changes in information relating to credit risks including bad debt risks and litigation risks, overrun accounts, sensitive risks and deteriorated outstanding principal);
- criteria relating to the quality of credit applications recently processed by such Caisse de Crédit Mutuel or CIC branch (including the number of applications submitted for approval and the percentage of approvals obtained);
- the typology, the rating by Internal Audit, the organisation and the environment of each Caisse de Crédit Mutuel or CIC branch; and
- for the Caisse de Crédit Mutuel, the financial criteria of that Caisse de Crédit Mutuel (equity, gross operating results, net cash flow less dividends margin, recourse or non recourse to a solidarity fund).

The commitment reference document

A commitment reference document has been created within the Crédit Mutuel Alliance Fédérale. This commitment reference document describes the procedures to be followed by each relevant entity. It is currently being extended to all of the CM-CIC entities, in order to ensure the consistent and controlled growth of the credit activities of the Crédit Mutuel Alliance Fédérale.

The commitment reference document is regularly updated on the basis of regulatory or statutory changes. In particular, in order to meet the constraints of the Basel III reform, the Crédit Mutuel Alliance Fédérale has implemented an internal rating system in order to derive an internal credit rating scale. The credit rating scale is used in a number of operational processes and programs (the credit decision, payments, sensitive risks, collection, control, etc). In particular, the credit rating scale will be used to weight the approval limits and the related delegations to grant loans.

Decision process

The statutory and/or regulatory provisions specific to each Fédération de Crédit Mutuel detail the terms and conditions applicable to the setting of the approval limits of the relevant Caisse de Crédit Mutuel. The criteria for assigning these levels are the same for all of the Fédérations de Crédit Mutuel. Equivalent rules are implemented within the CIC entities.

The delegations for credit decisions are granted:

- to the directors of the relevant Caisse de Crédit Mutuel or CIC branch; or
- to the client managers of the relevant Caisse de Crédit Mutuel or CIC branch,

depending on the internal organisation of the Caisse de Crédit Mutuel (including the rules relating to the Fédération de Crédit Mutuel) or of the relevant CIC entity.

The approval limits of the Caisses de Crédit Mutuel and of the CIC branches and the delegations to their staff are weighted depending on the internal credit rating of the relevant borrower.

For the Caisses de Crédit Mutuel only, decisions relating to commitments are under the responsibility of the each Caisse de Crédit Mutuel, within their approval limits as weighted by the credit risk score of the borrower. Approval or agreement of the relevant Fédération de Crédit Mutuel is required with respect to credits granted to private individuals and/or professionals in the event that the consolidated authorizations of the borrower or of its risk group exceed the global approval limit of the relevant Caisse de Crédit Mutuel as weighted by the credit risk score of the borrower.

Servicing of Home Loans

The servicing of Home Loans is based on specific triggers and automated processes which occur at different stages and which, depending on the level of trigger, will subject the relevant Home Loan to commercial recovery and/or amicable recovery and/or, as the case may be, recovery through legal action.

Commercial recovery

With respect to the accounts of its clients (current accounts, loans...), each Caisse de Crédit Mutuel or CIC branch is responsible for dealing with irregular situations as soon as they are detected. Each director of a Caisse de Crédit Mutuel or CIC branch is responsible for the procedures followed to rectify such irregular situations and delegates, as appropriate, all or part of these procedures to his employees.

The management of the debtor accounts is carried out in accordance with the level of credit risk and of urgency. A review is carried out, at least daily with respect to sensitive accounts, weekly with respect to the processing of outstanding payments on loans and periodically with respect to any other situation.

Finally, the decisions made in the context of the management of irregular situations shall respect the internal and external rules in force and in particular those relating to the storage of information, the authority levels of the staff concerned and the regulatory constraints.

Amicable recovery

The management system for recovering unpaid receivables due by an individual is based on:

- objective criteria relating to the irregularity on the account, the overdue amount and the internal credit rating;
- automated triggers and processing.

If, after a fixed period of time following the first occurrence of an overdue payment or an overrun on an account, the defaulted client has not rectified the situation, the management of all of his accounts is promptly transferred from the usual client manager to a recovery manager. This latter, situated in a Caisse de Crédit Mutuel, a CIC branch or on a collection platform, is responsible for the prompt recovery of the sums outstanding or unpaid, and at the lowest possible cost, while maintaining both the commercial relationship with the client and the image of Crédit Mutuel Alliance Fédérale.

In the event of failure of the amicable recovery phase (and with the exception of files transferred directly by the CMRC function to external service providers), the relevant Caisse de Crédit Mutuel or CIC branch undertakes to enter promptly into a procedure for recovery by way of legal action.

Processing by the CMRC function

Individual person's accounts which satisfy the predefined criteria are, after validation, automatically transferred to the Crédit Mutuel Client Recovery function (*Crédit Mutuel Recouvrement Clientèle* or CMRC). This function is responsible for the amicable recovery of these accounts. The intervention of CMRC is intended to improve the

quality and the efficiency of the management of the client account, through the transfer of the account to a recovery specialist.

Processing by a Caisse de Crédit Mutuel or by a CIC branch

When there is no available function specifically dedicated to amicable recovery with respect to individuals, amicable recovery is kept at the level of the relevant Caisse de Crédit Mutuel or CIC branch. Whenever such function is available, amicable recovery may be kept at the level of the Caisse de Crédit Mutuel or CIC branch benefiting from the necessary internal skills and organisation for the processing of risks in an efficient manner, in agreement with the relevant originating department.

Recovery through legal action

The recovery must involve legal action when:

- amicable recovery has failed;
- key deadlines for any legal process are reached;
- the debtors and guarantors have left without leaving an address and do not respond to communication;
- proceedings have been undertaken by another creditor (seizure of real estate, forced sale (*cession forcée*), etc.);
- safeguard proceedings, bankruptcy proceedings or liquidation proceedings have been initiated.

This list is not comprehensive and other events may cause the relevant lender to initiate legal action. At this stage, the main objective is to obtain the repayment of the home loan receivables, in particular through legal proceedings. The preservation of the client relationship is no longer a priority for the relevant lender.

RECENT DEVELOPMENTS

As of 31 March 2022, the long-term debt of the Issuer amounted to €25,096,961,861.

³ ICMA 1 and ICMA 2 approaches envisage that a negative target market will be unlikely. SUBSCRIPTION AND SALE

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 15 June 2022 between the Issuer, the Arranger and the Permanent Dealers (as supplemented and amended from time to time, the "**Dealer Agreement**"), the International Covered Bonds will be offered by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell International Covered Bonds directly on its own behalf to Dealers that are not Permanent Dealers. The International Covered Bonds may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer(s). The International Covered Bonds may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for International Covered Bonds to be issued in syndicated Tranches that are jointly and severally underwritten by two (2) or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of International Covered Bonds subscribed by it. The Issuer has agreed to reimburse the Arranger for its expenses incurred in connection with the International Programme and the Dealers for certain of their activities in connection with the International Programme.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the International Covered Bonds. The Dealers have agreed to indemnify the Issuer against certain liabilities in connection with the offer and sale of the International Covered Bonds. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe International Covered Bonds in certain circumstances prior to payment for such International Covered Bonds being made to the Issuer.

1. General

These selling restrictions may be modified by the agreement of the Issuer and the Dealers in particular following a change in a relevant law, regulation or directive. Any such modification will be set out in a supplement to this Base Prospectus.

Each Dealer has agreed that it will comply, to the best of its knowledge, with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers International Covered Bonds or has in its possession or distributes this Base Prospectus, any other offering material or any Final Terms and neither the Issuer nor any other Dealer shall have responsibility therefore.

2. Jurisdictions outside the EEA and the UK

United States of America

The International Covered Bonds have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**Securities Act**"), and subject to certain exceptions, may not be offered or sold within the United States of America or to, or for the account or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Each Dealer has represented and agreed that it will not offer or sell the International Covered Bonds of any identifiable Tranche within the United States of America (i) as part of their distribution at any time or (ii) otherwise until forty (40) calendar days after completion of the distribution of any identifiable Tranche, as determined and certified to the Issuer by the Fiscal Agent, or in the case of International Covered Bonds issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of, U.S. Persons, and it will have sent to each Dealer to which it sells International Covered Bonds during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the International Covered Bonds within the United States or to, or for the account of, U.S. Persons. Materialised Covered Bonds having a maturity of more than one (1) year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States of America or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended and regulations thereunder.

In addition, until forty (40) calendar days after the commencement of the offering of any identifiable Tranche, an offer or sale of International Covered Bonds within the United States of America by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Each Dealer has represented and agreed that unless the relevant Final Terms (or another supplement to any Base Prospectus) otherwise provides, it:

- (a) has not made or invited, and will not make or invite, an offer of the International Covered Bonds for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and

- (iii) such action complies with any other applicable laws, regulations or directives in Australia; and
- (iv) such action does not require any document to be lodged with ASIC or any other regulatory authority in Australia.

In addition, each Dealer has agreed that it will comply with the directive issued by the Australian Prudential Regulation Authority dated 21 March 2018 as contained in Banking exemption No. 1 where the Dealer offers International Covered Bonds for sale in relation to an issuance. No person resident or located in the Republic of Italy other than the original addressees of this Base Prospectus may rely on this Base Prospectus, the Final Terms or any other offering material relating to the International Covered Bonds.

Federal Republic of Germany

No action has been or will be taken in any jurisdiction by the Issuer or any Dealer that would permit an offer of the German Law Covered Bonds to the public, or possession or distribution of this Base Prospectus or any other offering material, in any country (including Germany) or jurisdiction where such further action for that purpose is required.

This Base Prospectus has not been, and will not be, filed with the German Financial Supervisory Authority.

In particular, the German law Covered Bonds may not be offered, sold or publicly promoted or advertised in Germany other than in compliance with the provisions of the German Asset Investment Act (*Vermögensanlagengesetz*) exempting such offering, sale or public promotion from the requirement to publish a prospectus, or any laws replacing the *Vermögensanlagengesetz* or any other laws applicable in Germany governing the issue, offering and sale of registered bonds (*Namenschuldverschreibungen*).

The Issuer assumes no responsibility and makes no representation regarding the suitability of International Covered Bonds as an investment product for any investor. In particular, the Issuer assumes no responsibility for the eligibility of any International Covered Bonds as investment for any International Bondholder domiciled in Germany and subject to particular regulatory requirements with regard to its investments, including, without limitation, insurance companies, pension funds, credit institutions and investment funds. Unless explicitly stated otherwise in the Conditions or the Final Terms, no reference therein to particular German law regulatory requirements implies or may be construed to imply any representation or warranty by the Issuer as to the suitability of the relevant International Covered Bonds for the Bondholders.

EEA

Prohibition of sales to EEA retail investors

If the Final Terms in respect of any International Covered Bonds specify the "Prohibition of Sales to EEA Retail Investors" as "Applicable", each Dealer has represented and agreed, and each further Dealer appointed under the International Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any International Covered Bonds which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to any retail investor in the European Economic Area (the "EEA").

For the purposes of this provision:

- (a) the expression "retail investor" means a person who is one (or more) of the following:
 - (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments, as amended ("**MiFID II**");
 - (ii) a customer within the meaning of Directive 2016/97/EU of the European Parliament and of the Council of 20 January 2016 on insurance distribution, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or
 - (iii) not a qualified investor as defined in the Prospectus Regulation; and
- (b) the expression an "offer" includes the communication in any form and by any means of sufficient information on the terms of the offer and the International Covered Bonds to be offered so as to enable an investor to decide to purchase or subscribe for the International Covered Bonds.

Public offer selling restriction under the Prospectus Regulation

If the Final Terms in respect of any International Covered Bonds specify "Prohibition of Sales to EEA Retail Investors" as "Not Applicable", each Dealer has represented and agreed, and each further Dealer appointed under the International Programme will be required to represent and agree, that it has not made and will not make an offer of International Covered Bonds which are the subject of the offering contemplated by this Base Prospectus as completed by the relevant Final Terms to the public in a Member State of the European Economic Area (each a

"**Relevant Member State**") except that it may make an offer of such International Covered Bonds to the public in that Relevant Member State:

- (a) if the Final Terms in relation to the International Covered Bonds specify that an offer of those International Covered Bonds in France may be made other than pursuant to Article 1(4) of the Prospectus Regulation (a "**Non-exempt Offer**"), following the date of publication of a base prospectus in relation to such International Covered Bonds which has been approved by the competent authority in France or, where appropriate, approved in another Relevant Member State and notified to the competent authority in France, provided that any such base prospectus has subsequently been completed by the Final Terms contemplating such Non-exempt Offer, in accordance with the Prospectus Regulation, in the period beginning and ending on the dates specified in such base prospectus or Final Terms, as applicable;
- (b) at any time to any legal entity which is a qualified investor as defined under the Prospectus Regulation;
- (c) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Regulation) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 1(4) of the Prospectus Regulation,

provided that no such offer of International Covered Bonds referred to in paragraphs (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation.

4. United Kingdom

Prohibition of sales to UK Retail Investors

Unless the Final Terms in respect of any International Covered Bonds specifies "Prohibition of Sales to UK Retail Investors" as "Not Applicable", each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any International Covered Bonds which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to any retail investor in the United Kingdom (the "**UK**"). For the purposes of this provision:

- (a) the expression "retail" investor means a person who is one (or more) of the following:
 - (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**EUWA**"); or
 - (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended (the "**FSMA**") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments as it forms part of domestic law by virtue of the EUWA; or
 - (iii) not a qualified investor as defined in Article 2 of the UK Prospectus Regulation (as defined below); and
- (b) the expression an "offer" includes the communication in any form and by any means of sufficient information on the terms of the offer and the International Covered Bonds to be offered so as to enable an investor to decide to purchase or subscribe for the International Covered Bonds.

Public offer selling restriction under the UK Prospectus Regulation

If the Final Terms in respect of any International Covered Bonds specifies "Prohibition of Sales to UK Retail Investors" as "Not Applicable", each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not made and will not make an offer of International Covered Bonds which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in the United Kingdom except that it may make an offer of such International Covered Bonds to the public in the United Kingdom:

- (a) at any time to any legal entity which is a qualified investor as defined in Article 2 of the UK Prospectus Regulation;
- (b) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in Article 2 of the UK Prospectus Regulation) in the United Kingdom subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or

(c) at any time in any other circumstances falling within section 86 of the FSMA,

provided that no such offer of International Covered Bonds referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to section 85 of the FSMA⁴¹ or supplement a prospectus pursuant to Article 23 of Article 2 of the UK Prospectus Regulation.

For the purposes of this provision, the expression "an offer of International Covered Bonds to the public" in relation to any International Covered Bonds means the communication in any form and by any means of sufficient information on the terms of the offer and the International Covered Bonds to be offered so as to enable an investor to decide to purchase or subscribe for the International Covered Bonds and the expression "**UK Prospectus Regulation**" means the Prospectus Regulation as it forms part of domestic law by virtue of the EUWA.

Other regulatory restrictions

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) in relation to any International Covered Bonds which have a maturity of less than one year, (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any International Covered Bonds other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the International Covered Bonds would otherwise constitute a contravention of Section 19 of the FSMA by the Issuer;
- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any International Covered Bonds in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any International Covered Bonds in, from or otherwise involving the United Kingdom.

⁴¹ The cornerstone provisions of the UK prospectus regime are set out in Article 3 UK Prospectus Regulation and in section 85 FSMA. Section 85 FSMA has been used here, as it is where the criminal offence lies. It also ties in with the use of section 86 FSMA (which not only cross-refers to the Article 1(4) UK Prospectus Regulation exemptions, but also includes the €8,000,000 exemption).

GENERAL INFORMATION

- (1) This document has been approved as a base prospectus by the *Autorité des marchés financiers* (the "AMF") in its capacity as competent authority under Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, as amended (the "**Prospectus Regulation**") and has received approval number 22-215 on 15 June 2022. The AMF only approves this Base Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered as an endorsement of either the Issuer or the quality of the International Covered Bonds that are the subject of this Base Prospectus and investors should make their own assessment as to the suitability of investing in the International Covered Bonds.

Application will be made in certain circumstances to admit the French Law Covered Bonds on Euronext Paris and application may be made for the listing and/or admission to trading of French Law Covered Bonds on any other Regulated Market in a Member State of the European Economic Area ("EEA") or any other stock exchange.

- (2) The Legal Entity Identifier (LEI) of the Issuer is 9695009KQA7MMTQL8E07.
- (3) The Issuer has obtained all necessary corporate and other consents, approvals and authorisations in France in connection with the update of the International Programme.

Any issuance of International Covered Bonds under the International Programme, to the extent that such International Covered Bonds constitute *obligations* or *instruments financiers équivalents de droit étranger* under French law, requires the prior authorisation of the board of directors (*conseil d'administration*) of the Issuer, which may delegate its power to any other member of the board of directors (*conseil d'administration*), to the managing director (*directeur général*), to any of the deputy managing director (*directeur général délégué*), or to any other person.

On 16 November 2021, the Board of Directors (*conseil d'administration*) of the Issuer has authorised the issue of Covered Bonds for a maximum nominal amount of €15,000,000,000 (or its equivalent in any other currency) and delegated the power to issue such Covered Bonds to each of Alexandre Saada, chairman of the board of directors (*président du conseil d'administration*) of the Issuer, Eric Cuzzucoli, managing director (*directeur général*) of the Issuer and/or Denis Reinsbach (*directeur administratif*) of the Issuer, such delegation being valid for a period of one year from 16 November 2021.

- (4) There has been no significant change in the financial performance or financial position of the Issuer since 31 December 2021.
- (5) Except as otherwise provided in the risk factor entitled "*Risks related to economic environment*" on page 28 of this Base Prospectus, there has been no material adverse change in the prospects of the Issuer since 31 December 2021.
- (6) As of the date of this Base Prospectus, the Issuer is not and has not been involved in any governmental, legal or arbitration proceedings (including any such proceeding which are pending or threatened of which the Issuer is aware) during the last twelve (12) months which may have, or have had in the recent past, significant effects on the financial position or profitability of the Issuer.
- (7) There are no material contracts that are not entered into the ordinary course of the Issuer's business which could result in any member of the Group being under an obligation or entitlement that is material to the Issuer's ability to meet its obligation to Bondholders in respect of the International Covered Bonds being issued.
- (8) Application may be made for French Law Covered Bonds to be accepted for clearance through Euroclear France (66, rue de la Victoire, 75009 Paris, France) and/or Euroclear (boulevard du Roi Albert II, 1210 Bruxelles, Belgique) and Clearstream (42 avenue JF Kennedy, L-1855 Luxembourg, Luxembourg). The Common Code and the International Securities Identification Number (ISIN) Code and, as the case may be, the Financial Instrument Short Name (FISN) Code and/or the Classification of Financial Instruments (CFI) Code or the identification number for any other relevant clearing system for each Series of French Law Covered Bonds will be set out in the relevant Final Terms.
- (9) PricewaterhouseCoopers Audit (63, rue de Villiers, 92208 Neuilly-sur-Seine Cedex, France) and Ernst & Young et Autres (Tour First, TSA 1444 4, 92037 Paris-La Défense Cedex, France) (both entities regulated by the *Haut Conseil du Commissariat aux Comptes* and duly authorised as *Commissaires aux comptes*) have been appointed as *Commissaires aux comptes* to the Issuer as from 16 April 2007 and have audited and rendered unqualified audit reports on the financial statements of the Issuer for the fiscal years ended

- (10) The specific controller (*Contrôleur spécifique*) of the Issuer is Fides Audit (11, rue Marie Laurencin, 75012 Paris, France), represented by Mr. Stéphane Massa.
- (11) The Issuer does not intend to provide post-issuance transaction information regarding the International Covered Bonds to be admitted to trading and the performance of the underlying collateral, except if required by any applicable laws and regulations.
- (12) In relation to any Tranche of Fixed Rate Covered Bonds, an indication of the yield of such International Covered Bonds will be specified in the relevant Final Terms. The yield is calculated at the Issue Date of the Fixed Rate Covered Bonds on the basis of the relevant Issue Price.
- (13) In connection with the issue of any Tranche of French Law Covered Bonds, the Dealer or Dealers (if any) named as the stabilising manager(s) (the "**Stabilising Manager(s)**") (or persons acting on behalf of any Stabilising Manager(s)) in the relevant Final Terms may over-allot French Law Covered Bonds or effect transactions with a view to supporting the market price of the French Law Covered Bonds at a level higher than that which might otherwise prevail. However, stabilisation may not necessarily occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the Final Terms of the offer of the relevant Tranche is made and, if begun, may cease at any time, but it must end no later than the earlier of thirty (30) calendar days after the issue date of the relevant Tranche and sixty (60) calendar days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment must be conducted by the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.
- (14) This Base Prospectus, any supplement thereto that may be published from time to time and, so long as French Law Covered Bonds are admitted to trading on any Regulated Market in a Member State of the EEA and/or offered to the public in France pursuant to a non-exempt offer in accordance with the Prospectus Regulation, the Final Terms relating to such French Law Covered Bonds will be published on the websites of the AMF (www.amf-france.org) and of the Issuer (www.creditmutuel-homeloansfh.eu).

In addition, should the French Law Covered Bonds be admitted to trading on a Regulated Market of a Member State of the EEA other than Euronext Paris in accordance with the Prospectus Regulation, the Final Terms related to those French Law Covered Bonds will provide whether this Base Prospectus and the relevant Final Terms will be published on the website of (x) the relevant Regulated Market or (y) the relevant competent authority.

- (15) For so long as International Covered Bonds may be issued pursuant to this Base Prospectus, copies of the following documents will, when published, be available upon request and free of charge during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted), at the registered office of the Issuer and, except for the documents referred to in sub-paragraph (c) below, on the website of the Issuer (www.creditmutuel-homeloansfh.eu):
 - (a) the up-to-date by-laws (*statuts*) of the Issuer;
 - (b) the audited financial statements of the Issuer in respect of the financial years ended 31 December 2020 and 31 December 2021;
 - (c) the Agency Agreement (which includes the form of the *lettre comptable*, the Temporary Global Certificate, the Definitive Materialised Covered Bonds, the Coupons, the Talons, the Receipts and the Terms and Conditions of the German Law Covered Bonds);
 - (d) the Final Terms for French Law Covered Bonds that are admitted to trading on Euronext Paris or on any other Regulated Market of the EEA and/or offered to the public in France pursuant to a non-exempt offer;
 - (e) a copy of this Base Prospectus together with any supplement thereto that may be published from time to time or further base prospectus and any document incorporated by reference therein; and
 - (f) all reports, letters and other documents, historical financial information, valuations and statements prepared by any expert at the Issuer's request any part of which is included or referred to in this Base Prospectus, including the certificate of the *contrôleur spécifique* in respect of each issue of French Law Covered Bonds in a principal amount equal to or above €500,000,000 (or its equivalent in any other currency at the date of the issue of such French Law Covered Bonds).
- (16) So long as Australian Law Covered Bonds are outstanding, documents referred to in paragraphs 15 (a), (b), (c), (e) and (f) above, together with copies of the Deed Poll and the Australian Agency Agreement are

available for inspection during normal business hours at the specified office of the Issuer and the Australian Registrar.

- (17) So long as German Law Covered Bonds are outstanding, documents referred to in paragraphs 15 (a), (b), (c), (e) and (f) above are available for inspection during normal business hours at the specified office of the Issuer and the German Fiscal Agent.

- (18) Amounts payable under the International Covered Bonds may be calculated by reference to EURIBOR or any other rate as specified in the Final Terms. EURIBOR is provided by the European Money Markets Institute. As at the date of this Base Prospectus, the EMMI appears on the register of administrators and benchmarks established and maintained by the European Securities and Markets Authority pursuant to Article 36 of Regulation (EU) 2016/1011 of the European Parliament and of the Council of 8 June 2016 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds, as amended (the "**Benchmark Regulation**"). The relevant Final Terms will specify the administrator of any other benchmark used as a reference under the Floating Rate Covered Bonds and whether or not such administrator appears on the above-mentioned register of administrators and benchmarks established and maintained by the ESMA pursuant to Article 36 of the Benchmark Regulation.

The registration status of any administrator under the Benchmark Regulation is a matter of public record and, save where required by applicable law, the Issuer does not intend to update this Base Prospectus or the relevant Final Terms to reflect any change in the registration status of the administrator.

- (19) Conflicts of interest may arise during the life of the International Programme. These include, for example, conflicts that may arise as a result of BFCM's several roles in different capacities under the Programme Documents, including as Borrower.

Also, during the course of their business activities, the parties to the Programme Documents and/or any respective affiliates may operate, service, acquire or sell properties, or finance loans secured by properties, which are in the same markets as the Home Loans. In such cases, the interest of any of those parties or their affiliates or the interest of other parties for whom they perform services may differ from, and conflict with, the interests of the Issuer or of the Bondholders. The International Covered Bonds may be distributed by institutions in charge of collecting subscription orders from investors and such institutions may, as the case may be, be related to BFCM. Consequently, during the offer period of the International Covered Bonds, some conflicts of interest may arise between the interests of such distributors and/or BFCM and those of the Bondholders.

- (20) Potential purchasers and sellers of the International Covered Bonds may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the jurisdiction where the International Covered Bonds are transferred, or other jurisdictions (including France). In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the International Covered Bonds. Potential investors are advised not to rely upon the tax overview contained in this Base Prospectus and any supplement thereto that may be published from time to time, but to ask for their own tax adviser's advice on their individual taxation with respect to the subscription, acquisition, holding, sale and redemption of the International Covered Bonds.
- (21) The website of the Issuer is www.creditmutuel-homeloansfh.eu. The information contained on www.creditmutuel-homeloansfh.eu and on any other website included in this Base Prospectus does not form part of this Base Prospectus and has not been scrutinised or approved by the AMF unless that information is incorporated by reference into this Base Prospectus.
